RADIO listeners in Ohio, Kentucky, Indiana, West Virginia, Georgia and other States reached by stations WLW and WSAI will lose eighty-six hours of programs each week if the two Crosey radio stations are forced to divide time on a single wave length. Since the Crosey Radio Corporation took over WSAI in May, both stations have been operating twelve hours and more each day.

Letters and telegrams of protest from listeners within a radius of 250 miles, say that the two 5,000-watt Cincinnati stations are the only ones they receive satisfactorily at all times.

Once again dancers from coast-to-coast will tread the light fantastic when the Lucky Strike hour is broadcast over the nation-wide chain of the National Broadcasting Company on Saturday evening, Sept. 22, at 10 o'clock, eastern daylight saving time.

The Lucky Strike Orchestra will again be heard through thirty-nine stations from Maine to California.

Classical and modern music will be heard in unusual arrangements for four accords during the program by the Accordion Quartet, directed by Charles Magnante, to be broadcast through the NBC System tonight at 8:30.

QUESTION—I have a five-tube radio, but lately I have been unable to hear any of the loud-speaker new batteries and tubes, thinking that would help. The only way I can get anything is by putting the phone tips in the loud-speaker terminals instead of the plug. What do you suppose is the trouble?

ANSWER—Make sure that the springs in the loud-speaker jack are making good contacts. Try the speaker on a neighbor's set to ascertain whether or not it is at fault. A more serious cause of the trouble might be in a burned out audio transformer.

WBFB, the Indianapolis Power and Light Company station, announces that again tonight Charlie Davis and his orchestra will broadcast from the Columbia Club. Charlie takes the microphone in his gentle care and acts as master of ceremonies throughout the entire program. Dance intermissions will be filled by Virgil Monks, pianist, and Dick Grotendiek, whose plaintive melodies have been thrilling feminine hearts for a number of weeks.

Playing the traditional music of the Jewish temple, J. Walter DeVaux, WLW organist, will honor the observance of Yom Kippur with a concert at the Crosey station Sunday at 5 o'clock.

Yom Kippur, or the Day of Atonement, is one of the important holidays of the Jewish sacred calendar, a day of prayer and fasting, with services in temples of the world continuing through Monday.

The library of Jewish sacred music is rich in musical gems seldom heard outside the temple, according to Mr. DeVaux. Several of these esoteric numbers will be played on Sunday's program.

August was the best month for long distance reception during the last year, reports the Crosey radio stations, WLW and WSAI, after a survey of foreign letters received in the last month.

Features to be heard through the NBC System tonight will include Ted Bartell's Orchestra from Yonge's at 5 o'clock; baseball scores at 5:25; the Hotel St. Regis Orchestra at 6; "A Week of the World's Business," by Dr. Julius Klein at 7:15; Godfrey Ludlow, concert violinist, at 7:30; the Mediterranean Dance Band at 9; and Slumber Music at 10.

John J. Brown, chairman of the State tax board, will present the Indiana angle of the agriculture issue in the presidential campaign in a radio talk from Chicago Sunday night. It was announced today. His address will be broadcast by a 323 station hook-up. The address is sponsored by the Republican national committee.

In the morning on "Joy in the Lord," and at night, "My Place." The Dorcas Society will be entertained Tuesday night at the home of Miss Clara Huber.

Dr. C. H. Stauffacher of Cleveland, Ohio, will speak at the morning service of the First Evangelical Church. This is the annual fall rally day service. He will speak in the evening.

An old folks' service will be held Sunday morning at the Brookside United Brethren Church. The Rev. Forest A. Reed will speak in the morning on "Life's Western Slope" and at night "The Second Commandment."

The following musical programs will be given at the Broadway M. E. Church Sunday:

Morning, 10:45
Organ—"Meditation Serious"; Barlett Anthem—"Bless the Lord, O My Soul"; Anthem—"Come, Let Us Worship"; (in capella) "A Song of Gratitude"; Palestrina Organ—"A Song of Gratitude"; Cole Evening, 7:45

Organ—"Vesper Time"; Fluiger "Adagio Pathetique"; Godard-Saller Anthem—"The King of Love My Shepherd"; Organ Offertory—"Melody"; Nevin Duet—"My God, My Father, While I Stray"; Soprano, Miss Charlotte Passwater; Alto, Mrs. Harry McVey; Organ—"The Majesty of the Deep"; Hamer Chorus choir, Mrs. J. E. Whitto, organist; William Eiman Beck, director. Rev. John M. Walker, D. D., of Evansville, will preach at both services at the Broadway M. E. Church Sunday.

