WHY?—BECAUSE

You Can Buy Our Cars With Confidence

Graham-Page of Indiana is a factory branch, permanent and responsible. Naturally, used cars are one of the important factors in this business as a means of selling more new cars. Consequently, we make no attempt to get a profit on used cars. Instead, we finish and check the mechanical condition of every used car, price it at the lowest figure possible and then tell the prospective buyer the EXACT TRUTH REGARDING THE CAR'S CONDITION.

Every Used Car guaranteed to be exactly as represented and specified in writing on your order. This means something. It means that you know exactly what you are buying and, as a result, you are sure to get satisfaction. Here, the profit on any transaction is secondary to your good will. You can buy with confidence and you won't be disappointed.

TERMS AGREEABLE TO YOU! TRADE-INS TOO!

Liberal terms on any used car in spite of our low prices. We will give you a fair allowance for your old car, too. In these three big stocks you are sure to find just the type and make of automobile which you have always wanted; come in and see! Investigation will show our prices are lower than the average advertised prices.
