

REEMENT ON ROADS TO AIR FIELD SOUGHT

Mayor L. Ert Slack today suggested closing of Raymond Street, Widening of Banner.

City and county officials today agreed on plans for roadways to the municipal airport, southwest of the city, and improvement of several highways near the city limits.

Mayor L. Ert Slack outlined a plan for closing Raymond street at the north line of the new airport grounds. Slack said the triangular piece of land on the north edge of the field would be given over to industrial interests, "which, we anticipate, will locate there."

Plan 1000-Foot Entrance

The city suggested a plan to open Banner avenue from the National road to the airport as a 100-foot roadway for a north entrance to the field.

City and county engineers and attorneys will discuss the plan and work out the solution.

Included in the airport road program is the proposal of the city to extend West Morris street along the south side of the T. H. I. & E. Traction Company tracks from High School road, west, within a few blocks of the airport entrance.

County to Do Work

The conference decided that the city will "disannex" East Thirty-eighth street from Eastern avenue east to Emerson avenue and that the county will improve this section. The city will improve and provide sewer and drainage facilities for the street from Sutherland avenue to Eastern avenue.

An agreement also will be worked out for paying College avenue from Sixty-third to Seventy-first streets and Lafayette pike from the Speedway road past the Municipal gardens, formerly Casino gardens.

CONSIDER PARK SITE

Mayor L. Ert Slack today expressed himself as not arbitrarily "favoring" the purchase of the Fletcher estate for a municipal park.

"While I expressed what were the strong points in favor of buying the tract, I did not mean to go on record as saying that I favored its acquisition by the city. We can use it, but whether we can afford to buy is another question."

The proposition was to be brought before the board of public parks late today for consideration on the buying of the land for \$800,000, securing ninety-nine-year lease, or indefinite postponement.

RAIL! PUSHMOBILE KING

Side Crowns Champ of Tiny Car Course.

John Kennedy of the Del Prado team, Washington boulevard, today won the pushmobile championship of the north side. Kennedy won Monday afternoon sponsored by the merchants around Forty-ninth and Delaware streets. The car he pushed to victory is owned by Gus Jackson.

Second place was awarded Carl Rath of 208 South Audubon road. Merchants in the neighborhood awarded the prizes.

ONE RUM SALES AIRED

Many Ships Sell Liquor in Canal Territory, Italians Charge.

By United Press
BALBOA, Canal Zone, July 2.—The charge that a number of ships have been accustomed to selling liquor in the Panama Canal Zone was made by M. Pincherli, agent for an Italian shipping line. In a protest to Governor Harry Burns against the arrest of a master employed by his line. The master was charged with selling liquor.

NEWSPAPER MEN FETED

Indianapolis newspaper men were guests of Broad Ripple Amusement Company at the annual "pencil-pushers" dinner in the park dance pavilion Monday night. M. M. Mahoney, park manager; Frank A. Holmes, promotion sales manager, and William Lincoln, publicity director, were among park representatives at the event.

SWALLOWS KEROSENE

Floyd Hawk, 2-year-old son of Mrs. Edith Hawk, 222 South Temple street, is recovering today in city hospital from effects of a small amount of kerosene he swallowed Monday.

The mother said she used a part of a glassful of oil and placed the remainder in the glass on the floor where the child grasped it.

Asks Millions

George Morgan is just an innkeeper in Meriden, Conn., now, but he may become one of the world's richest men. Morgan claims to be a direct descendant of Sir Andrew Chadwicke and has started legal action to prove his right to Sir Andrew's \$50,000,000 estate now held in the English chancery courts. Morgan points to his resemblance to Sir Andrew and claims he is a descendant in the sixth generation.

JUNE SUNNY MONTH

Rainfall Heavy. Temperature Below Normal.

Despite June's abnormally heavy rainfall, the month was brightened with an unusual amount of sunshine, the weather bureau's report for the month showed today.

During the month, 5.36 inches of rain fell in Indianapolis, as compared with 3.62 inches normally. Percentage of sunshine was 78 as compared with the normal 66.

Temperatures ranged from 40 degrees on the third to 90 on the eighteenth for an average of 69.6 as compared with the normal 71.6.

Although heavy, the rainfall was below last June, forty-six-year high record, 8.77 inches.

C. M. T. C. INSPECTED BY CORPS OFFICERS

General Nolan and Staff Review Ft. Harrison Companies.

Major-General Pennis E. Nolan commanding the Fifth corps area; Colonel William H. Waldron, chief of staff; Captain Frank Allen Jr., aide, and a board of Tenth infantry officers from Ft. Thomas, Ky., who Monday inspected the cadet regiment of the Citizens' Military Training Camp, Ft. Benjamin Harrison, returned to their posts today. Inspection of the regiment was delayed several hours because of a soggy parade ground. General Nolan visited Governor Harry Leslie and had lunch with Adjutant-General William H. Kershner.

Following inspection, the cadet corps went through machine gun and pistol drills, and held a formal parade in the evening. Another parade was scheduled for this afternoon.

Marriage Record Set
MARION, Ind., July 2.—A total of seventy-three marriage licenses were issued during June by the Grant county clerk, breaking a record of twenty-five years' duration.

SIX INJURED IN AUTO ACCIDENTS

Two Pedestrians Run Down by Cars.

Coming suddenly upon the scene of an automobile crash one mile north of Traders Point, on United States 52 highway early today, W. O. Camden, 45, of 930 Broadway, swerved his machine into a ditch at the side of the road and struck Mike Grimes, 33, New Augusta, Rural Route 1, throwing him into a barbed wire fence.

