

LICENSE DRIVE OPENED BY CITY

Bicyclists and Dog Owners
Told to Pay.

City Controller Sterling R. Holt
today began a city-wide drive to
collect bicycle licenses.

Every person more than 16 who
owns a bicycle is required to obtain
a \$2 license. Holt asked Police Chief

Claude M. Worley to instruct the
department to cooperate with the
controller's office in enforcing the
ordinance.

Only 342 bicyclists have obtained
licenses this season, compared with
585 issued last year. Holt estimated
at least 500 adults are riding bi-
cycles who have failed to comply
with the city law.

The late Samuel Lewis Shank,
during his last term as mayor, spon-
sored a reduction of dog license from
\$3 to \$2 and amendment of the bi-
cycle ordinance to exempt young-
sters.

Deputy City Controller A. B. Good
has renewed efforts to collect li-
cense fees from dog owners. There

were 12,108 dog licenses issued in
1927, compared with 6,900 this year,
indicating there are 5,000 more dog
owners who have failed to comply
with the city ordinance.

SANTA FE SETS RECORD

CHICAGO, Oct. 12.—Despite its
early construction difficulties in an
unsettled country, the Santa Fe
Railroad has grown rapidly since
1858 and is now the longest rail-
road in the world. Due to a recent
transaction combining the Orient
with the Santa Fe, the Santa Fe
now surpasses the Trans-Siberian
system and the Southern Pacific in
mileage.
