VALUE

Pledge to the Public on Used Car Sales

- Every used car is conspicuously marked with its price in plain figures, and that price, just as the price of our new cars, is rigidly maintained.
- All Studebaker automobiles which are sold as CERTIFIED CARS have been properly reconditioned, and carry a 30-day guarantee for replacement of defective parts and free service on adjustments.
- Every purchaser of a used car may drive it for five days, and then, if not satisfied for any reason, turn it back and apply the money paid as a credit on the purchase of any other car in stock—new or used. (It is assumed that the car has not been damaged in the meantime.)

PERFORMANCE is the foundation of used car value—price alone is an uncertain guide. You can find no better way of judging the value of the used car you select than the five-day driving trial we give you under the terms of the famous Studebaker Pledge!

Graham Paige Victoria, 1928 model, 6-14. The beautiful dark blue car, has 6 disc wheels. Carries spares mounted on front fenders. Fully equipped. Been driven less than 500 miles. This car would not be out of place in a new car show room. You can buy it at a used car price. New car guarantee. Your old car in trade. Only one-third down, balance monthly.	Studebaker Regal Commander. A beautiful car, 6 wire wheels, side mountings. Fully equipped. Front rack, etc. Luxurious chase mohair upholstery. Been driven less than 6,000 miles. In appearance and performance this car is like new. A certified used car carrying new car guarantee. Sold originally at \$1,950. Sale price \$1,395. One-third down; your car in trade.	Dodge, 1928, Victory 6 Brougham. This wonderful appearing, snappy running Dodge was driven less than 5,000 miles, then traded in on a Studebaker. In every respect this car is like new. If you want a real bargain, take advantage of this offer. Only \$350 down, balance easy terms. You can trade your old car in on this one, too.
