

21 EXHIBITORS
LINE UP SPACE
FOR FOOD SHOW

150 Booths Constructed at
Tabernacle; Wedding
to Be Feature.

Twenty exhibitors already have taken space for the Indianapolis Food and Household Appliance Show which opens Feb. 27 for one week at Cade Tabernacle, according to Edward V. Richardson, director. Many manufacturers and distributors have taken double space. The following have signed contracts: Taggart Baking Company, Continental Baking Company, Sugar Creek Creamery Company, Community Fund, Indianapolis Times, Accident Prevention Bureau of the Indianapolis Police Department, Polk Sanitary Milk Company, Kingan & Company, Ltd., United States Army School for cooks and bakers. Meridian Glazed Donut Company, Jessup & Company of Connersville, Ind., Toddy, Inc., Red Top Malt Extract Company, Boss Washing Machine Sales, Indianapolis Appliance Corporation, A. B. Crawford Company, T. N. T. Extreming Company, Voorhis Studios, Northwestern Steel and Iron Company of Chicago (National Pressure Cooker), Indianapolis Stoneware Company, Capitol Bottling Company and Nancy Hart Candy Shops, Inc.

More than 150 booths have been constructed and will be arranged several days before the show opens, allowing exhibitors time to get displays in place. Lieut. Frank Owen, of the accident prevention bureau, will have a booth depicting the safety measures taken by the police department in its drive to reduce accidents to school children at crossings. Capt. Pryor of Ft. Benjamin Harrison will show in his booth the evolution of the army kitchen. Capt. Pryor spoke recently over the radio on Army rations. Richardson returned recently from the Cincinnati food show and gleaned several ideas for features for the Indianapolis show. The baby show will be one of the main attractions, with healthy baby judging on four afternoons starting Tuesday. A physician and dentist will comprise each day's board of judge.

Glass Room for Babies
A special glass room is being built in which the youngsters will be put through their paces. Babies can be entered in the contest any day from 9 a. m. to 5 p. m. and 7 to 9 p. m. Daily prizes will be awarded. The lucky couple for the public wedding has not been selected. Everything for the wedding will be supplied free by The Indianapolis Times and show officials. Couples can enter, either the man or woman, by registering any day during the same hours as baby registration in the office in the northeast corner of the Cade Tabernacle. This year's food and household appliance show is the first in Indianapolis for five years and will be made an annual feature, according to Richardson. Although Indianapolis merchants and distributors are fast contracting for space, Richardson announces that many desirable booths still remain for late comers.

Don't Let That Cold
Turn Into "Flu"

That cold may turn into "Flu," Grippe or, even worse, Pneumonia, unless you take care of it at once. Rub Musterole on the congested parts and see how quickly it brings relief. As effective as the messy old mustard plaster; does the work without blister. Musterole, made from pure oil of mustard, camphor, menthol and other simple ingredients, is a counter-irritant which stimulates circulation and helps break up the cold. You will feel a warm tingle as it enters the pores, then a cooling sensation that brings welcome relief.

FOUR IN MATRIMONIAL
TANGLE PLAN WAY OUT

Rewedding Present Partners to Follow Annulments.

By Times Special
ANDERSON, Ind., Feb. 7.—Mr. and Mrs. Dallas C. Whitley and Mr. and Mrs. William Myers, the latter Whitley's first wife, met in a lawyer's office here and planned their way out of a matrimonial tangle. Last June Whitley took as his bride Ruth Ramsey, believing that his first wife, Lora McFall, had obtained a divorce. Later he discovered that she was still his wife, despite her marriage nine years ago to Myers. Whitley has filed suit to annul his second marriage. Myers plans a similar step. After the annulments, the couples who are not legally married now can reward present partners and the law will be satisfied.

"Americanitis"

The speed at which we Americans live has given rise to a group of serious nervous and high blood pressure disturbances aptly described as "Americanitis." It's responsible for many break-downs and deaths at middle age. Men who work hard, smoke hard and play hard overburden the liver whose job it is to keep the blood and system clean of poisons formed in food waste. Then follows an insidious toxic condition which saps strength and energy, increases blood pressure and hardens arteries. The liver occasionally needs a little help and there's nothing better for this, as medical men know, than a little ox gall. Ox gall is a great natural stimulant for the liver, promoting its normal active functioning, so essential to real health. Dioxol tablets are genuine ox gall in dainty and tasteless form, each tablet representing 10 drops of pure ox gall. They cost less than 2c each at good druggists, and a few make a vast difference. To be sure of getting the genuine ox gall, be sure of getting Dioxol.

Free Test Take this ad to the druggist named below and he will give you a free sample of Dioxol tablets. Try them yourself. See the splendid, quick results. One trial of Dioxol and you will want a full package! Special Agent: Haag Drug Co.
