## How Do You Judge Values?

Some people foolishly judge values by the price alone. They don't know furniture, hence they judge by price. This can not be done at the Kirk Stores. For here quality runs ahead of the price. Here you are sure to get for LESS money the same quality you are used to buying.

**Indiana's Greatest Furniture Stores**

## Footstools

The values of values—choice of a vast assortment of colors, Jacquards—Velours—Damasks and some mohairs—while they last—
