Helen Wills Again Rules Net Courts

Retains National Crown by Downing Santa Barbara Girl Star.

BY GEORGE KIRKSEY
United Press Staff Correspondent

FOREST HILLS, N. Y., Aug. 28.—Helen Wills today stands out as one of the greatest women tennis players of all time. By defeating Helen Jacobs, 20-year-old Santa Barbara (Cal.) girl, in the national singles final Monday, Miss Wills became the champion of the United States, France and England.

Helen Wills

Miss Wills captured the three titles without the loss of a set, defeating the greatest women players here and abroad with consummate ease.

After blazing a bright path through the tournament, Helen Jacobs flared out in the final and was able to win only three games, as she went down to an overwhelming defeat, 6-2, 6-1. Until she met Miss Wills the Santa Barbara girl had lost only twelve games in four matches.

The match lasted only thirty-three minutes and Miss Wills was never called on to exert herself. Miss Jacobs was nervous, badly off her game and unable to control her drives. She made fifty-one errors in the fifteen games against nineteen for Miss Wills.

Paired with Hazel Hotchkiss Wightman, Boston veteran, Miss Wills also won the doubles championship. They defeated Edith Cross, San Francisco, and Mrs. L. A. Harper, Los Angeles, 6-2, 6-2.

Makes Nice Debut With White Sox

WHEN the Waco club sold Art Shires, a first basemen, to the Chicago White Sox, Shires revolted and said he wouldn't report and went home. He complained that the Waco club could have made a better sale and inasmuch as he was to get a split on the sale price they should have done it. But Shires came around and joined the White Sox recently and in his major debut banged out four hits, including a triple. That was his way of making his presence known.

INDIANS' LEAD REDUCED TO DANGER POINT; HEAT PLAYS PART IN DEFEAT

Leverett Collapses After Holding Blues Hitless Six Innings, K. C. Winning Monday, 7 to 6; Pacemakers Show Signs of Cracking in Face of Handicaps.

By Times Special

KANSAS CITY, Mo., Aug. 28—Added to all the grief the Indians have been suffering by injuries and the loss of the slugging Comorosky, the sizzling heat of these parts has made the burden greater for the league leaders.

Coming down from the lake region in the northern part of the A. A. circuit, the Tribesmen bumped into one of Kansas City's hottest days Monday, and the Hoosiers collapsed in the late innings, the Blues winning, 7 to 6.

Dixie Leverett, striving for a no-hit game, held the Cowboys hitless for six innings and then folded up under the rays of Old Sol in the seventh. He retired voluntarily, and was not taken out. In fact he nearly fainted.

And in the eighth Dick Burrus, first sacker, felt himself weakening and he too was forced to quit the game and was not jerked for losing his temper as some reports stated.

The Blues have been home for a long stretch and the burning weather was their "meat." They crashed through with three runs in the seventh and four in the eighth to snatch the fracas out of the fire off Swetonic, who was not himself, having pitched in Milwaukee Sunday.

Homer in Tall Grass

A home run by Grigsby that got lost in the tall grass in deep right field ruined the Indians.

The Betzelites tried hard for a comeback in the ninth, but fell one run short of tying the count. The Blues were forced to use four pitchers—Sheehan, Davis, Murray and Meine—and two pinch hitters to nose out the scrappy Indians.

Two games were to be staged today, and one of the largest crowds for week-day in the history of the local park was expected to attend. Kansas City has won fourteen of its last sixteen starts and is within easy striking distance of first place.

Only Slender Lead

The Indians were slightly more than one and one-half games ahead of second-place Millers today, and only slightly more than two games ahead of the K. C. Blues. And Milwaukee is not far away in fourth position. The Saints, in fifth place, are moving along gradually and refuse to be counted out of the running.

Counting today's double bill, four games remain in the Tribe-Blue series, and it is not thought the crippled Indians will survive in first place before they depart for home Thursday night. The outlook now is all in favor of either the Millers or Blues reaching the top before the week ends.

With Tribe at K. C.

By Times Special

KANSAS CITY, Mo., Aug. 28.—Manager Zwilling of the Blues planned to send Meine and Zinn, two of his best hurlers, against the Indians in the double-header today. It was thought Boone and Yde would try their stuff against the Blues.

K. C. fans are wild with pennant fever and many threw away their hats Monday when the home pastimers rallied and captured the laurels.

Pitcher Yde played left field for the Tribe and got away with it. He also got three hits, one a double.

Florence batted for Riddle in the ninth and looked at a third strike.

The Tribe infield cracked under the strain during the two K. C. rallies. Better support would have saved the game.

