

INSTITUTIONS TO REQUEST HUGE BUDGET BOOST

Brother of Governor Asks Million for School and Colony.

James Jackson, brother of Governor Ed Jackson, will ask the legislature for appropriations of \$1,039,960 for the two institutions of which he is superintendent. They are the Indiana School for Feeble-minded Youth, Ft. Wayne, and Indiana Farm Colony for the Feeble-minded, Butlerville.

The Ft. Wayne institution recently was criticized in a report to the governor by the state charities board.

Appropriations to be asked were listed with the state budget clerk Tuesday. They include \$100,000 for a colony building at Butlerville; \$50,000 for a new inmate building at Ft. Wayne, and \$15,000 for a water plant.

Logansport state hospital budget, also filed, asks \$860,131.90. Items include \$30,000 for ward additions; \$1,000 for electrotherapy equipment; \$5,000 for new officers' cottage, and \$7,500 for a new barn.

Departmental requests continue to show increases. In the three years that A. C. McDaniel has been budget clerk, he never has had a decreased budget to check.

The state banking department asks a \$96,900 budget for each of the next two years. Its budget this year is \$84,000. Increases include a \$2,000 chief clerk, and \$7,500 for five additional assistant examiners.

Luther F. Symons, state banking commissioner, points out that there are 800 banks under the department's jurisdiction, with deposits of more than \$700,000,000. An increased staff is needed to insure efficiency, he contends.

The state charities board budget asks increase from the present \$45,700 to \$59,000, annually. This includes a \$500 salary raise for Secretary John A. Brown, who now receives \$4,500. Other salary increases range from \$300 to \$400.

The new budget asks for a state agent in the children's department at \$3,600 and two additional field agents at \$3,000 each.

They Shine on Broadway

Have you heard of "the Hot?" It's the dance that made its appearance on Broadway when Nell Kelly (left) came out of the west, an unknown to the "main stem" in "Ups-A-Daisy." She's considered the season's most important dance discovery. At the lower right is Dorothy Stone, who is pinch hitting for her father, Fred Stone, in "Three Cheers." Above her is Irene Bordoni, who is back in New York with a merry-merry called "Paris."

Splendid Recipe To Stop A Cough That "Hangs On"

The best cough remedy that money could buy, can easily be made at home. It saves money and gives you the most reliable, quick-acting medicine you ever used. The way it takes hold of stubborn coughs and chest colds, giving immediate relief, is astonishing.

Any drugstore can supply you with 2½ ounces of Pinex. Pour this into a pint bottle, and fill up with plain granulated sugar syrup or strained honey. It's no trouble at all to mix, and when you once use it you will never be without it. Keeps perfectly and tastes good—children really like it.

It is surprising how quickly this home-made remedy loosens the germ-laden phlegm, and soothes and heals the inflamed membranes. At the same time, it is absorbed into the blood, where it acts directly on the bronchial tubes, and helps the system throw off the whole trouble. Even those severe coughs which usually follow the "flu," are promptly ended.

Pinex is a highly concentrated compound of genuine Norway Pine, containing the active agent of creosote, in a refined, palatable form. Nothing known in medicine is more helpful in cases of severe coughs, chest colds and bronchial troubles.

Do not accept a substitute for Pinex. It is guaranteed to give prompt relief or money refunded.

THE Ipana Troubadours will specialize in love songs in their program to be broadcast through the NBC System tonight at 8 o'clock. In this program the Twentieth Century Troubadours follow in the footsteps of the original Troubadours, interpreters of love songs from the eleventh to the thirteenth centuries. The successors to the early musical bard, have collected the newest of 1928's love lyrics and will present these, with some of the older amatory favorites, as well.

Stirring marches and melodious concert pieces make up the concert to be broadcast by the United Military band through stations of the Columbia Broadcasting System at 9:30 tonight.

The program, which opens with Heed's "The Vanguard" march, contains selections by Raff, Keler-Bela, Morse, Reeves, Herbert, Bohm, Massenet, Offenbach and Drumm.

As long as the tireless "dogs" of the marathon "hoofers" at Tomlinson hall hold up, WFBM will continue broadcasting the daily progress of the dance endurance contest. This broadcast goes on the air at 10:45 each night, with Ted Brown, master of ceremonies of the big hop, acquainting the radio audience with the latest news of the contestants. The marathoners have just as zealous supporters among the radio audience as they have partisans in the crowds that fill Tomlinson hall each day. Each mail brings the Indianapolis Power and Light Company station a large volume of letters praising the endurance of the dancers.

"Flow Gently, Sweet Afton" and Moore's "Off in the Stilly Night," two songs almost immortalized, will be included in the program by the Sylvania Foresters, a male quartet, which will be broadcast through the NBC system tonight at 7:30.