Dr. Frank S. C. Wicks of All Souls Unitarian Church announces the following order of service at 11 a. m. Sunday:

"Intermezzo"; Bisset, "Priere a Notre Dame"; Bisset, "Hymn 336"; fourth service; covenant; anthem: words of aspiration; responsive reading, 23rd selection; scripture; Hymn 497; notices and offering.

"Gazette"; John H. Brewer; address, "Certain Minor Virtues"; Hymn 586; benediction; postlude, "Grand Chorus"; Du Bois.

"The Bands of Love" and "The Great Physician" will be the themes of the Rev. Ambrose Aegerter of the Beville Avenue Evangelical Church.

Under the general heading "The Campaign," Merle Sidener, an Indianapolis business man, will address the class of the Christian Men Builders Inc. of the Third Christian Church, Sunday morning on the subject of "Platforms."

These talks are in no sense political or partisan. A special delegation of employees of the Standard Grocery Company with Mr. Chester Jackson at their head will be in attendance. A special musical number will also be on the program which will be broadcast over the radio station WBFB of the Indianapolis Power and Light Company.

The broadcasting of these services each Sunday morning from 9:30 to 10:45 has made it possible for this group to reach a large number of persons that would not otherwise be able to enjoy such talks and programs. This was pointed out by Mr. Sidener as the reason for the broadcasting.

The Rev. Floyd Van Keuren, rector of Christ Episcopal Church, will have the usual quiet celebration of the Holy Communion Sunday at 8 a. m. At this service the United Thank Offering will be presented by the women of the church. At 9:30 a. m. there will be church school and Junior and Senior Bible classes. At 10:45 a. m. there will be Morning Prayer and the rector will preach on the topic "Disaster and God." The Boy Choir, under the direction of Cheston L. Heath, M. A., will sing the anthem, "I Will Mention Thy Loving Kindness," by Sir Arthur Sullivan. The incidental solo will be by E. J. Baker.

At St. Paul A. M. E. Church, a service ending up the year's work will be held. The Rev. Walter Chenaunt will speak in the morning on "Forgetting the Past." Choirs from several churches will sing at a service to be held at 3 o'clock. At night, the pastor will speak on "As By Fire."

The Rev. C. H. Scheick of the Lynhurst Baptist Church will preach in the morning on "Separation," and at night on "An Evangelist."

At the Ebenezer Lutheran Church, rally day will be observed in both Sunday school and church. The Rev. R. R. Roberts will preach in the morning on "Forward Movement." Union Lutheran vespers will be held at 8 o'clock.

The Rev. Charles M. Reed of Liberty, Ind., will preach in the morning at the Capitol Avenue M. E. Church. At night, the Rev. Homer D. Bassett of Paoli will preach.

HUGE DIRIGIBLE ON LONG JAUNT

Los Angeles Will Fly to
Legion Conclave.

WASHINGTON, Sept. 22.—The navy dirigible Los Angeles will start on another long jaunt, this time across the country to the American Legion convention at San Antonio next month.

The present schedule, subject to weather conditions, calls for departure from the base at Lakehurst, N. J., during the week beginning Oct. 2.

Just what route will be followed and other details of the trip are not decided. The plan is to take in as many States as possible, the dirigible probably going out by a northern route and returning by a southern one.

Ft. Worth has been selected for a temporary base while the dirigible is in Texas. A landing post is located there, as is the Government helium plant where the Los Angeles can be re-inflated.

Navy department officials say the dirigible probably will go direct to Ft. Worth, stop there, go on to San Antonio, fly over that city without stopping and return to Ft. Worth. No attempt will be made to go further west and the huge airship will start back for Lakehurst after a day or so.

Lieutenant Commander H. B. Wiley will be in charge and will take a crew of fifty.

CONFERS WITH MAYOR

Dr. H. H. Wheeler, Who Offered
Land at City, Visits Slack.

Dr. H. H. Wheeler, who owns a tract of land north of the canal along Meridian St., conferred with Mayor Slack Friday.

Dr. Wheeler offered to donate a tract of ground to the city several years ago to extend Meridian, but the agreement was never carried out. The county built an expensive bridge over the canal at Meridian St., but it has been unused for three years.

City officials are discussing the extension of Meridian to Kessler Blvd. Slack did not reveal the purpose of the conference.
