

## HICKMAN CASE MAY BE GIVEN TO JURY TODAY

Hunt Testifies He Did Not  
Fire a Shot During Hold-  
up of Drug Store.

*By United Press*  
LOS ANGELES, Cal., Feb. 28.—The fate of William Edward Hickman and Welby Hunt on trial jointly for the murder of Ivy Toms, Los Angeles druggist, may reach the jury today.

Cross-examination of Hunt by the State and closing arguments by both State and defense were to be completed.

### Another Trial Planned

Jerome Walsh and Richard Cannillon, attorneys for Hickman, announced they would offer no evidence to support Hickman's plea of "not guilty" on which he was being tried. They indicated they planned to reserve all evidence for the second phase of Hickman's trial. His hearing on a second plea of "not guilty" by reason of insanity.

At the conclusion of the present trial Hickman must be tried by the same jury on his insanity plea.

The State's cross-examination of Hunt was expected to center on the youth's testimony Monday in which

*Crippled; \$40*

Her back broken and her career as a pianist ended by an automobile accident, Miss Edith Redmond (above), 17-year-old Kenosha, Wis., girl was awarded \$40 in her suit for \$10,000 damages. The jury held her guilty of contributory negligence.

he declared he did not fire a shot during the holdup of the Toms drug store which resulted in Tom's death.

### Hunt Blames Hickman

Hunt testified he "had no intention" of helping Hickman in the drug store robbery and said he was forced into accompanying Hickman.

"Hickman put his hand on my gun and said if I didn't help him he'd take care of me," Hunt testified.

Hunt's testimony was reported to have affected Hickman considerably and court guards quoted him as saying:

"He was my buddy. I bunked with him, washed his wounds, cared for him and now, he turns me down."

**DR. GEO. H. SPRIGGS**  
S. Indianopolis.

The report referred to was issued by Dr. Geo. H. Spriggs, 2315 Ingwood Place, Cincinnati, who has gained fame, because of his distinguished service in the World War. Dr. Spriggs, who has an Edinburg degree, stated that this surprising Konjola medicine had completely shown its power in so many cases of suffering that he wants everybody to know about it. He gave a detailed statement of the work of Konjola and also offered his photograph for publication.

"By helping nature," said this prominent doctor, "Konjola is far above older known remedies. I first tried it in a case of kidney trouble—getting up frequently at nights. The man who took it came back the fourth day and said he slept through the previous night. I learned afterwards that he had been treating and doctoring over ten years for his trouble. I learned of a man who hadn't left his home for over two years. He had been a cripple with rheumatism, swollen joints, stiff aching limbs and agonizing pains. He completed a few weeks treatment of Konjola and said he walked a distance of nearly a mile. From this case, I believed Konjola would do wonders for neuritis, and I recommended it to a lady who said she had tried everything for this suffering. She had tried mineral baths, electric treatments and medicine upon medicine. It took only 5 weeks of the Konjola to completely end her trouble, but she has never had a return of the neuritis pains.

"I next treated a woman who had been in bed 3 days out of 5, suffering awful stomach pains, caused from gas, bloating and soreness, which had been getting worse for years past. She said in 5 years she had spent several thousand dollars on her health. She took Konjola and began to eat heartily of many things she hadn't dared to eat in years, but her food agreed with her. She continued to take Konjola a few weeks longer and gained nearly 20 pounds. She says she feels ten years younger, and her appearance certainly shows it. I had another lady tell me Konjola did her more good than 4 years of special dieting. She took Konjola for nervousness and rundown system.

"When Konjola is taken into the human system, there are a score or more of different herbal extracts and each of them has a certain duty to perform on the kidneys, liver, stomach and bowels. The cleansing and invigorating of these important organs is what seems to bring amazing relief and new feelings of health. I heartily recommend it and consider it a real Godsend to those who suffer ill-health."
