

## SENIOR RINGS ARE DISCUSSED

Treasurer to Order Class Emblems by Nov. 15.

Members of the senior class of Cathedral high school will receive school rings by Dec. 1, it was announced today. The collection for funds for the enterprise was started this week by John O'Brien, class treasurer, who expects to have the fund complete and the rings ordered by Nov. 15.

The importance of a school library was stressed by Brother Ernest in a recent talk before the entire school body. A charge of 5 cents a week is made on fiction books at the school library and reference books are free. The fund is used in purchasing new books. About forty have been added since the opening of school.

## Chairs Chary

"Students will supply their own pencils," is the notice posted each year at Shortridge and other high schools.

But this week at Shortridge the notice was changed to "Students will supply their own chairs."

No one complained about the rule, because it's all a part of the Shortridge pilgrimage to the new building at Thirty-Fourth and Meridian streets.

The best desks in the old building are being moved to the new quarters. Folding chairs were ordered to replace the desks. They didn't come.

Finally a few of the folding chairs arrived. There is still a chair shortage.

"We don't care about that," says George Buck, principal.

"We'll have a new home in the morning."

## Worley Gives Third of Safety Alphabet Series

Third of a series of the safety alphabet is given this week by Police Chief Claude M. Worley as his contribution to the weekly school page of The Indianapolis Times, according to Lieutenant Frank Owen of the accident prevention bureau of the police department.

Many children are clipping the alphabet from The Times each week

and saving them to get the entire alphabet.

1-Is for injury  
If you will invite  
If you're not careful  
When you alight.  
2-Is for January  
First of the year,  
To make it quite happy  
From danger keep clear.  
3-Is for knowledge  
Or that which we know.  
It helps us be careful  
Wherever we go.  
4-Is for look out  
To see where we are  
And not to go running  
In front of a car.

## SECRETARY AIDS GIRLS AT Y. W. C. A. SCHOOL

Miss Ruth Milligan, Counsellor On Studies and Other Problems.

The countless problems of hundreds of girls at the school of the Young Women's Christian Association are being handled daily by Miss Ruth S. Milligan, educational secretary.

First it was registration, and then came the selection of courses.

Many girls were undecided as to which of the many courses offered would be best suited to them.

Miss Milligan gave them all a hearing and mapped out a plan for each. Now that the fall term registration is complete, she is turning her attention to other and equally important matters of the school.

The photograph is from the Drexler studio.