Grimes sustained scratches, cuts and bruises which city hospital attendants say are not serious. Martin Wehinger, 77, of 916 South Delaware street, is recovering from injuries received when he was struck by an auto driven by Ralph Winkley, 28, of 834 West Twenty-Ninth street, as he stepped into the street from behind a pillar under the Pennsylvania railroad elevation at Madison avenue Monday night.

Four persons were slightly injured when two automobiles collided at Eastern avenue and Washington street Monday night. They were: Mark L. Hale, 34, of 3720 East New York street, driver of one machine; his wife, Dorothy, 26; Mrs. Louise Hale, 79; and Miss Dora Hale, 50.

Five passengers in an Indianapolis Street Railway motor bus escaped injury when Carl Walters, 2500 North Rural street, driver, crashed it into a barbecue stand at Lyndhurst drive and National road Monday night to avoid a collision with an automobile.

MISSING TWO MONTHS

More than two months after he is said to have disappeared, Mrs. Fern Minard, 536 East drive, Woodruff Place, today reported her husband, Gordon, 44, as missing. He walked away from his home April 29, and has not returned, she said.

Prescription He Wrote in 1892 is the World's Most Popular Laxative

When Dr. Caldwell started to practice medicine, back in 1875, the needs for a laxative were not as great as they are today. People lived normal, quiet lives, ate plain, wholesome food, and got plenty of fresh air and sunshine. But even that early there were drastic physics and purges for the relief of constipation which Dr. Caldwell did not believe were good for human beings to put into their system. So he wrote a prescription for a laxative to be used by his patients.

The prescription for constipation that he used early in his practice, and which he put in drug stores in 1892 under the name of Dr. Caldwell's Syrup Pepsin, is a liquid vegetable remedy, intended for women, children and elderly people, and they need just such a mild, safe, gentle bowel stimulant as Syrup Pepsin.

Under successful management this prescription has proven its worth and is now the largest selling liquid laxative in the world. The fact that millions of bottles are used a year proves that it has won the confidence of people who needed it to get relief from headaches, biliousness, flatulence, indigestion, loss of appetite and sleep, bad breath, dyspepsia, colds and fevers. Millions of families are now never

QUOTA FOR MEXICAN IMMIGRANTS OPPOSED

Senator David Reed Says Law Might Cause "Complications."

By United Press
WASHINGTON, July 2.—Senator David Reed (Rep., Pa.), chief senate defender of the national origins clause of the immigration act, announced today his opposition to placing Mexican immigration on the quota basis at this time. In a letter to Captain John B. Trevor, chairman of the American Coalition of Patriotic Organizations, Reed said that to place Mexican immigration on a quota might have "serious international implications and result in diplomatic and legislative difficulties."

BOY RULES IN FATHER'S FAVOR

Judge Heeds Child's Wish, Decides Against Mother.

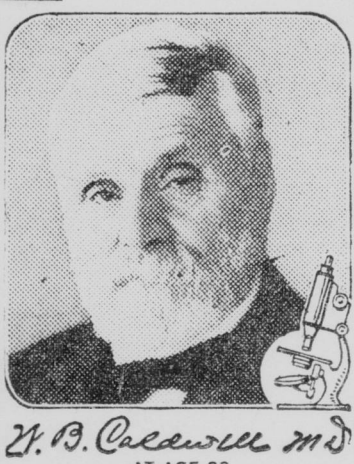

George Reiss, 9, was back in Kokomo today with his father Michael Reiss, with whom he chose to live Monday afternoon when Superior Judge James M. Leathers let him make a selection between his father and his mother, Mrs. Anna Martin, 3618 Creston drive.

The boy's statement that "I want to be with my father" settled a search and court litigation of seven years.

Reiss and the lad's mother were divorced in 1922 and, on one of his Sunday visits with the boy, Reiss took him out of the city. Mrs. Martin did not see her son again until last week when Reiss was brought before Leathers on a bench warrant charging him with violating the court's order.

Leathers instructed Reiss to pay Mrs. Martin \$750 in support money.

Frank Reiss, president of the Reiss Manufacturing Company, Kokomo, brother of the boy's father, said he is interested in the youngster and that he would aid in financing a college education for the boy.

J. B. Caldwell, M.D.
AT AGE 83

without Dr. Caldwell's Syrup Pepsin, and if you will once start using it you will also always have a bottle handy for emergencies.

It is particularly pleasing to know that the most of it is bought by mothers for themselves and the children, though Syrup Pepsin is just as valuable for elderly people. All drug stores have the generous bottles.—Advertisement.

At last! . . . A cereal that really stays crisp

Now for the first time . . . the choicest food values of wheat, oats and corn . . . in one delicious ready-to-eat cereal. It took 17 years of research to find the secret of blending them. To perfect this process which blends in one perfect whole, the protein, carbohydrates, and energy values of these three great grain foods.

This newest cereal is called Quaker CRACKELS. Remember the name. For you will want to delight your family in the morning with a flavor they've never tasted before. The sweetness of wheat, the nutmeat taste of oats, the smooth mellowness of corn . . . in one delectable blend.

This new "three grain" cereal never needs recrisping before serving. It stays crisp in the box, in spite of damp weather. Stays crisp in your dish, in spite of milk and cream. You'll like Quaker Crackels. Your children will delight in them. Try them for breakfast tomorrow morning.

QUAKER CRACKELS

Even with your favorite fruit . . . Quaker Crackels stay crisp