The Indians would have been still running, had they made their runs in the same proportion the Blues did on the basis of hits obtained. The Blues only got six blows, but seven runs, while the Tribe got fourteen wallops, but only six tallies. Hits by innings:

Indianapolis	210 115 013—14
Kansas City	000 000 33x— 6

The Blues got off to an inauspicious start when Matthews, the first man up, singled. A passed ball and a wild pitch in the first frame made matters worse.

Buster Chatham dropped Matthews' short fly in the third, but recovered in time to get the Indian fly chaser at second on a sharp throw to Wamby.

Riddle's smash in the seventh took a bad hop over Wilson's head, the Indian catcher getting an extra base on the accident.

Jimmy Worth, outfielder, who batted .344 for Columbia in the South Atlantic League, class B, was to join the Indians today. He is the property of the Pirates. He is a left-handed sticker.

The Tribe bosses are trying hard to land Grover Hartley, veteran catcher with Cleveland. He formerly operated with the Hoosiers. The Indians also are about to close a deal for another outfielder, a right-handed hitter. It is said Clyde Barnhart, of the Pirates, is the man.

Baseball is strange. The Blues lost eighteen games and won five on their last road trip. Coming home they braced and won fourteen of sixteen and are back in the hot pennant fight.

One tilt of today's double bill is a game postponed in Indianapolis on the Blues' last visit there.

Before leaving Milwaukee, the Indians tried to borrow Outfielder Bunny Brief, but the Brewers refused to part with the veteran. He got two homers Monday.

'Twas His Dogs!

By United Press

CHICAGO, Aug. 28.—When Bobby Jones returned to the clubhouse at the Chicago Golf Club after establishing a new course record of 67 Monday he discovered his shoes weren't mates.

"I wondered what was wrong with my dogs," the Atlanta amateur told teammates. "I just bought these shoes in Chicago and now I find one is size 8½ and the size 9."

"Where did you buy them?" came a chorus of inquiries from assembled British and American Walker Cup players.

Snappy for Nats as Utility

Joe Cronin

The Washington management had to get some assistance to relieve the strain around second and plucked Joe Cronin from the American Association to work as utility at second and short. Cronin looks like a handy man for the Nats. He's not a heavy hitter, but he's quite a snappy fielder.

Walker Stops Coast Battler

By United Press

SAN FRANCISCO, Aug. 28.—Mickey Walker, world's middleweight champion, scored a knockout over Armand Emanuel, San Francisco light-heavyweight, in the seventh round of their scheduled ten-round bout here Monday night. Walker plainly outclassed his willing and heavier opponent.

A hard right to the jaw sent Emanuel down for the count of nine just before he went down for the final count. The bout was a non-title affair, with Emanuel weighing 176 and Walker 164¾.

BULLETIN

FRENCH LICK, Ind., Aug. 28.—John Simpson, Terre Haute, and Dwight Mitchell, French Lick, led the procession of golfers on the first nine holes today with 38s. George Lance had 39; Chuck Bader, Gary, 39; Glen Harrison, Attica, 39; Eddie Zimmer, Indianapolis, 40; John Lehman, Gary, 40; Charles Taylor, Lafayette, 41, and Dick Taylor, Greencastle, 42.

BY DICK MILLER,
Times Staff Correspondence

FRENCH LICK, Ind., Aug. 28.—Everybody was "steamed up" here today as the 115 remaining entrants in the twenty-eighth annual Indiana Amateur Golf Association State championship started the second half of the 36-hole medal qualifying play. There were 120 entrants in the meet Monday, but five found opportunities to withdraw.

It is no wonder enthusiasm is at fever heat when a glance is taken at the scores turned in for the 18 holes of golf played Monday. George Lance, the defending champion, equaled the local course record of 68, held by John Farrell, national open champion.

John Lehman of Gary hit even par 72. Keith Young of Lafayette and Dick Taylor of Greencastle each had 74, and Dwight Mitchell of French Lick, who was State champion in 1925, hung up a neat 75.

"Will Bill Diddel's 161 qualify him in the championship flight?" was a popular question at the first tee this morning as the boys lined up waiting to start. Diddel played his second round late Monday because business made it impossible for him to be here today.

It was the concensus of opinion that 159 will be the deciding barrier but the writer thinks 162 will get in.

This meet promises to be a big fiesta of upsets, many of which will start with "blow-ups" today and finish in the match play that starts Wednesday and continues through Saturday.

Louis Meyer Far Ahead in Point Chase

Victory at Altoona Gives Coast Pilot Big Lead Over Rivals.

BY NORMAN ISAACS

The campaign of Louis Meyer on the speed tracks of the Nation is meeting with great success, and the recent victory of the South Gate (Cal.) lad at Altoona gave him 400 points and a grand total of 1,596 in the chase for the 1928 A. A. A. driving crown.

