

GIVE DIPLOMAS TO 950 PUPILS DURING WEEK

Commencement Exercises Are Bringing County School Year to Close.

Commencement exercises of county grade and high schools are in full swing this week, as Marion County brings to a close what Superintendent Lee E. Swails called his best school year.

More than 750 boys and girls will receive diplomas for graduation from the eighth grade, and more than 200 are getting high school diplomas.

Exercises Began Last Week

The county graduation exercises have been in progress since late last week, and they will continue through the early part of May.

High school commencement exercises started Tuesday night at New Augusta. The first of the larger high schools to hold graduating exercises will be Southport, Thursday night, when Dr. L. A. Pittenger, president of Muncie normal, will be the principal speaker.

Where dates do not conflict, Swails is presenting the diplomas personally.

New Konjola Benefited Him in Every Way; Feeling Fine Again.

Many of the ailments that humanity is heir to today are due to unsound habits rather than unsound bodies. Modern scientists and doctors agree that many of the minor diseases contracted by people are the result of irregularity in intakes.

All will be transported to the Eighteenth and Sugar Ave. show grounds and set up for the local visit. Here, too, will be the official white top opening of the Sells Floto show, for it will come direct from the run at the Chicago Coliseum, where 10,000 circus fans have been entertained twice daily for the last two weeks.

Advance notices proclaim this year's exhibition to be the best and biggest ever and this city will have first peep at the big show in the glory of its new spring dress, trapping and oriental splendor.

The program will feature the Rid-

ing Hannefords, the Flying Wards, the Aerial Youngs, Soits, Arleys, Kimball troupe, King sisters, the Belle brothers, Irene Ledgett, La Verne Hauser, Hazel Hickey, the Kasino troupe, Spader Johnson with fifty-seven clowns and 100 other acts.

WATSON FIGHTS IN 13TH DISTRICT

Strenuous Effort Made to Take Hoover Stronghold.

By Times Special

SOUTH BEND, Ind., April 25.—Senator James E. Watson is making a strenuous effort to advance his "favorite son" candidacy for the presidential preference vote in the Thirteenth district, Hoover stronghold.

Watson made a nonpartisan address before the Rotary Club today. He will address Notre Dame students this afternoon, confer with district workers at a banquet here tonight and then address a mass meeting in the high school auditorium.

Watson's comment on the Ohio primaries where Hoover, according to dispatches, carried the State by more than a two-to-one majority, was, "Hoover is not running again a dead man in Indiana."

Strenuous women will hear him at a banquet Thursday evening, after which he will go to Elkhart to address a mass meeting.

M. Bert Thurman, Watson's campaign manager, said the Watson meeting in the armory at Indianapolis Saturday night will be made a State-wide affair.
