

CITY TO HONOR DEAD SOLDIERS MEMORIAL DAY

Program Includes Services at Monument and Parade.

Members of the general Memorial day committee put finishing touches on the program by which local citizens will honor their heroic dead. Services at the Soldiers and Sailors Monument are to be held at 9 a. m. Wednesday, the annual parade at 2 p. m., and services at Crown Hill cemetery at 3 o'clock. All have been arranged on central standard time.

Secretary George Hawkins of the committee urged all motorists who will aid in transporting members of the G. A. R. to report at Ft. Friendship, 512 N. Illinois St., at 1 p. m. The old soldiers will assemble there at that hour.

Five Divisions to Parade

Grand Marshal Wilson C. Oren will be in command of the parade, which will be in five divisions. First division, commanded by Capt. A. J. Ball, will be made up of the Grand Army of the Republic, escorted by Sons of Veterans, guard of honor, and a firing squad from the United Spanish War Veterans.

Col. Willard S. Boyle will be marshal of the second division, composed of the reserve officers training corps, American Legion, Veterans of Foreign Wars and Disabled Veterans of the World War.

Third division will be commanded by Maj. Thomas Cathro. It will be made up of Shortridge High School students led by Cadet Major Arthur Brown and students from Manual Technical and Crispus Attucks high schools.

Scout Executive F. O. Belzer will be marshal of the fourth division, consisting of Boy Scouts, Camp Fire Girls and grade school pupils. Cathedral High School students will compose the fifth division.

All divisions will assemble along the east curb of Meridian St., with streets on the right as follows:

Lydia E. Pinkham's Vegetable Compound Helped Her So Much

"I have not taken anything but Lydia E. Pinkham's Vegetable Compound for 18 months and I cannot praise it enough. I weighed about 100 pounds and was not able to do any kind of work. My housework was done by my mother and my out-of-doors work was done by my mother. I have taken four bottles of the Vegetable Compound and now I am well and strong and feel fine. I put my sister-in-law to take it after her last baby came and she is stronger now. I cannot praise it enough." — Mrs. Hattie V. Eastin, R. 1, Kingston, Missouri.—Advertisement.

'TOO GOOD TO BE TRUE'

Comment of Terre Haute Man on News of \$15,000 Legacy

By United Press. TERRE HAUTE, Ind., May 29.—When the Terre Haute Post informed Benjamin Pine, of this city, that it had received a telegram from a news service in New York stating that Pine had just inherited \$15,000,

he commented, "It's too good to be true."

The telegram, the Post said, did not say who left Pine the money, and when they inquired of Pine who it might be, he said:

"That's a new one on me. I have heard nothing of it. I have relatives in New York but I do not think any of them would want to do a thing like that. No matter where the word came from, it must be false."

Doctor Found What is Best for Thin, Constipated People

As a family doctor at Monticello, Illinois, the whole human body, not any small part of it, was Dr. Caldwell's practice. More than half his "calls" were on women, children and babies. They are the ones most often sick. But their illnesses were usually of a minor nature—colds, fevers, headaches, biliousness—and all of them required first a thorough evacuation. They were constipated.

In the course of his 47 years' practice (he was graduated from Rush Medical College back in 1875), he found a good deal of success in such cases with a prescription of his own containing simple laxative herbs with pepsin. In 1892 he decided to use this formula in the manufacture of a medicine to be known as Dr. Caldwell's Syrup Pepsin, and in that year his prescription was first placed on the market.

The preparation immediately had as great a success in the drug stores as it previously had in his private practice. Now the third generation is using it. Mothers are giving it to their children who were given it by their mothers. Every second of the working day someone somewhere is going into a drug store to buy it. Millions of bottles of Dr. Caldwell's Syrup Pepsin are being used a year.

Its great success is based on merit, on repeated buying on one satisfied user telling another. There are thousands of homes in this country

that are never without a bottle of Dr. Caldwell's Syrup Pepsin, and we have gotten many hundreds of letters from grateful people telling us that it helped them when everything else failed.

Every drug store sells Dr. Caldwell's Syrup Pepsin. Keep a bottle in your home—where many live someone is sure to need it quickly.

We would be glad to have you prove at our expense how much Dr. Caldwell's Syrup Pepsin can mean to you and yours. Just write "Syrup Pepsin," Monticello, Illinois, and we will send you prepaid a FREE SAMPLE BOTTLE.—Advertisement.
