## Ray Conger Is Star of A.A.U. Event

Tommy Warne Sets New Record in Pole Vault Division.

EVANSTON, Ill., March 21.—The victory of Ray Conger, former Iowa Middle distance star, in the 1,000-yard run featured the triumph of the Illinois A. C. in the annual Central A. A. U. track and field championships here Tuesday night.

Conger led his nearest competitor Caine, former Western Conference half-mile champion, by ten yards to win the 1,000-yard in 2:17 1-5, nearly two seconds slower than the world's record held by Joie Ray, who withdrew from the event Thursday night.

Ray, however, won the two-mile run, and with Conger, aided materially in giving the I. A. C. a winning total of 71 points. Ray led the field to the tape by almost twenty yards in the two-mile run.

Herb Schwarze, I. A. C., put the shot 48 feet 7 3/4 inches to set a new A. A. U. shot put record.

Tommy Warne, detached, defeated Bill Drogemuelier, Northwestern star, to set a new A. A. U. record of 13 feet in the pole vault event. Warne formerly starred for Kokomo (Ind.) high school track team.

Same Old Charlie!

Charlie Paddock, as indicated in the picture above, does not have to stay in high gear to win all his races. He is shown pulling up easily in winning the 300-yard dash in a recent meet between the Los Angeles A. C. and Stanford. That he is reaching top form was proven when he did 300 yards in 31 seconds in an attempt against the record of 30 2-5 seconds.

TILDEN GIVES SCHEDULE

Hunter Not to Perform With Team.

AUGUSTA, Ga., March 21.—Francis Hunter, second ranking tennis player in the United States, will not be on the United States Davis cup team to go to Mexico City, Joseph Wear, American Lawn Tennis United Press today.

Wear said it was desirable to give the younger players an opportunity in big matches, and Hunter would not be included on the team.

"I believe the younger players are competent enough to beat any Mexican opposition," he said.

Tilden said the actual elimination contests would not begin until Thursday. Trials today which originally were scheduled as part of the elimination contests, will be part of the preliminaries, he said.

Tilden announced the following schedule for the elimination matches:

## Milburn Thrown by Horse; Injured

AIKEN, S. C., March 21.—Devereaux Milburn, one of the world's greatest polo players and a member of the American International team, was suffering today from injuries received when he was thrown from a horse while following the hounds.

His collar bone was broken and it was feared he might have received internal injuries. A specialist has been summoned from New York. Recently Tommy Hitchcock, another of America's great polo players, and teammate of Milburn in international competition, was thrown here while following the hounds, and received a sprained ankle.

**LAUTERS DESIRE GAME**

## City Bowling Gossip

Evansville teams competed in the A. B. C. events Tuesday, but failed to hit their stride and fell short of the prize list. The Lauring Lumber Company turned in the best total with a score of 811 on games of 81, 201 and 983. In the doubles event, Schwesman and Pollard led with 1,183 which is good enough to bring back their entry fee. Pollard found himself in the singles and registered 636 to bring his total for the nine games to 1,795, an average of better than 199 per game.

Ray Bailey of the Utopian alleys has been staging a number of feature events for these drives throughout the season, and with the system used developed some real bowlers. In the latest event, a singles elimination tournament, was won by John Whalin, who defeated L. R. Hoffman in the last ten games by 18 pins. High single game honors were tied by Hoffman and Roberts, each with a score of 255. High four-game score was won by Gary with a score of 898.

The T. A. Bell and Gibson Company won three from the C. H. Wallerich and Loeys-Nash as the Gabriel Snubbers took the odd game from the Auto Equipment boys in the Automotive League games at the Indianapolis alleys. Kline led with a total of 613.

The Citizens Gas Robbing Body, Ballard Ted Cronin and Grant Paper took three from the Stutz Motor, Hassler Manufacturing Company, Marnon Motor and George J. Mayer Co. as the Hollenbeck Press, Indianapolis Power and Light Company and Keweenaw Local captured the game from the Murray Body, Martin-Parry and Crane & Co. in the Commercial League games at the Delaware alleys. Red Mounts led with a total of 636. Hamilton had 67 and Derse 605.

