

SHAME MURDER SUSPECT FACES DEATH WITNESS

Will Attempt to Identify
Sunday School Official
as Slayer.

By United Press

ROCKVILLE, Md., April 19.—Clarence Miles, 20-year-old farm hand, was to confront Samuel T. Robertson in the county jail here today in an effort to identify him as the "shame" murderer of Edward L. Mills, wealthy dairyman.

If Miles does so, a quick indictment of Robertson will be sought and he will be guarded against possible mob attack by Mills' neighbors who, by gossip and innuendo, have kept alive the man hunt ever since Mills was shot down on his farm ten miles southeast of here at dawn on July 7, last.

Miles peered from behind a shed to see Miles in conversation with a stranger on the dairy farm. He heard angry words, then saw the stranger fire and run away. He found Mills dead. A typewritten note, with a space left blank for signature, was found pinned to the farmer's clothing. It accused Miles, a family man and devout churchgoer, of intimacy with a married woman.

There ensued a baffling search for the murderer. Law and order forces wrangled over clues, but neighbors, without mentioning names, encouraged police to look for a "religious man."

"He will fight with some one, and give himself away," they advised. "Then you can arrest him."

On March 11 last, Wilson Trout, truck farmer living near here, went out of his house and encountered Robertson. They quarreled, a pistol was brandished and Trout received scalp wounds. Robertson

Represents U.S. in Chile

Miss Frances Elizabeth Willis of Memphis, Tenn., who goes to represent the United States as vice consul in Valparaiso, Chile, early in May, thinks extension of foreign trade in South America is one of our great needs. Miss Willis, former instructor in political science at Vassar College, is the third woman to be accredited a member of the American foreign diplomatic service.

went to police, surrendered the gun and said it belonged to Trout. Trout said Robertson was the owner. Officers found a similar pistol in Robertson's home, and decided that either gun could have killed Mills. They also discovered a typewriter with the same lettering as that on the "shame note" found on the victim.

They learned that Robertson, a 30-year-old carpenter, stood high in the community, was the father of four children and was treasurer of a Sunday school at Bethesda, Md. They were loath to arrest him until it developed he knew Mills and had once been ejected from the home of Mills' mother-in-law because he objected to dancing there.

Mrs. Robertson, wife of the prisoner, tried unsuccessfully to obtain his release. She said her husband could not possibly have killed Mills, because she saw him in bed at their Bethesda home at 8 a. m. the day of the crime.

'NEW DEAL' IN PRIMARY

Time for Reorganizing G. O. P. Is in May, Says Hall.

If the Republican party is to get the credit for a "new deal" in politics, it must be accomplished in the primary election May 8 rather than in the general election in November, declared Archibald M. Hall, candidate for the Republican nomination for Seventh district Congressman, in two speeches Wednesday night.

Hall spoke at the Producers Hall, South and East Sts., and at 1515 Martindale Ave.

"It is in reality more important to go to the polls in May than in November," he said. "In the spring primaries the party is to be reorganized in the later election a worthy, representative ticket, which will be able to win."

CAR RUNS WILD, FALLS IN CANAL

Driver Arrested After Girl
Companion Is Saved.

Arthur Bruner, 32, of 1247 S. Meridian St., and Miss Hazel Montford, Chicago, narrowly escaped drowning early today when the automobile in which they were riding plunged into the canal at Burdall Pkwy.

Bruner, who cut his hands and arms in breaking a door glass so he could climb to the top of the car and pull Miss Montford up after him, was treated at city hospital and charged with driving while intoxicated.

Bruner was driving west on the parkway, police said, when he lost control of the machine at a turn, and it ran wild over three front yards, several railroad tracks, out onto a trestle bridge crossing the canal and fell into the water.

The car alighted on its side and was partly submerged. Bruner climbed onto the bridge and called Harry Ludwig, 1541 W. New York St., and William Bates, 1812 Howard St., Indianapolis Power and Light Company employees, who rescued Miss Montford from the top of the machine.

