October activities of Mystic Tie lodge, No. 398, F. & A. M., were announced this week through an issue of the "Bulletin," by F. Elmer Raschig, worshipful master.

Trestleboard includes initiation of nine candidates in the entered apprentice degree at 4:30 p. m. today. A buffet supper will be served at 5:30 p. m. Elze C. Parlow and P. R. Sylvester were on reception committee assignments.

Next event on the trestleboard is the raising of three candidates in the master mason degree Oct. 1. One candidate will be raised by Past Master T. P. Dickinson. The work will start at 4:30 p. m., and dinner will be served at 6:30. Those on reception committee are E. H. Mayo and Noble C. Hilgenberg.

Initiation Oct. 8

The stated meeting and initiation of nine candidates in the Fellowcraft degree will be held Oct. 8. The work is to start at 5 p. m. and the stated meeting will open at 7:30. Frank B. Wade and Arthur T. Brown are on the reception committee.

Four social events in October set a pace which will be maintained in November with the three-day celebration of the sixtieth anniversary of Mystic Tie Lodge.

The autumnal party will be held Oct. 13 with dancing, music and a program for the children.

The visit to the Masonic Home at Franklin, Ind., Oct. 14, perhaps is the most important event. Ground will be broken for the Mystic Tie print shop, constructed through lodge donations, to afford enlarged quarters.

Ceremonies Are Planned

The program will be held outside, and a ceremonial spade will turn the first ground. A picnic will be held in the grove preceding the ceremony.

Craftsmen's night will be staged Oct. 22 in connection with a program to be given at dinner that evening. Attendance will be limited to members and specially invited guests, admitted by card only.

One week later, Oct. 30, Mystic Tie will repay the visit of Oriental lodge last spring and give the second section and lectures of the Master Mason degree.

Philadelphia Arcanians have formed a "Last Man's Club," the membership to be composed of congenial Arcanians who were members during the Golden Jubilee Year.

The object of the club will be the annual commemoration of the Golden Jubilee and the annual celebration of Founders' Day. The club was formerly organized June 30, 1928, and the first annual meeting was held at the City Club, Philadelphia. Members must pledge themselves to attend a reunion every year of their lives.

The membership is now closed, and at each reunion the roll will be called and a suitable memorial will be observed for those who have passed away in the yearly interim. This will be done until the last man answers the final roll call. The club will next meet on June 23, 1929.

Only Poles in Lodge
Kosciusko Lodge, No. 1085, New York City, is the first Masonic lodge in the United States composed exclusively of Poles, and perhaps the only one of its kind in the world.

What Will you do

When your Children Cry for It

There is hardly a household that hasn't heard of Castoria! At least five million homes are never without it. If there are children in your family, there's almost daily need of its comfort. And any night may find you very thankful there's a bottle in the house. Just a few drops, and that colic or constipation is relieved; or diarrhea checked. A vegetable product, a baby remedy meant for young folks. Castoria is about the only thing you have ever heard doctors advise giving to infants. Stronger medicines are dangerous to a tiny baby, however harmless they may be to grown-ups. Good old Castoria! Remember the name, and remember to buy it. It may spare you a sleepless, anxious night. It is always ready, always safe to use; in emergencies, or for everyday ailments. Any hour of the day or night that Baby becomes fretful, or restless, Castoria was never more popular with mothers than it is today. Every drugstore has it.
