

two **STURDY - RICH MOTOR OILS**

Polarine - Iso-Vis

WHICH do you favor? Both are good motor oils—rich and sturdy. Both meet the new motoring conditions of engines running hotter because of higher compression and faster driving.

Polarine has a record of twenty years of outstanding service. Many thousands of motorists demand it wherever they go. If you want a smooth running motor—use Polarine—drain and refill your crankcase every five hundred miles.

Iso-Vis is newer. No other oil like it. It has a constant viscosity. It will not break down—it will not thin out—it lubricates faithfully and well all frictional surfaces. It wears and wears and wears!

Many Iso-Vis enthusiasts drive for a thousand miles or more without changing oil. Iso-Vis is as efficient on the last mile as on the first.

The Standard Oil Company [Indiana] recommends both. *Which do you favor?*

*At any Standard Oil Service Station
and at most garages*

STANDARD OIL COMPANY
(Indiana)

INDIANAPOLIS, INDIANA

For quick service use air mail.
