

I. U. Cleatmen Determined to 'Beat Purdue' in Important State Conflict

Pagamen Reveal Aggressiveness in Workouts on Home Field.

FEAR PHELAN'S BACKS
Plan to Halt Boilermaker Ball Toters.

By Times Special
BLOOMINGTON, Ind., Nov. 22.—Head Coach H. O. (Pat) Page today was to send his Indiana university gridmen through a final hard work out in Memorial stadium, closing preparations for the Purdue clash at Lafayette Saturday afternoon.

Defeated in 1927 by the Boiler Makers, 21 to 6, and in 1928, 24 to 14, the Hoosiers are determined to bring home the bacon this year by complying with the campus chant of "Beat Purdue."

It is no secret in Bloomington that the Pagamen fear the Purdue back field. The lines of both teams are rather evenly matched but the Boiler Makers seem to have a slight edge in the back fields and the Hoosiers are making plans to stop the rambling of Welch, Harneson, Caraway and Guthrie.

Paul Harrell, the great triple threat star from Indianapolis, probably will be unable to see action Saturday and the back field roster will be taken care of by Balay, Ross, Bennett and Hughes.

The probable starting lineups Saturday are:

INDIANA	PURDUE
Weaver.....L. E.	Rutten
Under.....L. G.	Hook
Ringwalt.....L. G.	Hook
Brindley.....R. E.	Olson
Catterton.....R. E.	Gretchen
Shields.....R. T.	Galtich
Balay.....R. T.	Mackey
Bennett.....R. T.	Harneson
Ross.....R. T.	Welch
Hughes.....R. T.	Guthrie
	Caraway

Sayers to Fight Chuck Wiggins in Cadle Arena

Tom Sayers, Detroit heavyweight, has been obtained to battle Chuck Wiggins in the feature ten-round scrap at Cadle tabernacle Thanksgiving night, Promoter Richardson announced late Wednesday. Sayers takes the place of Garfield Johnson giant Negro, the city boxing commission having ruled against the staging of "mixed" matches.

Wiggins is training at the Atherton gym, Delaware and Ohio streets every afternoon at 3. Chuck says Sayers is the type of fighter who keeps "walking in" and he wants to be prepared, for it is the aggressive boxers who give the Hoosier trouble. Ehrman Clark, who scored a knockout at the last Cadle show, will perform in the semi-wind-up Thanksgiving.

In session late Wednesday, the city ring commission decided to start all local boxers, promoters and referees with a clean slate with the warning that everybody must give their best from now on in or face suspension.

WELL-KNOWN NEWS VENDOR INDORSES THE NEW KONJOLA

States That Advanced Medicine Is Reliable Remedy for Completely Disordered Stomach.

Reports of what Konjola has done in actual cases are appearing every day in the Indianapolis papers, and at the same time, vast crowds are calling daily at the Hook Drug Store, Illinois and Washington Sts., this

city, and interviewing the Konjola Man, where he is personally explaining the merits of this new medicine.

Another surprising statement has been received which shows more clearly what Konjola is doing for sufferers in this vicinity. The statement came from Mr. Thomas McGraw, who has a host of friends in this city. Mr. McGraw is a news vendor on the northwest corner of Illinois and Washington Sts. and has been engaged in this work for more than seven years. He resides at 1338 W. Thirty-Third St.

"I am very glad to recommend Konjola to my numerous friends as it has certainly proven a great medicine for me," said Mr. McGraw. "It would be impossible for me to say too much for a medicine which has done what Konjola has for me. It has made it possible for me to return to work after being forced to remain at home for several weeks."

"I suffered from the worst kind of stomach trouble possible and it seemed to be that I was always in misery. There would be a terrible gnawing sensation in the pit of my stomach which I thought came from hunger, but when I tried eating anything, the food always caused more trouble than it did good. Awful gas bloating came over me after every meal and although I was very careful about the foods, my digestive organs simply refused to act normally upon them. This trouble kept on for more than four years until I was finally forced to go to a hospital for treatment. Although this helped me somewhat I did not get complete relief and as a result, I thought my case was practically hopeless."

"When I left the hospital and returned to my home, I started on the treatment of Konjola. I realized I was in a bad condition so I did not expect too much from this medicine at the start. I had confidence in it and kept right on until I noticed a vast improvement. Although it took some time, I finally overcame my trouble and now I am working my newspaper business at my corner every day—careless of weather conditions. There is not a trace of stomach trouble remaining with me and I feel sure the relief is permanent. I really know that Konjola has improved my health in every way and I am more than willing to endorse it so that others may benefit by my experience. I am able to eat foods that I always desired and enjoy the meals so that I have more strength and energy than ever before."

The Konjola Man is at Hook's Drug Store, Illinois and Washington Sts., Indianapolis, where he is daily meeting the public and introducing and explaining the merits of this remedy. Konjola is sold in every Hook Drug Store in this section and by all the leading druggists throughout this vicinity. Advertisers.

Clinton and Froebel H. S. Elevens Have Great Records This Season

Western and Northern Teams Undeclared and Untied; Kirklin and Shortridge Also Have Clean Slates.

BY DICK MILLER

The Indiana high school football season is on the verge of closing and strange as it may be there is not a host of undefeated teams to assert claims to the state championship.

Clinton, a powerful team in the western part of the state, is one of the six undefeated elevens at this time. They won the title of the high school Big Ten last Saturday when they defeated Linton, 18 to 0. Clinton is called the "Kelly Kids" after the coach, Paul "Spike" Kelly. To win the title Clinton defeated Elwood, Muncie, Central of Evansville and Linton. Other schools in the conference are Emerson of Gary, South Bend, Marion, Technical of Indianapolis, Logansport and Kokomo.

Fine Valley Record
Clinton is tied with Lawrenceville, Ill., for the championship of the Wabash valley. Both teams are undefeated in that conference and Clinton challenged Lawrenceville, but was turned down. Clinton has but one game left in the valley league, with Brazil on Thanksgiving. The Clintonians are favorites to win by a wide margin. There are three undefeated teams in the northern Indiana conference.
