

NEGRO YOUTH ADMITS ATTACK ON AGED MAN

Arrested After Beating Shoe Dealer: Second Bandit Slashes Victim.

Slow in complying with the demand of a Negro bandit who ordered him to put up his hands, Harry Herzog, 125 S. Davidson St., Wednesday night was slashed on the neck and right arm with a knife.

Without waiting to search his victim, the Negro fled. Herzog walked to the nearby office of a physician and received first aid. The holdup was staged at Michigan and Bowman Sts.

Arrested within an hour after Abraham Lewis, aged shoe dealer at 431 Massachusetts Ave., had been brutally beaten and robbed, Rayford Scott, Negro, 18, of Brownsburg, confessed to the assault and robbery.

Attacked With Wrench
Police, called to the shoe store by the report of a man calling for help, found Lewis on the floor, his head severely cut. He told them the Negro had entered the store, made a small purchase and assaulted him with a large wrench.

The Negro took \$10 from the cash register and, after beating Lewis into semi-consciousness, fled. Lewis is in city hospital suffering with severe head lacerations, possible concussion of the brain, and shock. Pay Ray, attendant at the North and Alabama Sts. Standard Oil filling station, was held up in the station Wednesday night by a Negro bandit who took \$41 from the safe.

Holds Up Drug Store
A nattily dressed young bandit sauntered into a drug store at 3002 W. Sixteenth St., made a small purchase, and then pointed a pistol at Wallace Robertson, 2431 Bellefontaine St. He took \$40 from the cash register.

Two men held up James Roulin, 45 W. Wisconsin St., night watchman at the Indianapolis Light and Power Company plant at Washington and Geisendorf Sts., and robbed him of \$3.

ORCHID-LADEN PLANE DROPS FLOWERS HERE

Braigs \$1,000 Shipment From San Diego To West Baden

"Miss Exclusive", sister ship to Lindberg's "Spirit of St. Louis," landed at Capitol Airport Wednesday with a \$1,000 shipment of orchids en route from San Diego, Cal., to West Baden, for the national convention of the Florist Telegraphic Delivery Association. The flower shipment is an experiment intended to popularize rapid transportation of choice flowers from California to markets in the East and Midwest, according to Graham W. Dible, president of the Exclusive Florists, Inc., San Diego. The stems of the orchids are inserted in water-filled glass test tubes and packed in cotton to insure freshness during the journey. The plane left San Diego last Friday and has stopped at a dozen cities en route to West Baden, each stop being the occasion for dropping flowers furnished by local dealers on war memorials.

Four Indianapolis florists contributing to the assortment of roses and carnations dropped from "Miss Exclusive" on Monument Circle Wednesday by Mrs. Clara Benson Fairfield florist were: Brande's Flower, Bertermann Flower Company, A. Weigan Sons Company and G. R. Greene Flower Shop.
