

**POLICE GUARD
CAB STANDS IN
CHICAGO WAR**

Link Hertz Stable Blaze to
Bombings of Two
Taxi Garages.

By United Press
CHICAGO, Oct. 3.—Police today searched sixty taxicab stations in Chicago while three investigating organizations sought clues to the bombing of two cab garages here Sunday night and the burning of the John D. Hertz racing stables at Cary, Ill., early Monday.

John Stege, deputy police commissioner, expressed certainty that the fire, which destroyed racing horses valued at \$200,000, was connected with the bombings as part of a war between rival cab companies here.

Chicago police and the State attorney's office were cooperating with officials of McHenry County, in which the Hertz stables were located, in a drive to round up suspects.

Ten Men Arrested

Ten men were arrested following the garage blasts and fifteen others were sought today, chief of whom was Harry Brown, known as "Frisco Dutch," who was tried for the murder a year ago of Joseph Worka, president of the Checker Cab Company. Brown was acquitted of the killing, alleged to have climaxed a contest for control of the taxi company.

Hertz is a director in the Yellow Cab Company. Police reported violence had broken out among drivers of the rival companies recently. Officials of both companies denied any knowledge of the so-called war, however, and Hertz told police he knew of no reason for an attack on his property.

Oil Traces in Stable

"Sheriff Cyrus Sanford of McHenry County said investigation had disclosed evidence that oil was scattered through the Hertz stable previous to the fire. He believed the barn had been burned in an effort to destroy Reigh Count Kentucky Derby winner. The famous horse was saved.

The special police protection was given after the belief grew that gang terrorism had been directed at the Yellow Cab Company and its directing officer.

Hertz had been wary of an attack. Earlier this year at Saratoga Springs, N.Y., oil-soaked cotton was found in the stable housing Reigh Count and other valuable Hertz horses.

**ROBINSON TO INVADE
STRONGHOLD OF OWEN**

Visits Muskogee, Okla., Tonight;
Attacks Boiler at Tulsa.

By United Press
TULSA, Okla., Oct. 3.—Senator Joseph T. Robinson, Democratic candidate for vice president, today carried his campaign to keep Oklahoma in the Democratic column into Muskogee, stronghold of former Senator Robert L. Owen. Smith bolted.

Owen was attacked by Robinson in his speech here Tuesday night. His reference to Owen as one who "represented or misrepresented" Oklahoma in the United States Senate met with both applause and boos.

Governor Alfred E. Smith's record on social welfare measures will be the topic of Robinson's Muskogee address, the Senator announced.

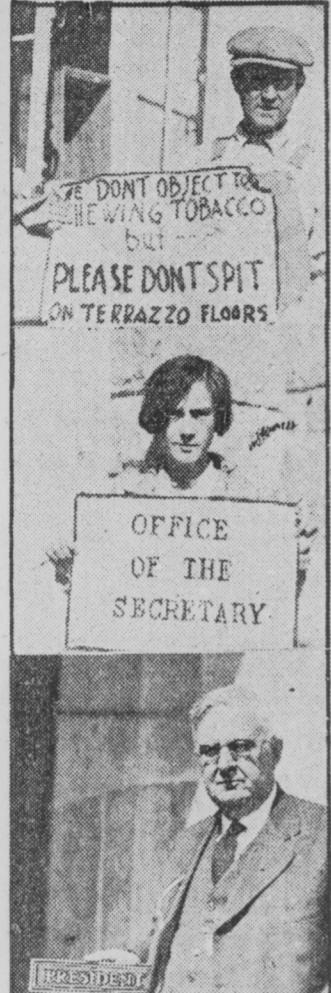

Senator Robinson reiterated here his statement that Hoover over his own signature said he was trying to keep down the price of wheat.

HEADS G. O. P. PUBLICITY

Cliff Ward, Ft. Wayne newspaper man, who directed Herbert Hoover's primary campaign publicity for Indiana, Tuesday assumed charge of publicity for Indiana Hoover-for-President clubs.

Hoover club publicity headquarters were opened in State Hoover headquarters on Monument Circle.

Faith in Signs

These "signs of the times" present a graphic picture of the emergency of Butler University from the cocoon into its beautiful new quarters at Fairview. At the top is one of the rude signs that greet registering students at Jordan Hall. The message, scrawled in crayon, is "We Don't Object to Chewing Tobacco, but Don't Spit on Terrazzo Floor."

Miss Ellen Davidson is shown holding a sign which shows much improvement over the first. And the sign cycle is completed in the polished brass label in Dr. Robert Aley's hand, typical of those which now adorn the building.

Latitude is said to have been first determined by Hipparchus of Nice, about 162 B.C.

**SALTS FINE FOR
ACHING KIDNEYS**

When Back Hurts Flush
Your Kidneys by Drink-
ing Lots of Water

Most folks forget that the kidneys, like the bowels, sometimes get sluggish and clogged and need a flushing occasionally, else we have back-ache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean and the moment you feel an ache or pain in the kidney region begin drinking lots of water. Also get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is intended to flush clogged kidneys and help stimulate them to activity. It also helps neutralize the acids in the urine so they no longer irritate, thus helping to relieve bladder disorders.

Jad Salts is inexpensive; makes a delightful effervescent lithia water drink which everybody should take now and then to help keep their kidneys clean.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in trying to correct kidney trouble while it is only trouble.

**Good-Bye Forever
to the Garbage Can
and Rubbish Barrel!**

That filthy back-yard garbage is far more than an eye-sore—it's a dangerous disease carrier. And how about the old rubbish barrel! It litters up your basement. Filled with paper and oily rags it invites fire and is a constant menace. The garbage can and rubbish barrel are both eliminated when the Home Gas Incinerator is installed. Garbage and trash quickly, easily, safely disposed of. Many big advantages. Let us fully explain them.
