

JEWISH FUND GROUP TO HEAR YEAR'S REPORT

Annual Meeting of Welfare Body Will Be Held Sunday.

The annual meeting of the Jewish Welfare Fund will be held Sunday at Kirshbaum Community Center at 8:30 p. m., in conjunction with the Jewish Federation.

Plans for the fund drive already are under way and further discussion of them will take place at the meeting. The drive will start April 26.

Inspection of the new Kirshbaum building will precede the meeting. The federation annual report will be presented to the joint gathering by President G. A. Efromson and President G. A. Goodman will report on the Welfare Fund. George W. Rabinoff, executive director of the federation, also will report.

Edward A. Kahn, chairman of the coming campaign, will explain various phases of the fund's uses and methods of securing subscriptions.

Cincinnati Man Guest William J. Schroeder, executive chairman of the Cincinnati Community chest budget committee, will speak on "Community Giving."

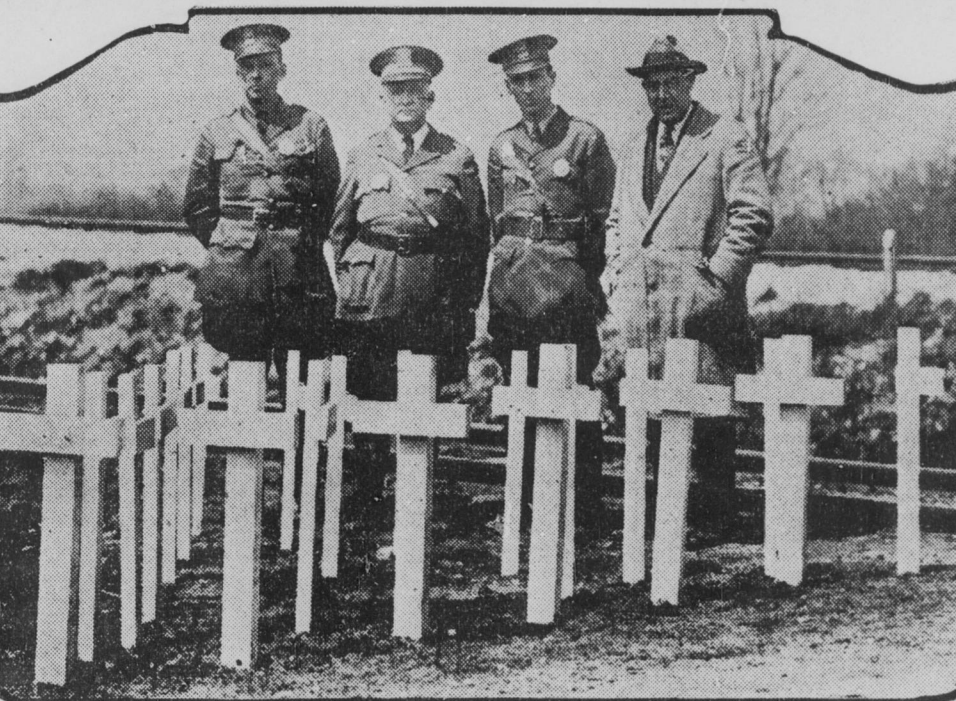

Ballots will be cast for the following nominees for the Welfare Fund, the board of directors: Joseph B. Bloch, Louis J. Borinstein, G. A. Efromson, Julius Falender, Samuel A. Frommer, J. A. Goodman, J. J. Kiser, Isaac Marks, Samuel Mueller, Jacob Solotkin, Isaac Wolf and Louis Wolf.

Ralph Bamberger, Edward A. Kahn and Albert C. Goldstein have been nominated to represent the federation on the Welfare Fund Board.

State Is Prepared The nominating committee also recommended that an advisory board of five be appointed to serve with the directors. They submitted the following names for approval: Rabbi Morris M. Fromson, Samuel E. Raul, Albert M. Rosenthal, Charles B. Sommers and Mrs. Louis Wolf.

The federation nominating committee has prepared the following slate from which seven names will be chosen for three-year terms as board of governors: Joseph M. Bloch, Melville S. Cohen, Mrs. A. S. Goldstein, Mrs. Leon Hecht, Dr. Harry A. Jacobs, Jackie W. Joseph, Samuel J. Mantel, Isaac Marks, Albert M. Rosenthal, Eli Schloss and Isaac Wolf. Additional nominations may be made by any three members by filing notice with the secretary at least five days before the annual meeting.

Mark Scene of 21 Grotto Crash Deaths

Here are the State police officers who erected twenty-one crosses at the Emerson Ave. Union Traction crossing Monday afternoon to commemorate the Grotto accident catastrophe which occurred there last October. Secretary of State Frederick E. Schortemeier and Grotto officers took part in the ceremony when the crosses were erected. All paid tribute to the memory of the dead and State Grotto President Raymond F. Murray announced that a children's dormitory will be erected in their memory at the Masonic Home at Franklin, Ind. Officers who took part are (left to right) George Johnson, Capt. Joseph Shinn, Charles Bridges and Chief Robert T. Humes.

