

THE CONNOISSEUR

Van de View Takes His Nephews and Nieces to Walk

Since he can't invite the ladies out to dinner or to tea Mr. Van de View devotes some time to children don't you see—To his nephews and his nieces full of energy and vim. Who can set a very merry pace when going out with him.

They are cunning little tots it isn't any use denying. But their animated action on the street is very trying. There is Polly in her printed dress forever on the jump Making Vandie think she and all the motor cars will bump.

And as if they were competing in a pleasant little game Sister Peggy diabolically is doing just the same. So he grabs her scarf or holds her hand with grim determination. As he wonders at the daring of the younger generation.

Playing tag among the traffic is a curious invention. But he can't begin to intercede in spite of his intention. So he gives a feeble warning as the brothers race ahead. Only hoping that he gets them home alive instead of dead.

Improved Kotex

Shaped to fit
Softened to ease
Fashioned to protect

For sale everywhere at new low prices

GREATLY increased usage makes it possible to reduce the price of Kotex, permanently.

A million new women have adopted Kotex in the past few months. They came to it as a result of the 2 major improvements we recently announced.

Kotex is now form-fitting. It has no awkward bulkiness to mar smooth slender lines. It is far softer, fleecier, than ever before.

These two great improvements, coupled with Kotex' other exclusive features, bring perfect peace-of-mind—absolute comfort.

Kotex was the first water-soluble pad—hence disposal is no problem. It is the most absorbent—absorbing 16 times its own weight in moisture, and distributing it in such a manner as to obviate harsh, "waterproofed" backing.

Kotex deodorizes, another important point. And it is bought without hesitancy at any drug, department or dry goods store. Get a box at the new low price today.

Helps Women To Do Their Work

"I don't see how you can do all your own housework, sew for three children and find time for so much church and lodge work. I should be a nervous wreck."

"So should I without Lydia E. Pinkham's Vegetable Compound. I have taken it for years whenever I feel nervous, fretty, or all tired out."

"Don't Get So Tired"

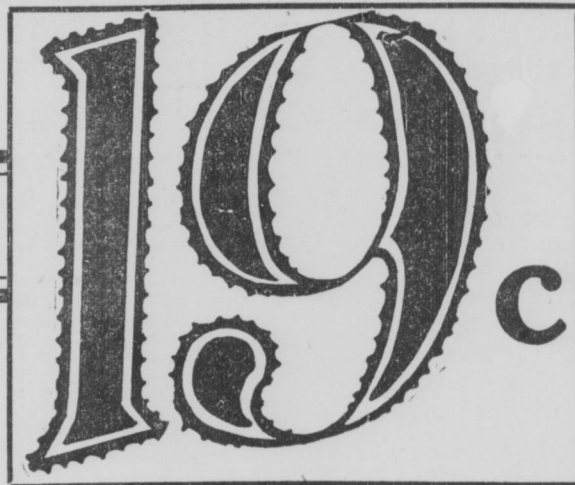

Mrs. CARMEL, PA.—"After my second baby was born I had to work too hard and be on my feet too soon because my husband was ill. After his death I was in such a weakened and run-down condition that nothing seemed to help me. I am starting the fourth bottle of Lydia E. Pinkham's Vegetable Compound and feel a great deal better. I am much stronger and don't get so tired out when I wash or work hard. I do house-keeping and dressmaking and I highly recommend the Vegetable Compound."—Mrs. Gertrude Butts, 414 S. Market St., Mt. Carmel, Pa.
