Shortage of Sprint Stars to Handicap Indiana University Thinly-Clads; Meet Chicago in Baseball.

By Times Special

BLOOMINGTON, Ind., May 18.—Saturday will be an important day in athletics for two branches of sports at Indiana University. The track and field team, which has earned a national reputation as a result of its performance in the big relay carnivals over the country, will defend its title at the State intercollegiate championships at Lafayette. The baseball team, under Coach Everett Dean, will face Chicago here, the result of which will either keep the Hoosiers near the top or drop them to a lower position.

Faced by a shortage of sprint and all-round field stars, the Hoosiers are expected to find it difficult to retain the State title. Fritz Crisler's baseball team will come to Bloomington with a reputation of possessing one of the strongest hitting clubs in the Big

Ten. The Maroons have a 500 percentage this season. Zimmerman, crack Chicago hurler, will face Paugh or Bell on the mound. Coach Dean will shift his lineup for this contest, due to the poor hitting some members of the team have developed.