BOY ELOPER HOME

Parents of Twin Girls Still Are Missing.

With Eugene Newman, 15, of 522 W. New York St., who eloped Friday with Miss Lucille Williamson, his 14-year-old neighbor, and her twin sister, Henrietta, home again after his second disappearance, police today continued efforts to locate the girls' parents, Mr. and Mrs. William Williamson.

The parents left in their car for Kansas City to seek the girls a few hours after they learned of the elopement Friday. They telephoned back to Mrs. Margaret Parr, 524 W. Washington St., with whom they roomed, Friday night, and have not been heard from since.

Detained by a constable at Plainfield Saturday, the girls were returned home, only to find their parents missing and since then have been kept under the watchful eye of Mrs. Parr.

Sunday evening, Eugene disappeared again, telling his mother he was going for a ride. Monday evening he returned, answering all questions with the statement that he "just had been out riding."

CIRCUS IS COMING HERE

Sells-Floto Advertising Car Heralds Big Show on May 1.

The Sells-Floto circus advertising car was in Indianapolis today to let the city know that the circus will show here May 1, "Bigger and better than ever."

The show is now filling a 15-day engagement at the Chicago Coliseum. Fifty clowns, 400 tons of elephants, fifty singing girls and fifty dancing horses, an arena full of ferocious lions and tigers and twenty acting polar bears are some of the features this year.

PLAN BIG APARTMENT

Start Work at Once on Ten-Story N. Meridian Building.

Construction of a ten-story apartment building at 3025 N. Meridian St., by the Thomas A. Moynahan Construction Company will start within a few days.

The building will cost more than \$500,000 and will be completed this year.

The structure will contain fifty-four apartments of four and eight rooms, with four to six apartments on each floor.

BLAME FAG FOR BLAZE

Firemen Think Cigaret Was Left on Apartment Davenport.

A cigarette falling on a davenport in an apartment on the second floor of the Stratford Apts., 520 N. Meridian St., probably is the reason for a fire Monday night which caused damages of more than \$500.

Firemen did not learn who lived in the apartment.

Beauties Find New Favor Over Venus

Venus de Milo wouldn't have a chance in the Times-Indianapolis bathing beauty contest. Even if she had arms, today's beauty experts wouldn't like her.

Venus was rather stout—yes, even inclined toward obesity. And the beauty of today is slender with an effin figure of ideal proportions. You can pick out ten in ten minutes at Illinois and Washington Sts.

Some of the girls who come into The Indianapolis Times office to register for the bathing beauty contest fairly vibrate with what might be called "modernistic pulchritude."

URGE DAYLIGHT TIME

Ordinance Would Set Clocks Ahead One Hour.

City council public welfare committee today considered an ordinance creating daylight saving time in Indianapolis effective May 13.

The ordinance was introduced in council Monday night by Robert E. Springsteen, Democratic councilman. Springsteen offered the measure to council on behalf of a committee from the Indianapolis Gyro Club.

Kenton M. Mosiman, club secretary, headed a delegation to the council session, asking that the clock be moved up an hour in accordance with the summer practice of many other cities.

Mosiman said the club planned to enlist other civic groups in the movement. Earl Buchanan heads the welfare committee considering the legislation.

HOOVER WILL CARRY STATE, SAY BACKERS

Foellinger Sees Sign of Victory in Heavy Primary Vote.

Prediction of a Republican primary vote approximating 500,000 "will mean a Hoover victory," was voiced today by Oscar G. Foellinger, Indiana manager for the presidential campaign of Herbert C. Hoover.

The Republican primary vote for Governor in 1924 was 413,222 and for President, 323,648.

"The great number of candidates in the primary this year with the opportunity Hoover's friends have effectively to protest the political conditions of years just past will result in one of the largest votes ever recorded in a State primary," Foellinger said.

"I would be willing to predict that the vote will be in the neighborhood of 500,000."

"This unusually heavy vote will mean a Hoover victory," Foellinger continued. "Senator Watson always has had a difficult time in showing a respectable total of votes even when victorious. He has seldom run with his own ticket."

"In 1926 he defeated his Democratic opponent, Albert Stump, by only 11,383 votes, while his party's running mates defeated their opponents by totals ranging from 22,861 to 69,994."

"Senator Watson also lost fifty out of the ninety-two counties and seven out of the thirteen congressional districts, although all except three of his Republican congressional running mates were elected."

"Stump lost Lake County by 12,464 votes but defeated Watson outside by 1,081, and carried a great many counties which are generally Republican and lost Marion by only 733 votes. Had it not been for the Lake County vote, Watson would have been defeated."

"Contrast this with the 1924 election when Coolidge carried the State by 210,797 votes. That shows Watson's weak showing in 1926, and since 1926 the Senator has not gained in political strength."

"Stump was not the opponent that Herbert Hoover happens to be, because of the latter's national prestige as the leading and best qualified candidate. The signs are in the sky. Watson's machine is ready to be junked."

