

ZEP COMMANDER BREAKFAST GUEST AT WHITE HOUSE

FLIGHT BACK TO BERLIN WILL START OCT. 27

Dirigible Will Fly West to Belleville, Ill., Next Week.

PLAN ONLY ONE STOP

Henry Ford Is Invited to Be Passenger on U. S. Tour.

WASHINGTON, Oct. 19.—High government officials, clerks and downtown office workers joined today in tribute to Dr. Hugo Eckener and some of his Graf Zeppelin associates for their heroic flight across the Atlantic.

Arriving there shortly after 7 a. m. the dirigible commander and his party were the guests of President Coolidge at breakfast in the White House, visited Herbert Hoover headquarters, called on cabinet officers and later went to the Arlington national cemetery to lay a wreath on the tomb of the unknown soldier.

The party was met at the train by Assistant Secretary War Davidson, Assistant Secretary Navy Warner and Major Frank Kennedy of the United States Air Corps. Kennedy flew across the Atlantic with Eckener in the ZR-3.

Dr. Eckener received newspaper men and photographers shortly after 7:30 a. m., and posed patiently and outlined his plans for the rest of his stay in America—a stay that will end a week from Saturday when he plans to depart for Europe.

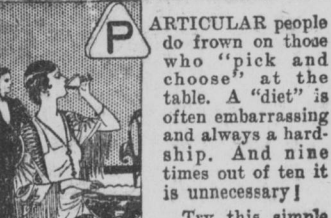

He plans to leave Lakehurst, N. J., in the Graf Zeppelin early Wednesday and fly to Scott field, Belleville, Ill., and stop there for the night.

Hasten Return to Europe

Thursday he will fly over Chicago, Detroit and Cleveland, returning to Lakehurst Thursday night. Eckener said the Belleville, Ill., stop would be the only one the craft would make.

Dr. Eckener explained he was hastening the return because bad

A Substitute for Dieting

ARTICULAR people do down on those who "pick and choose" at the table. A "diet" is often embarrassing and always a hardship. And nine times out of ten it is unnecessary!

Try this simple experiment; see if that "indigestion" doesn't disappear from the very hour you first take Pape's Diapasin. To restore good digestion just eliminate excess acid. A tablet of "Pape's Diapasin" after eating or when pain is felt will instantly neutralize the acidity and banish all digestive trouble and pain.

So, do buy a 60-cent package of "Pape's Diapasin" today. This not only means instant relief, but by soothing, healing and strengthening your weak and disordered stomach a little "Pape's Diapasin" keeps your digestive system healthy and helps to prevent various disorders. You may have decided that nothing could give you a "strong" stomach; just make the diapasin test!

weather already had set in over the Atlantic and he wished to avoid as much of it as possible.

The commander of the giant airship expressed regret that he would not be able to accept more of the numerous invitations extended to him and his crew and passengers.

Ford May Make Flight He said he would invite his friend, Henry Ford, automobile magnate, to accompany him on his flight Thursday, and if Ford finds it impossible, "I'll fly over Detroit and wave to him."

Other guests besides Dr. Eckener invited to the white house breakfast were Secretary of Navy William D. Clegg, Secretary of Interior West, J. ERR IN POLICE REPORT

Police report erroneously listed Mrs. Florence Bennett, 816 North West street, as the woman who routed Negro hold-up men Wednesday night by pointing her umbrella at them as if it were a gun.

The name should have been Miss Blanche Bennett and Miss Bennett is not a Negro. With her mother, Mrs. Sibbie A. Mattill, she operates a drug store at West and St. Clair streets.

ANSWER AL'S 'MYTH' CHARGE ON PROSPERITY

Dawes and Lord Cite Facts to Show U. S. Is in Good Shape.

CHICAGO, Oct. 19.—Vice-President Charles G. Dawes and General Herbert M. Lord, director of the budget, have risen to defend the Harding and Coolidge administrations against the charge made by Governor Alfred E. Smith at Sedalia, Mo., that "Republican prosperity is a myth."

General Lord was the principal speaker at a banquet meeting of the Illinois Chamber of Commerce here last night. He was introduced by Vice-President Dawes.

"Application of statistical methods prove the absurdity of any argument that Coolidge economy is a myth," General Lord declared.

Dawes asserted that the "routine business of the United States government today is the best organized business of its kind in the world."

Neither Dawes nor Lord mentioned Governor Smith by name or referred directly to the Democratic presidential nominees speech at Sedalia. It was obvious, however, that they intended their remarks to stand as an answer to the charges of the New York Governor.

Figured Mail Stripes

"When I was budget director," Dawes remarked, "congress called upon us to show what we were doing. We compiled a great list of items among them things like the purple stripes in the mail bags. I even itemized a saving of 18 cents."

"We willed 100 pages with these itemized savings we had accomplished and the sum total for one year was \$250,000,000."

General Lord declared that "President Coolidge is for economy not because he wants to save money, but to save the people."

"The government faces a deficit of about \$100,000,000 by next June," the budget director said, "but a threatened deficit is a challenge and we accept it."

In the Red in 1919

"In 1919, we had a deficit," he said, "a beautiful deficit. That was the year we loaned our former allies three and a half billion dollars because they needed the money."

"In 1920, we ended the year with a surplus of \$212,475,197.67. From thirteen billions in the red one year to two hundred and twelve million in the black the next. On the strength of that we reduced taxes."

Mrs. Bertha Heaton, Terre Haute, was elected president of Lambda Delta Phi sorority at the annual meeting of the group at the Columbia club. The dinner was held in connection with the teachers' convention. Seventy alumnae from Indiana State Normal school and from Ball Teachers' college attended.

CURTIS INVADES NEW JERSEY TO TALK ON TARIFF

Hopes to Filch Voters From Al in Stump Through Democratic State.

BY KENNETH G. CRAWFORD United Press Staff Correspondent

ABOARD CURTIS CAR IN NEW JERSEY, Oct. 19.—Senator Charles Curtis advanced into northern New Jersey today to challenge Democratic claims to the territory. He is scheduled for appearances at Flemington and Newark during the day and a speech at Trenton tonight.

The Trenton speech will be broadcast by the largest chain of radio stations so far organized for Curtis' vice-presidential campaign. He will deliver a carefully prepared address on the Republican tariff policy.

Curtis left Philadelphia this morning after the demonstration of Republican enthusiasm he encountered Thursday night at Camden, N. J. Several thousand persons from all parts of southern New Jersey cheered his attack on Governor Alfred E. Smith in a speech at the convention hall there.

EN ROUTE WITH SENATOR ROBINSON TO CASPER, Wyo., Oct. 19.—Senator Joseph T. Robinson continued his campaign of Wyoming today with a tariff argument which Democratic supporters hope will swing Wyoming's three electoral votes into the Democratic column next month.

The Democratic vice-presidential nominees were scheduled to speak at Casper today, and then to return to Nebraska for speeches at Hastings and Lincoln.

Senator Robinson's address at Cheyenne Thursday night was devoted entirely to the tariff question. Democratic tariff legislation is to be based on the maintenance of legitimate business and a high standard of wages for laborers, he said.
