up like jelly roll about two inches in diameter, showing alternate layers of white and chocolate. Set dough in ice box for several hours to become firm. Cut in thin slices and lay cut side down on cookie sheet or pan and bake. Bake twelve minutes, in 350 F. moderate oven. Makes about five dozen cookies two inches in diameter.

### Macaroni Dressing

One package macaroni, 4 table-spoons melted butter, two eggs, 4 to 6 small onions, chopped fine; 2 teaspons paprika, 2 teaspons salt and 2 teaspons poultry seasoning.

Cook macaroni eight minutes, drain, and add butter, eggs well beaten, onions and other season-

ings. Stuff turkey loosely. A twelve-pound turkey required three times this amount. This will not get soggy as bread dressing sometimes does.

### Liver Sausage

Take equal parts of hog liver and fat pork and grind in sausage mill or vegetable grinder. Season with salt and pepper, make into thin cakes, flour and fry. This is much better than when liver alone is used.

MRS. THOMAS HERRON,  
R. R. 6, Jamestown.

### Mexican Steak

Select a good round steak. Pound, then butter, flour, salt and pepper, both sides of the steak. Put 3 table-spoons fat in skillet and allow

to get very hot. Drop steak in grease and brown on both sides. Chop one medium sized onion and green pepper fine and spread over steak. Pour cup hot water in skillet and place in oven to bake 45 minutes. Mix 1/2 cup grated cheese with one rice, hard boiled egg. At end of 45 minutes pour this over steak. Return to oven and brown.