Landis Pleads for House Cleaning to Save G. O. P.

DEMANDS CITY INSPECTOR QUIT

Building Official Under Safety Board Fire.

The resignation of Chester Davis, Republican, building department inspector, was asked today by President Fred W. Connel at a closed door meeting of the board of safety.

Davis was called before the board, with his attorney, Ira M. Holmes, in connection with charges filed last week by Building Commissioner William F. Hurd, appointee of Mayor L. Ert Slack.

Davis said he would deliberate on whether he would resign from the \$1,200 city position or stand trial on the charges of neglect of duty.

He said Hurd told him some time ago that he "better resign."

Davis has been in the department two years having been named at the start of the Duval administration.

The safety board revoked market license of Francis Jardina, John and Hazel Souder, T. A. Bowser, Rose Patrick and Mrs. A. Chadwick, for failure to pay fees.

AL CAREFREE ON VACATION

Governor Cancels All Dates to Follow Whims.

By United Press. ASHEVILLE, N. C., April 17.—Governor Alfred E. Smith of New York was free today to follow his own vacation inclinations. All his social engagements have been cancelled.

Golf and motoring were on the day's program, to which he may not adhere rigidly.

Decision of Smith not to attend the national convention was accepted here without surprise. His close friends said he had long since decided not to go to Houston despite his pleasure in mingling in the excitement of his party's national gatherings.

The New York Governor has declined to answer Senator Nye's response to his letter in the Nye-Smith oil scandal argument. "I am on my vacation," was Smith's explanation.

Monday night he sent the following telegram to the German-Irish Bismarck of the trans-Atlantic plane Bremen:

"The people of New York State have followed with deepest interest your brave flight through fog and storm from Ireland to America. In their behalf I extend to you heartfelt congratulations for your wonderful achievement in being the first to span the Atlantic from east to west."

City Woman Hurt in Crash Mrs. E. G. Freilage, 4102 Ruckle St., is resting in the Shelbyville hospital following an accident Sunday when the machine driven by her husband, and Robert Gray, Rush County farmer, collided, near Shelbyville.

Says Marion County Must Rescue Party or Be Crucified.

Republicans were peppered with verbal hot shots from the campaign guns of Frederick Landis, Logansport, candidate for the Republican nomination for Governor, Monday night when Landis addressed the Irvington Republican Club, 5440 1/2 E. Washington St.

Said Landis: "Unless we Republicans clean house the Democrats will clean us."

"Let us be candid for it is better to be candid now than to be crucified next November."

Most of the scandals which have made Indiana ridiculous in the eyes of the world have occurred in Marion County, and in the name of the rest of Indiana I challenge the Republican men and women of Marion County to rescue their local government.

"We must clean house not only for the sake of decency, but for the sake of self-preservation. "We cannot elect any man who was ever selected by Stephenson to help put his program of piracy across upon the people of Indiana."

Appeals to Marion County "Don't make the mistake of believing that if Al Smith is nominated by the Democrats this is a 'yellow dog year' in Indiana. It is far more likely that a 'yellow ticket' would make this an Al Smith year in Indiana!"

"Rescue the Republican party of Marion County, but if you cannot rescue her, take her to Crown Hill cemetery, and as she looks upon the tombs of Oliver P. Morton, Benjamin Harrison and Albert J. Beveridge, and her mind goes back to days of honor and of glory, stab her to the heart!"

\$105,000 of Fund for Indiana By Times Special WASHINGTON, April 17.—Allotment of funds for river and harbor improvement and maintenance work, announced today by Secretary of War Davis, includes a total of \$105,000 for Indiana, as follows: Calumet River and harbor, \$45,000; Indiana Harbor, \$25,000; and Michigan City Harbor, \$35,000.

MILLER DENIES ANY LINK WITH G. O. P. BONDS

Ex-Alien Property Chief Faces Quiz by Senate Dome Committee.

By United Press. WASHINGTON, April 17.—Thomas Miller, former alien property custodian, told the Senate Teapot Dome Committee today that he knew nothing about the activities of Will Hays, Harry Sinclair and Senator Coleman DuPont in handling bonds of the mysterious Continental Trading Company.

Miller denied statements recently made to the committee in a strange telegram signed by a "D. Wilson, New York," charging Miller with handling Continental bonds being traced by the committee. The telegram said Miller fell out with DuPont when he (Miller) refused to give up some of the bonds.

"I know nothing about the bond matters except what I have read in the newspapers," Miller said. Miller recently was convicted in New York Federal Court of conspiracy to defraud the Government in connection with disposal of patents of the American Metals Company.

His sentence of eighteen months was ordered to be served when the Supreme Court last week declined to review the case. The witness said he knew the Republican national committee had borrowed \$300,000 from the Empire Trust Company, \$75,000 of the bonds given Hays by Sinclair being used to pay off part of this loan.

Miller said Empire Bank officials attempted to get him to deposit alien property funds in the bank as a mark of favor for the loan.
