

WALSH DEFEAT ON POWER QUIZ ROUSES PARTY

Democrats Object to Lobby Influence; Robinson Is Criticized.

BY C. J. LILLEY
WASHINGTON, Feb. 21.—Democrat Senators who deserted Senator Walsh to vote against a Senate investigation of the power industry have not heard the last of it, party leaders agree.

Breaking of party ranks in such a manner as to give an impression that Democrats are under the thumb of the power lobby does not set well with the rank and file of the party.

The most surprising desertion was that of Senator Joseph Robinson of Arkansas, minority leader in the Senate. Had Robinson stood by Walsh, the power resolution would have carried. Walsh concedes this. Robinson not only added strength to Senator George's attack on the Walsh resolution, but carried other Democratic votes with him.

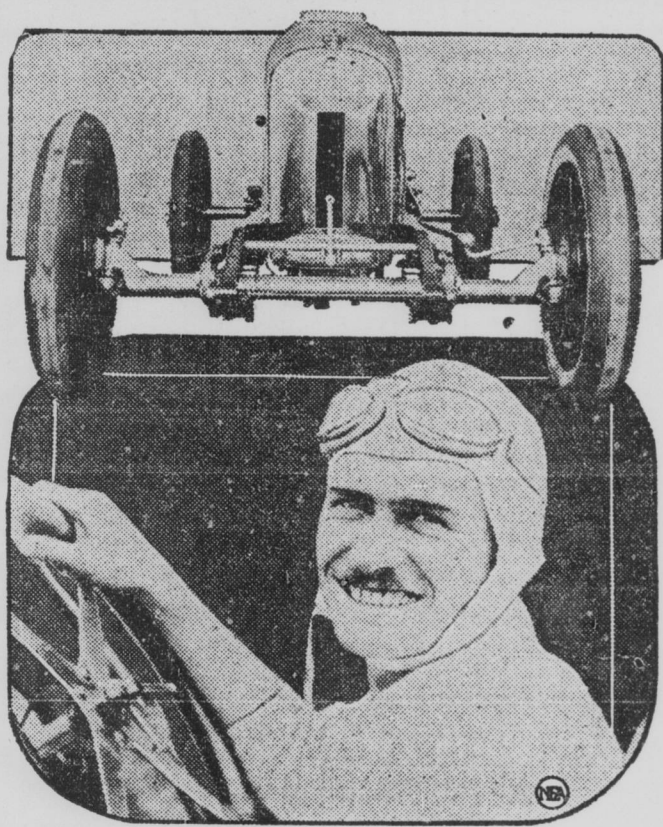

Reasons for Split
Numerous reasons are being advanced for what happened. Here are a few:

Robinson and George wanted to prevent Walsh from becoming too outstanding a national figure and opposed his power inquiry in order to get him back politically.

The Democrats wanted to get campaign funds from the power interests.

The Democrats wanted to punish Walsh for playing a "lone hand"

Like to Do 150 in This?

Here are Wilbur Shaw, his winning smile and the Whippet Four in which he will attempt to set a new record for four-cylinder cars. To do it he'll have to skim over the sands of the Daytona Beach, Fla., course at a pace better than 142 miles an hour, this being the mark set in 1912 by Bob Burman, driving a Blitzen Benz. The Whippet Special was assembled in the Willy-Overland factory in Toledo, O., where Shaw completed his experiments. He says he may be able to "do 150" in the Whippet.

and trying to take all the glory for himself.

Robinson Blamed

The greatest fault being found with Robinson is that he failed as party leader to take steps to prevent what happened. Instead of softening the blow, or saving the party's face, Robinson let Walsh go to defeat on the Senate floor.

Walsh was notified that Robinson intended to vote against his resolution and that George intended to introduce the amendment sending the investigation to the Federal Trade Commission.

This notification came only a few days before the vote was taken and no effort was made to work out a compromise.

CHALLENGE TO LAW HURLED IN CHICAGO BLAST

Bomb Wrecks Home of State's Attorney Kin; Reward Offered.

By United Press

CHICAGO, Feb. 21.—Turning from their alleged intimidation of city officials, Chicago's bombers today answered attacks from the State's attorney's office with a heavy charge of dynamite, planted at the home of the brother-in-law of State's Attorney Robert E. Crowe.

The explosion, the fourth which has been directed at political figures in the present bombing series, occurred at the residence of Lawrence Cuneo.

No one was injured, but other residents of the building in which Cuneo lives said that glass and chinaware were broken by the concussion.

