Cradle roll classes of candidates in the Knights of Pythias are advocated by Carl R. Mitchell, grand keeper of records and seals.

Mitchell recently was a guest at Paul Revere Lodge at Terre Haute, Ind., when Guy Kornblum Jr., 18, was initiated. The lad's application was entered in the lodge when he was four days old.

The application carried the endorsement of several prominent Pythians who now are dead.

"The plan to enter applications for sons at their birth has much to commend it," said Mitchell, "and certainly the unusual circumstances surrounding such cases would give them interesting history and significance when the young man finally reaches the required age."

"Not a cough in a Film-ful"

**says Norma Talmadge
after the Blindfold test**

“When you see my new United Artists’ picture, ‘The Woman Disputed,’ you will notice that I smoke cigarettes in several scenes.

“Not wanting to show partiality to any one of the four leading brands, I decided to make my choice via the blindfold test, which I had heard of many times. Happily, I picked OLD GOLDS.

“I found them smooth, mild and delightfully cool.

“Hereafter, when I am required to smoke I shall naturally insist on OLD GOLDS. There’s not a cough in a film-ful!”