KLAN JUDGE NAMED

Frederick Van Nuys to Hear
Gilliom's Suit.

Frederick Van Nuys, attorney, 323 Chamber of Commerce Bldg., will serve as special judge in Attorney General Arthur L. Gilliom's suit to oust the Ku-Klux Klan for Indiana, Circuit Judge Harry O. Chamberlain said today.

Van Nuys was agreed on by attorneys for Gilliom and for the Klan, and his name submitted to Judge Chamberlain. Klan attorneys filed motion for a change of venue. Prior to Van Nuys' naming, William A. Pickens, Indianapolis attorney, was agreed on, but he declined to serve.

Trial of the Indiana case follows one in Federal Court at Pittsburgh in which an attempt was made to oust the Klan from that State. It was ruled that the Federal Court had no jurisdiction to bar the Klan from Pennsylvania.

Gilliom's contention is that the Klan misrepresented its purpose of the Secretary of State when an effort was made to get a State charter. He also alleges that its announced purposes of being a "patriotic" organization have not been fulfilled in its entirety.

\$17,500,000 FOR NEW FORD

Estimate Shows Expense of
Changing Machinery.

NEW YORK, April 19.—Henry Ford spent \$17,500,000 in overhauling machinery to produce his new car, says the American Machinist in an article by F. L. Faurote.

Faurote estimates that expenditures for overhauling machinery for production of the new car amounted to \$4,500,000 and that new tools, dies and fixtures cost \$13,000,000. These figures provide for rebuilding 50 per cent of the Ford machine tools and new equipment, but do not take into consideration the loss incurred through shutdown of factories pending production of the new model.

The public was given an insight into the Ford balance sheet when it was presented to the Massachusetts commissioner of corporations. It was revealed that the profit and loss showed a decrease of \$42,786,727 on Dec. 31, 1927, as compared with Dec. 31, 1926.

National Orators Lined Up
for State Campaign.

Herbert Hoover's Indiana presidential preference campaign will be augmented the last two weeks before the primary election May 8 by an array of orators who will cover the State, it was announced at Hoover State headquarters in the Claypool today.

Senator James E. Watson, Hoover's rival for the State's preferential vote, will return Tuesday for speeches in the Twelfth and Thirteenth districts.

W. O. Harding, former Governor of Iowa, will speak at a Hoover mass meeting here the last week of the primary campaign. Other speakers announced by Oscar G. Foellinger, Hoover's Indiana manager, include:

Congressman John C. Ketcham of Michigan; Congressman Theodore Burton of Ohio; Governor John S. Fisher of Pennsylvania, Congressman Franklin W. Fort of New Jersey and Robert Taft, Cincinnati, Ohio.

HARD ARTERIES

Hardening arteries indicate high blood pressure, which means that the blood in the heart and blood vessels is under too great a tension—a condition which may end life suddenly.

High blood pressure, indicated by hard arteries, heart palpitation, dizziness and difficulty in breathing, is the penalty of our abnormal habits of living. We place too great a strain on the vital organs, especially the liver. The liver becoming "limp" or sluggish, fails to cleanse the blood of the toxic poisons stored in food waste. The whole system then becomes toxic with stomach, kidneys, heart and blood vessels affected.

It is generally recognized that the liver occasionally needs a little help. There is nothing better for this, as medical men know, than a little ox gall. Ox gall has been found to be a great stimulant for the liver. The genuine, pure ox gall is to be had, dainty and tasteless, in the form of Dioxol tablets. Each tablet represents 10 drops of pure ox gall and costs less than 2c at good druggists. To be sure of getting the genuine, look for the name Dioxol and picture of ox's head on the package.

Says Rheumatic Aches and Pains Have Vanished

Konjola Gave Blessed Relief to Local Citizen; Cleansed Poison From System, He States.