The bomb shattered the outer doorway and ripped away part of one wall of the apartment building. A general exodus of tenants of nearby buildings followed.

Crowe's office recently began a concerted movement to end the wholesale bombings which were inaugurated recently. The blast was considered a direct challenge to this movement.

Cuneo said: "If they're after me, it's an attack on the Crowe political organization."

Crowe immediately offered a \$10,000 reward and immunity to any person who will reveal the identity of the bombers.

FOOTE IS NOMINATED

Named by Coolidge to Succeed to Thurman's Post.

George L. Foote, acting collector of internal revenue for Indiana, has been nominated by President Coolidge as collector to succeed M. Bert Thurman, according to Washington dispatches.

Thurman was given a one month leave of absence preliminary to resigning March 15 to manage the campaign of Senator James E. Watson for the Republican presidential nomination.

Foote, who came here from New Albany, served seven years as assistant deputy and chief deputy.

John Old Scout! You're Growing As Thin As A Rail

He used to be such a manly looking fellow with good features and a fine figure, but now his meagre flesh hardly covers his bones—He is absolutely skinny.

Pretty tough on John to have his friends talking about him that way, but the health resorts and the Mountains are populated with just such John's who kept getting thinner and thinner without trying to help themselves.

That's why every underweight man and woman should take advantage of McCoy's generous offer.

McCoy takes all the risk—Read this ironclad guarantee: If after taking 4 sixty cent boxes of McCoy's Tablets or 2 One Dollar boxes any thin, underweight man or woman doesn't gain at least 5 pounds and feel completely satisfied with the marked improvement in health—your druggist is authorized to return the purchase price.

HER FRIEND HAD THE RIGHT IDEA

Told Suffering Kentucky Lady To Drive Out Poisons Resulting From Constipation By Taking Black-Draught.

Mrs. Mabel Reagan of Corbin, Ky., has given the following interesting account of her use of Theford's Black-Draught for a very common ailment:

"I have been taking Black-Draught, at intervals, for ten or more years. My health has grown better since taking Black-Draught."

"For many years I suffered with constipation. I could not sleep at night. I would have a dull, aching feeling in my limbs, up my back, and in my head."

"I suffered with gas pains, and had such a bitter taste in my mouth."

"A friend, one day, asked me why I did not do something for this. She said, 'Get some Black-Draught; it will drive out that poison.'"

"I began to take Black-Draught then, and found it just as she had recommended it to be. After I had taken a few doses, I rested at night, and felt much better, rested, and full of life. I would not be without it."

"From then on to now, I have used it, whenever I had the least sign of constipation or sluggishness."

"Constipation dams up poisons in the bowels, where they are absorbed into the general system, causing many serious symptoms. Be sure to try Black-Draught."

MODERNIZE Your Old Furnace

There have been many improvements in the manufacture of furnaces and the method of their installation in the last few years. The new furnaces and installations will last longer and produce more heat with the lowest coal consumption. They are far superior than the heating plants of a few years back.

Perhaps your furnace only requires a few minor changes, which will more than pay for themselves with added comfort, a better heated home and the saving in coal.

Only a Few Changes May Be Needed

We will gladly tell you what is needed to modernize your present furnace. Just call one of our heating experts; there will be no obligation on your part should you not have the necessary work done.

More Charm—no blemishes now

Underneath a clear, smooth skin, healthy tissues—full of rich, red blood—thrive.

No worry about pimples now. Instead there is a certain satisfaction that gives confidence.

All this because rich, red blood is Nature's way of building and sustaining the body.

Without plenty of rich, red blood, there can be no strong, sturdy, powerful men, or beautiful, healthy women.

You know a clear skin comes from within. Correct the cause—through the blood—and pimples, boils, eczema and that sallow complexion will disappear.

Thousands have regained their strength and charm by taking a few bottles of S.S.S.—Nature's own tonic for restoring the appetite—building strength—and clearing the body of so-called skin troubles.

All drug stores sell S.S.S. in two sizes. Get the larger size. It is more economical.

"Thanks to S.S.S., I got rid of pimples and blackheads. My face now has a smooth feeling. I think S.S.S. does many wonders for the system. Besides giving me a clear complexion, it gave me a healthful look."—Miss Angela Annunzio, 1007 S. Racine Ave., Chicago, Ill.

"I was troubled with pimples and blackheads. I took a course of S.S.S. It cleared my face and back. I think S.S.S. is wonderful. I have told many friends about S.S.S., and they are getting as much benefit as I did."—Miss Ruth Gahn, 1134 Elden Ave., Los Angeles, Calif.
