

# Hennessey and Tilden Expected to Play Singles for U. S. Against Mexicans

Opening Davis Cup Tennis Matches Scheduled for Next Friday.

## LOCAL STAR IS TOPIC

Philadelphian to Oppose Robert Kinsey.

By Times Special

MEXICO CITY, March 31.—The first matches of the United States Davis Cup matches will be played here next Friday with the two American singles players opposing the Mexican singles artists.

Although no definite announcement has been made as yet it is expected here that John Hennessey, the flashy Indianapolis star, and William T. Tilden, the United States captain and ace of Philadelphia, will open the meet. Hennessey probably will start the matches against Ricardo Tapia.

Following that match Friday Tilden is expected to oppose Robert Kinsey, Mexico. On Saturday the United States doubles team of Tilden and Jones probably will oppose the team of Kinsey and Alfonso Unda.

On Sunday the schedules call for Hennessey to oppose Kinsey and Tilden to meet Tapia. However, should the American stars slash their way through to victories in Friday and Saturday matches Sunday's matches probably will not be played.

## Pleased With Giants

You'd never think from this photograph of Manager John McGraw, left, and Captain Travis Jackson that the 1928 Giants were giving them any cause for worry. In fact, McGraw and Jackson admit no worries. The Giants will be forced to struggle along minus Rogers Hornsby, who was traded to Boston, but the bosses think Andy Cohen can play second base satisfactorily and that Catcher Frank Hogan will be a big favorite with the fans. And why worry—when the club looks to be a good bet in the pennant race?

## Stinson and Haldeman Used Stanolind Aero Oil and Stanolind Aviation Gasoline

Products of Standard Oil Company (Indiana)

### to Make New World's Record

One of the most meaning-full records in aviation history, this! Not only hours, but *days* in the air! Eddie Stinson and George Haldeman has given the world a new confidence in aviation by this record.

*Endurance*—that was the test of the men, the plane and the fuel and oil that kept it going. No weakening! They won! In this telegram the men give credit to the fuel and oil in which they put their trust.

MR. ALLAN JACKSON,  
Vice-President Standard Oil Company (Indiana)  
910 South Michigan Avenue, Chicago, Ill.

We pass on some of the congratulations we are receiving to you! We feel that our success in breaking world's endurance record in the air is your success because the perfect performance of your products, Stanolind Aero Oil and Stanolind Aviation Gasoline made it possible.

EDDIE STINSON  
GEORGE HALDEMAN

The Standard Oil Company (Indiana) is proud of this appreciation—proud to have helped make an *endurance* record. It is one more proof of the *absolute dependability* of this Company's Products.

In the air—as on the land—men have confidence in its products—confidence born of *proved* dependability. Every day of every year Red Crown, Red Crown Ethyl, Solite Gasolines, and Iso-Vis and Polarine Motor Oils are proving worthy of their confidence.
