

'TRUTH TESTER' SUPPORTED IN MURDER PROBE

White County Grand Jury Refuses to Indict Lloyd Kimble.

By United Press
MONTICELLO, Ind., Feb. 1.—The retraction of a "truth testing machine" wrung from Mrs. Jeanette Taylor had resulted today in clearing Lloyd Kimble, Carroll County farm hand, of charges of murdering John Baker, White County farmer. After being told the "truth tester," which was only a blood pressure recorder, awed Mrs. Taylor into believing a lie would be registered with scientific precision, the White County grand jury late Tuesday accepted Prosecutor John Rothrock's statement that Mrs. Taylor admitted falsely accusing Kimble.

Clear Prosecutor
The jurors not only refused to indict Kimble, but reported on Mrs. Taylor's assertion that Rothrock threatened her into changing her story. The jury found Rothrock innocent of "irregularities or misconduct."

While Kimble was on trial at Delphi recently on a charge of killing Daniel Sink, aged farmer, Mrs. Taylor, who testified against him, also declared he had admitted the "murder" of Baker to her. Kimble was acquitted of the Sink killing and he and Mrs. Taylor were brought here for the inquiry into Baker's death.

Before the grand jury here, Mrs. Taylor reiterated her story of the Baker killing. Later, on being subjected to "tests" by what she thought to be a "truth tester," she broke down and declared she had lied about Kimble.

Charged Coercion

In an affidavit made subsequently, repudiating her withdrawal and again accusing Kimble, she charged Prosecutor Rothrock had used coercion in questioning her. The affidavit read:

"They put it (a blood pressure tester) on my arm and said it would tell if I lied to them. The prosecutor let me tell about Baker until I got as far as when Kimble poured gasoline and oil on him and set his clothing on fire. Then the prosecutor took me in another room and told me if I told the truth on Kimble, that if he confessed burning Baker up, they would put me in the electric chair or give me a life sentence the same as Kimble. He told me they were going to put me in jail and hold me under \$5,000 bond. Then he made me go back and tell those men Kimble did not tell me about Baker at all."

Rothrock denied threatening Mrs. Taylor in any way and said her story of sending to the electric chair was "preposterous." He denied a \$5,000 bond was mentioned.

TRIPLE WEDDING HELD DESPITE AUTO ACCIDENT

Car Fails to Make Curve and Burns on Road to Rushville.

By United Press
GREENSBURG, Ind., Feb. 1.—An automobile accident failed to prevent three couples en route to Rushville for a triple wedding from getting married. The party consisted of Robert Whitaker, Rush County farmer; the bride-to-be, Miss Pauline Morrow, near St. Onmer; the latter's sister, Miss Grace Morrow; Miss Hazel Lightfoot; Roland Parker, near Homer, and Tony Cato, Indianapolis.

Their car failed to make a curve and rolled over an embankment. Fire followed. All escaped injury except Whitaker, who received a sprained back. But the party proceeded to Rushville and were married.

FACES TRIAL IN DEATH

Muncie Motorist Accused of Tragedy to Be in Court Thursday.

By Times Special
MUNCIE, Ind., Feb. 1.—Ira Wilhelm will go on trial in Delaware Circuit Court here Thursday charged with involuntary manslaughter as a result of the death of James Devere, 14, fatally injured when struck by Wilhelm's automobile. The tragedy occurred June 26 last.

The boy was walking along the side of the road when struck, according to Wilhelm. He asserts he turned his car to one side trying to avoid running into an over machine and did not see the boy.

To End Severe Cough, Try This. Made at Home.

You'll never know how quickly a bad cough can be conquered, until you try this famous home-made remedy. The immediate relief given is almost like magic. It is easily prepared, and there is nothing better for coughs.

Into a pint bottle, put 2 1/2 ounces of Pinex; then add plain granulated sugar syrup to make a full pint. Or you can use clarified honey instead of sugar syrup. Either way, the full pint saves about two-thirds of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly, and tastes pleasant—children like it.

You can feel this taste hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm thin out and disappear. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchitis, hoarseness, and bronchial asthma.

Pinex is a most valuable concentrated compound of genuine Norway pine extract and palatable guaiacol, the most reliable remedy for throat and chest ailments.

To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with directions. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.