Armour & Co. League games rolled on the Pritchett Recreation alleys resulted in a three-time win for the Cloverleaf Supreme and Fowler teams over the Melrose, Lovers and Veritas, as the Star Bacon, Star Ham and Devonshire boys topped two from the Silver Nuts, Faultless and Shield outfits. Hilliges was in rare form and pounded out a total of 638.

At the T. A. C. alleys the No. 3 team of the Gyro League won from the No. 2, as the No. 4 and No. 5 outfits took two from the No. 6 and No. 1 boys. Schall rolled best in this loop with a total of 584.

The Nancy Hart Candy girls team rolled three good games in the Elks Club Social League session at the Elks Club alleys Tuesday night. Their scores were 310, 334 and 472, a total of 2,017, which was good for a three-time win over the Ida Mae Lunch. Other games were decided over the two-out-of-three route. A. C. Bradley, J. J. and O. K. Powers had the taking the Indiana Recreation, Silver Flash and Polk's Milk. Johns led over the three-game route with a total of 591. Alexander reached the heights in her final game, when she punched strikes for a great count of 242.

The Coffee team won three from the Peaches as the Peas took the odd game from the Plums in the 25-30-35 League games at the Century alleys. Sachs turned in the best game with a score of 211 in her second try.

Two out of three was the rule in the Eastern League games at the Century alleys, the M. & W. Sherrington Company, Egan Five and O. K. Powers taking the Ford, Short, Red Springs and DeLeon. Egan turned in a series of 629. Riley secured 612.

National Malleable, F. O. L. S. B. A. Allison Engineering Company and P. O. L. Charge each won three from the Miller Restaurant, Bairdman, Roemer's and P. O. L. Battery as the Speedway Lumber took two from the Beale and Hooton range in the Speedway League games at the Indiana alleys. The Speedway Lumber team had the high single and high three-game scores with totals of 1,042, 931 and 2,973, a count of 2,973. E. Holman led the individuals with 641. K. Powers had 61 and Sheridan 601.

## Crowley and Duffy Draw in Fine Windup to Armory Fistic Show

Lightweights in Interesting Scramble; Semi-Windup Is 'Fizzle'; De Haven, Hurt in Good Battle.

Tommy Crowley, Pittsburgh lightweight, battled through ten rounds in the Legion wind-up at the Armory Tuesday night to earn an even break with Jack Duffy of Toledo in a great battle. It was as fine a scrap as has been presented this season, and while neither fighter displayed enough punch to even knock down the other, it developed into a fine scrap between two willing mixers. If any shade were to be given it should go to Crowley.

The usual capacity crowd received a lot of enjoyment out of the tangle. Neither was willing to give ground and the entire ten rounds was filled with action.

The semi-wind-up scrap between Glen Nity of Vincennes and Bob Lewsader of Evansville was a "fizzle." Neither showed enough ability to rate a semi-wind-up position and although the lads apparently were trying hard, neither had enough sock to break an egg. Lewsader won on points what scrap there was.

Bud De Haven, Paris, Ill., middleweight, earned a shade decision over Cecil Hurt of Indianapolis in a good six-round scrap. Both put a lot into it and made it interesting. De Haven's shade was his aggressiveness in forcing the fight.

Al De Rose, Indianapolis, was a bit too smart for Billy Meyers, Cincinnati, and easily outpointed the Buckeye scrapper. De Rose piled up a nice lead with a third-round knockdown and kept coming in to slug with Meyers.

Harry Kreindler, Cincinnati, outpointed Alfred Zeigler of Columbus, Ind., in a "passable" four-rounder. Zeigler was unexperienced and had no right in the ring. He was game and took a lot of punching. The last punch of the fight, a right-handed swing, put Zeigler away and he was out at the bell in the last canto.
