

JACKSON NAMES
PLINY WOLFARD
TO TAX BOARD

Governor's Secretary Will
Succeed Brown; Storen
to Budget Group.

Following his custom of announcing appointments in the late afternoon, Governor Ed Jackson Thursday declared his secretary, Pliny H. Wolfard, will succeed John J. Brown on the state tax board and Representative William A. Storen, Scottsburg, will fill the vacancy on the state budget committee.

Brown, who has been chairman for the eight years (two terms) he has served as commissioner, will leave the office Dec. 1. Tax commissioners receive \$4,500 annually, but their budget request to the legislature this year asks the position be raised to \$6,000.

This would make the salary equal to that of public service commissioners, a position to which Jackson almost appointed Wolfard some weeks ago.

With Jackson to Statehouse Predictions that Wolfard would succeed Brown were being made generally on the grounds that it was the only major position which Jackson could "take care of him."

Something had happened to the plan to appoint Wolfard to the position held by Frank Singleton on the public service commission, and after Wolfard had received congratulations from close friends, Singleton's reappointment was announced.

Wolfard is from Newcastle and has been with Jackson at the statehouse since the latter was secretary of state. He formerly was a school teacher, and when Jackson became secretary of state and appointed him deputy, he was the Henry county Republican chairman. He is an officer of the State Savings and Trust bank here.

Wolfard's selection to the tax board will make William A. Hough, Greenfield, chairman, as he is the ranking Republican member. The third commissioner is Philip Zoercher, Indianapolis, a Democrat, whose term expires Jan. 1, 1931.

No Conference With Leslie Storen, a Democrat, succeeds to the place held by Addison Drake on the budget committee. Drake was a candidate for lieutenant governor on the Democratic ticket.

Other members of the budget committee, reappointed by Jackson, are Representative Samuel J. Farrell, Republican, Hartford City; Senators Luther O. Draper, Republican, Spiceland, and Thurman A. Gottschalk, Democrat, Berne.

Lawrence F. Orr, chief examiner of the board of accounts, and the Governor are ex-officio members.

Jackson failed to follow the usual custom of consulting the incoming Governor regarding appointments to places where service will be largely under the new regime.

YOUNG GENERATION
IS WELL DEFENDED

Annette Crawford of 'The Front Page' Company Claims
That Young Players of Today Are All Right.

ACTORS and actresses of the old repertoire and stock systems, who like to bemoan the passing of the "good old days" and point out the general shiftlessness of the younger generation of the stage, receive scant patience from Annette Crawford, to be seen in Jed Harris' production of "The Front Page" at English's for three days, beginning Thursday, Nov. 22.

That the present younger generation works as hard, learns as rapidly and will become as capable artistically as the past generation, is her emphatic opinion.

"Opportunity, of course, comes to the young players of today more quickly than a generation ago, because there are more theaters and more managers," says Miss Crawford. "The decline in the number of touring companies has been offset by the fact that the players are to be decorated with college colors. A number of stunts have been arranged to enliven the proceedings."

A program of collegiate syncretism has been prepared by Dick and his band, and the ballroom is to be decorated with college colors. A number of stunts have been arranged to enliven the proceedings.

Indianapolis theaters today offer: "The Silent House," at English's; "The Queen's Husband," at the Playhouse; vaudeville at the Lyric; "The Wedding March" at the Circle; Charlie Davis at the Indiana; "Revenge" at the Palace; girl revue and movies at the Colonial; "Fazil" at the Apollo, and burlesque at the Mutual.

Arrest Two; Seize Alcohol Police Thursday night arrested Edgar McMann, 37, and Carl Gross, 22, on charges of operating a blind tiger after a raid on their home at 120 North Noble street had netted six gallons of alcohol.

CLEAN KIDNEYS
BY DRINKING
LOTS OF WATER
Take Salts to Flush Kidneys
if Bladder Bothers or
Back Hurts

Eating too much rich food may produce kidney trouble in some form, says a well-known authority, because the acids created excite the kidneys. Then they become overworked, get sluggish, clog up and cause all sorts of distress.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, begin drinking lots of good water and also get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to flush clogged kidneys and stimulate them to activity; also to neutralize the acids in the system so that they no longer irritate, thus often relieving bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women taken now and then to help keep the kidneys and urinary organs clean, thus often avoiding serious kidney disorders.

Case Referred to Grand Jury grand jury for investigation today by Municipal Court Judge Paul C. Wetter. Detectives charged Ballard recently returned here after escape from a Tennessee prison, and is wanted here for automobile thefts and burglaries committed several months ago.
