

YOUTH ADMITS SLAYING COUPLE TO GET MONEY

Trailed Through 'Sweetie'
to Own Home; Found
in Attic.

CANTON, O., Jan. 9.—Captured in Newcastle, Pa., Edward Kaltenbaugh, 21-year-old Grove City (Pa.) boy, confessed to police early today that he murdered John Oser, Canal Fulton dairyman, and his wife, Bertha, last Saturday night. The boy was taken into custody late Tuesday night by a group led by Deputy Sheriff A. B. Ball of Canton.

Kaltenbaugh, who had been employed at the Oser place until Saturday, was returned to Canton today.

Girl Leads to Arrest
Robbery was his sole motive, the youth said.

His downfall was brought about by a Newcastle girl, Gladys Esty, 18, who, he told Ball, "was his sweetie."

Eddie was trailed to Newcastle and later to the home of Miss Esty, with whom he spent two hours Monday night.

From the Esty home Ball and fellow-officers went to Kaltenbaugh's home. Refused admittance by the boy's mother, the officers forced their way into the house and found Kaltenbaugh hiding in the attic.

Oser was shot down as he worked in his milk barn. His assailant then crept up to the house, two hundred feet distant, and fired at Mrs. Oser, who was preparing herself and their 1-year-old baby for bed.

Batters Down Door
The first bullet missed the woman and she slammed and bolted the door.

The killer battered down the door, killed Mrs. Oser and dragged her body to a spot back of the farm garage where it was later found, frozen.

Kaltenbaugh's alleged confession told how he had seen the dairyman carrying large sums of money. After the slaying he searched the farmhouse but found only \$20.

BLIND PASTOR WEDS CHURCH PUPIL, 11

Marriage Branded 'Crime'
by Welfare Worker in
Illinois Town.

By United Press
CARBONDALE, Ill., Jan. 9.—The late of Carbondale debated heatedly today the marriage of a blind, 54-year-old Pentecostal minister and one of his faithful Sunday school pupils, said to be only 11 years old.

The Rev. Joseph Benton, sightless for the greater part of his life, was married last week to Selinda Glen-dennin. In obtaining the license Selinda gave her age as 17, but school-mates declared she was only 11.

Opponents of the marriage charged the minister had exerted religious influence to gain marriage consent of his child-bride.

Mrs. Minnie Smith of the Illinois Children's Home and Aid Society declared the marriage a "crime."

Others, members of Benton's church, contended the marriage was proper and denied charges that Mrs. Benton was only 11.

FLAMING BLAST DESTROYS HOME

Chicago Gang Blamed for
Crime in Indiana.

LONG BEACH, Ind., Jan. 9.—The summer home of John H. Tyrrell, Chicago lawyer, was destroyed by fire here today, believed to have originated from a bomb tossed by Chicago gangsters.

Just prior to the fire, neighbors said they heard a blast, which shattered windows, ripped pictures from walls and tore doors from hinges.

No one was in the house at the time of the explosion, as Tyrrell makes his home in Chicago during the winter.

Loss is estimated at \$15,000. Local authorities said, the lawyer

had been involved in Chicago politics and that they blamed gangsters for the blast. An investigation revealed that gasoline had been poured around the house foundations. Long Beach is a summer settlement frequented by Chicago residents.