Meyer

Meyer, winner of the Indianapolis 500-mile classic earned 400 points for taking the 200-mile Altoona event. It placed him 881 points ahead of his nearest rival, Ray Keech, who has 715.

The Coast speed pilot, driving a Stutz Special, a creation of the late Frank Lockhart, flashed into the lead at Altoona at the 104-mile mark, when Bob McDonogh, leading the procession, was forced to come in for a tire change. McDonogh finished second and Fred Comer third.

Meyer drove the same sort of a race he exhibited in Indianapolis. His shrewd, careful manipulation of his car counted, and he shot into the lead when opportunity beckoned. Standings of drivers in A. A. A. competition to date:

1. Louis Meyer	1,596
2. Ray Keech	715
3. Lou Moore	406
4. George Souders	270
5. Bob McDonogh	248
6. Fred Frame	146
7. Norman Batten	137
8. Bill Spence	115
9. Fred Comer	100
10. Bill Arnold	86

This and That at French Lick

BY DICK MILLER

FRENCH LICK, Ind., Aug. 28.—Lafayette Country Club took a commanding lead in the four-man team play at the end of eighteen holes Monday. A prize goes to the four lowest combined scores from any club for thirty-six holes. The Lafayette team was bolstered when John Lehman, Gary, and Dick Taylor, Greencastle, cast their lot with the club where they played while students at Purdue. They held an seven stroke lead over the Indianapolis Country Club, their nearest competitor. Lehman shot 72; Taylor, 74; G. A. Young, 79, and Keith Young, 74, for a 299 total. The Country Club total was 310 with scores of Joe McDuffee, 76; Bob Bowen, 77; Luke Lincoln, 79, and Eddie Zimmer, 78.

Dr. E. A. Acre, Evansville, nearly made an ace on the sixteenth hole Monday. Acre, playing with Dr. R. F. Barnard of Shelbyville and Dr. H. L. Cooper of South Bend, stepped into one on the 120-yard hole and the ball missed going in by inches.

Chuck Bader had the misfortune of getting a 9 on his card. On the fourteenth his tee shot was in the rough and stopped just at the edge of a drainpipe. Bader was about to shoot when the ball rolled into the pipe. He elected to play out and the nine was the result.

Dwight Mitchell, who won the State title here in 1925, got away to a poor start and finished the first nine in 40. Mitchell came home one under par, 35, to ring up a total of 75.

Luke Lincoln, of I. C. C., was paired with John Lehman and John Simpson, both excellent players and the environment seemed to help for he scored a nice 70.

The father-and-Son championship for the lowest pair of scores in the same family for the first eighteen holes was decided early when G. A. Young, Lafayette, shot a 79 and his son, Kieth, scored 74 for a 153 total. Dr. R. F. Barnard, Shelbyville and his son Paul, scored 78 and 79 for a 157 total. The next lowest pair were W. L. Lincoln and son Luke of the Indianapolis Country Club, with 88 and 79, and 167 total.

Jack's Opponent Gets Free Swim

After losing the first fall to George Romanoff at Broad Ripple Monday night, Jack Reynolds, welterweight mat star, speeded up and annexed the next two falls and match.

During the third fall Reynolds tossed his opponent out of the ring and into the swimming pool.

Gus Kallio took on five opponents in his all-comer program and easily disposed of them. Two ambitious matmen managed to stay more than two minutes with Kallio.

The outdoor program pleased the onlookers, for there was plenty of action.

U. S. Walker Cup Players Compete in Tourney; Jones Sets New Mark

Bobby Cracks Records One After Another in Practice for International Matches.

By United Press

CHICAGO, Aug. 28.—The entire American Walker Cup team was to appear in the Wood Memorial tournament at Flossmoor this afternoon. T. Philip Perkins, British Amateur champion, also was entered in the event.

Eighteen holes were to be played in the Wood tournament for two trophies. One goes to the golfer with the lowest gross score and the other to the low net player. Bobby Jones, who lowered the course record at the Chicago Club Monday with a 67, was favored to take one of the trophies.

The tournament is in memory of Warren K. Wood, one of Chicago's most popular amateur golfers, who died in 1926. Wood was Western Amateur champion in 1912.

Jones' 67 Monday lowered his own record on the Chicago course, established Sunday with a 68. He then followed with another round in the afternoon, scoring a second 68 and a total of 203 strokes for the three consecutive rounds.

Jones' card in the twin rounds Monday showed 13 birdies, 17 pars and 6 holes one stroke over par. The foursome which accompanied Jones on his sensational round included two members of the British Walker Cup team, T. P. Perkins and R. H. Hardman, and an American teammate, Harrison, Johnston.