Olive Palmer, popular coloratura soprano, will sing both operatic and popular selections during the Palmolive hour tonight at 8:30.

With Paul Oliver she sings a duet, "Will You Remember Me?" from "Ups-A-Daisy." Alone she will sing "Una Voce Poco Fa" from "Barber of Seville" and a new microphone transcription of the old-time favorite, "Glow Worm."

Scrappy Lambert and Billy Hillpot as Trade and Mark, the Smith brothers, will make merry during the program to be broadcast through the NBC system tonight at 8 o'clock.

Popular songs of the past will be included in the program to be presented by the NR Millionaires at 8 o'clock tonight through stations of the Columbia Broadcasting System.
Following the NR theme song, "Feel Like a Million," the orchestra will play the Waltz Huquette from the musical success of a season ago, "The Vagabond King." The male quartet will be heard in a fragment of war days, "Keep the Home Fires Burning," and also to sing "Love's Old Sweet Song." QUESTION—I have a model 35 Atwater Kent receiver which is about one year old. Would it be revised for operation with alternating current tubes? (2) How much will it cost and where can it be done?—J. M.

ANSWER—Devices known as alternating current harness attachments can be had on the market to accomplish the change desired. The harness adapters fit into the tube sockets and the new alternating current tubes into the adapters. A cable linking the sockets runs to a small power transformer, wires from which are plugged into the light socket, furnishing the low voltages needed by the alternating current tube filaments. A good radio service man in any city will advise as to the cost of making the change. The total cost, including "B" eliminator, tubes and installation, will probably run from \$50 to \$100.

The first of another series of radio pageants will be broadcast on the United Synagogue program over WEAF of the NBC System tonight at 6 o'clock.

Finds Money in Can
WARSAW, Ind., Oct. 24.—Ninety dollars in paper money which was in a bad condition, together with an amount of silver money, was found in an old tin can in the basement of the home of Clyde Heaton near here. Winona Interurban car. The bills were accepted by a bank.

Stopped His Asthma Troubles Entirely
Cough and Wheeze Left 3 Years Ago. Been Well Ever Since.

There is good news for all who suffer from asthma or bronchial cough, in a letter by Chas. E. Jones, 2336 Hoyt Ave., Indianapolis. He says:

"I contracted asthma in the army, June, 1918, was rejected from going overseas, and in December I was discharged. I suffered terribly, had to sleep outdoors and greeted the milkman every morning. I tried everything, with no real relief. In June, 1924, reading about Nacor, my mother obtained a bottle. I began taking it, and felt considerably better the next morning. By spring, 1925, the wheezing and all other symptoms were gone, and since then (3 years) I have never had a sign of asthma."

This statement is only one of many from former victims of asthma and bronchial coughs, who have told how their trouble disappeared and never returned. The letters and a booklet of valuable information about these diseases will gladly be sent you free by Nacor Medicine Co., 408 State Life Bldg., Indianapolis, Ind. No matter how serious your case, call or write for this free information. It may lead you back to health, as it has thousands of others.—Advertisement.

ASKS U. S. TO HOP ON KLAN AND DRY BODIES

Brooklyn Man Demands Funds Be Accounted for.

By United Press
NEW YORK, Oct. 24.—Representative Loring M. Black of Brooklyn has written to Attorney General John C. Sargent, calling upon him

to take action against the Anti-Saloon League, the Ku-Klux Klan, the Women's Christian Temperance Union and other organizations in connection with their political activities.

Black based his demand on the federal statute which requires that organizations engaged in political activity furnish detailed reports of their receipts and expenditures.

have you moved to Indianapolis since last November?

... if so, permit us to welcome you to "No Mean City." And to suggest that you can't really know the town well until you've visited City Market, read "Abe Martin" and "The Beans" religiously, and attended an Ayres' Anniversary Sale.

Watch for it... the news will break any day now!

L. S. AYRES & Co.

AYRES' Before Anniversary E. O. M.

You know what E. O. M. is—a monthly clearance of odds and ends, incomplete size ranges, sometimes slightly damaged things, as well as specially purchased lots. It is a sale with an immense following. It has been extensively copied, both in Indianapolis and all over the country, since we originated it twenty-odd years ago.

This particular E. O. M. has a specially important job to do. We want to clear the store of certain stocks to make room for Anniversary Sale goods.

We know we won't sell these things unless they are priced very low—our customers would be hesitant to purchase if they thought better values would be available in the Anniversary Sale.

You needn't worry about that. The merchandise is all marked at "get-out and stay-out" prices. And, besides, at Ayres' you NEVER have to worry. No sale is final until the customer is satisfied.

Come and see this E. O. M. As in all E. O. M. Sales, there are many bargains which will never be repeated.