"I developed an awful case of rheumatic trouble, which came to be so painful that I could hardly stand it, and yet, as bad as I had been, this Konjola compound seemed to cleanse all the poisons from my system and blessed relief

MR. JOHN W. CARVER

came so quickly that I was surprised," said Mr. John W. Carver, well-known Indianapolis citizen, living at 515 North Delaware Street, this city, during a recent conversation with The Konjola Man, who is at Hook's Drug Store, Illinois and Washington Sts., where crowds are calling daily to learn more about this amazing new medical preparation.

"Yes, my rheumatic aches and pains have vanished," said Mr. Carver, "and I had no idea that such a short treatment of any medicine would so completely relieve my trouble."

"I had been affected mostly across my back and through my hips. When I would go to move a certain way, either when walking or turning sideways in bed, I would get a sharp, terrific pain that seemed to come suddenly like a shock, and it certainly was miserable. Of course, I ached continually, but when these sharp pains would grab me I felt like I just couldn't stand the suffering another minute. If I attempted to rise from a sitting position, I had to hold to something and be careful not to twist or strain in any way. At nights I was subject to these attacks, which broke up my rest so that I could seldom get a night's sleep. I would wake every morning feeling so terrible that it was misery to even dress myself. I couldn't even fire the furnace—and I tell you this rheumatism is awful."

"I began on this Konjola as soon as I learned what it was doing for so many Indianapolis people, and as I said, it relieved me very quick. I got up in the mornings and dress without a bit of pain now, and I sleep fine all night long and can bend and twist any way I care to. The pains in my back, hips and limbs are all relieved, and it's a blessing now that I have no fear of those awful attacks of pain and suffering as I experienced before. I've been helped in many other ways by Konjola, and my whole body has a new feeling of health all over. I can put in a good day's work now, and feel like doing lots of lifting and other things that require strength."

"After all this relief from rheumatism, I surely take pleasure in making a public indorsement of Konjola."

The Konjola Man is at the Hook Drug Store, Illinois and Washington Sts., Indianapolis, where he is daily meeting the public and introducing and explaining the merits of this remedy. Konjola is sold by every Hook store in this city and by all druggists throughout this section.—Advertisement.

WORKING WOMEN SELDOM LOSE A DAY'S PAY NOW

Strengthened by Lydia E. Pinkham's Vegetable Compound

MRS. R. C. HAZLETT

Station G, R. No. 3, Columbus, Ohio

"I first took Lydia E. Pinkham's Vegetable Compound for a weak, nervous, run-down condition seven years ago, after my baby was born. Some of the girls in the factory where I worked when I was able, advised

me to take it. I got one bottle and that helped me so much that I took one after another until I had taken nine in all. But now I just get a bottle when I begin to feel badly, for I must say the medicine sure helped me and I am able to work every day. I will answer any questions anyone asks me, for I think your medicine is fine."—Mrs. R. C. Hazlett, Station G, R. No. 3, Columbus, Ohio.

Recommends the Compound. Los Angeles, Cal.—"I took Lydia E. Pinkham's Vegetable Compound because I was working in a factory and I was always on my feet, being the supervisor there. This caused my health to fail and I really was run-down very badly as I had no appetite at all and could not eat enough. I am taking the Vegetable Compound and also the Pills for Constipation. I have recommended them for several years and am safe in saying that probably 25 women have been helped through taking my advice. I am glad for you to use these facts as a testimonial."—Mrs. E. A. Gilliom Says—

"Destroy Super Government! Vote May 8"

ARTHUR L. GILLIOM.

A vital issue confronts Republicans. Shall we follow Lincoln, Roosevelt and Coolidge, or shall we trail Wizard Evans and his crew?

Republicans, to win in November, must rout the forces that impair public confidence in political parties. Arthur L. Gilliom opposes domination of our party and government by influences which are dangerous to the welfare of the Nation. No opportunity must be given the enemy to stigmatize our ticket next fall with a slogan of ridicule.
