

WFBM GIVES POLICE USE OF ALL APPARATUS

Offer Will Save \$15,000 in
First Year's Cost of
System.

The campaign to procure radio equipment for thirty-five police squad cars went forward today with added impetus as a result of the offer of Station WFBM to donate the use of its 500-watt emergency station for the broadcast of police calls.

This offer of the Indianapolis Power and Light Company, owners of the station, means a reduction of \$15,000 in the budget necessary to establish and operate the system the first year.

Announcement of the offer was made at a dinner tendered by the Associated Employers of Indianapolis and the Chamber of Commerce at the Chamber of Commerce Thursday night to members of the citizens' police radio commission.

Ask Special Wave Length

Application for a special wave length below the regular broadcasting band for the station has been filed with the Federal Radio Commission by Police Chief Claude M. Worley.

The Indianapolis Power and Light Company will provide the apparatus and lend the labor maintenance.

The commission is to provide the licensed operators for continuous service and bear cost of \$500 for adapting the transmitting equipment to lower wavelength.

Allen Named Head

The commission elected Andrew J. Allen, secretary-manager of the employers' association, as permanent chairman; D. J. Angus, as vice-chairman; Harmon E. Snore, as secretary, and Frank D. Stalnaker, president of the Indiana National bank, as trustee of the radio fund.

Radio talks were made by Mayor L. Ert Slack, Worley and William L. Potts, Detroit police inspector, who explained the system in that city.

Committee heads appointed by Allen include: Finance, Frank D. Stalnaker; advisory rules and procedure, Emerson W. Chaille; technical and equipment, Donald J. Angus, and publicity, Allen.

MOVE TO GET ALLEGED BANDIT

County Seeks Extradition From Denver.

Marion county prosecuting authorities today took steps to have Alfred J. Oliver, alleged bandit, returned here from Denver, to face charges of robbing the Irvington State bank, Jan. 8.

Oliver, who was arrested in Colorado as a suspect in the Lamar, Colo., bank robbery, was to file a writ for habeas corpus today before the Denver court seeking his freedom there and to balk efforts to have him extradited to Indiana.

Indianapolis police today said they believed Oliver was one of the four bandits who strolled into the Irvington bank and obtained \$21,000 at the point of guns.

The habeas corpus writ was to set out that Oliver was working as a real estate agent in St. Louis at
