

# MANAGER SLATE IS APPROVED BY CITY REALTORS

Board First Civic Group to Officially Back League Ticket.

The Indianapolis Real Estate Board, the first civic organization to go on record favoring the city manager form of government for Indianapolis, today endorsed the Indianapolis City Manager League ticket in the fall election.

The realtors are the first to voice public approval of the six men and one woman who have the league support at the polls, Nov. 5.

A resolution of approval of the slate made public by the league Wednesday was adopted by the realtors Thursday at luncheon at the Chamber of Commerce building, following an address by Frank E. Gates, former real estate board president and executive committee-man of the league.

The resolution was presented by Joseph Schmidt, realtor, following Gates' talk and a plea for united support from Edward J. Barker, realtor.

Gates reviewed the five-year fight of the league for business-like city manager government, pointing out that the league endorsed seven persons who are in sympathy with the manager form and capable of getting "best results" under that form of government.

"Beware of the independent candidates," he said. There will be many good candidates in the field but they do not have the league's ideals or they would not become candidates in opposition to the manager ticket.

To Interest Women  
The Council of Women formed by Mrs. Huebner Olsen, to advise the women's division workers, will hold meetings each Thursday. The council will direct its activities to the housewives and professional women, who have not, heretofore, participated in elections.

"We have work for all the women of the city. There is a task for everyone willing to help in this good government," Mrs. Olsen said.

Miss America Hoagland, of the Diamond Chain and Manufacturing Company, will direct the organization of city manager clubs in factories.

Mrs. Francis Wands, chairman of the Woman's Department Club city manager committee has been named to organize clubs in downtown stores. Another organizer will be named to conduct the work in downtown office buildings.

TARIFF BATTLE MAY LIBERATE PHILIPPINES  
Senator King Warns Against Limiting of Imports.

WASHINGTON, Sept. 6.—A fight for independence of the Philippines may grow out of the tariff battle in the senate if sugar interests attempt to limit free imports from the islands, Senator King indicated today.

King said he immediately would introduce a resolution to grant such independence if any attempt is made to limit free trade.

King's resolution would call for a constitutional convention, certain naval concessions, a presidential proclamation declaring Philippine independence, withdrawal of all troops and armed forces from the islands and turning the insular possessions over to the natives for all time.

## Directs Bureau

Lawrence G. Holmes, 32, above, of 3046 North Delaware street, has been appointed speakers' bureau director for the Indianapolis City Manager League campaign. He is a former Indianapolis newspaperman and has operated an advertising and publicity bureau in Florida for several years.

## PUPILS ARE WARNED

Pre-School Safety Plea Is Made by Authorities.

"Educate school children to their responsibilities as future motorists," warned Police Chief Claude M. Worley, Sheriff George L. Winkler, and the Hoosier Motor Club today in the annual traffic warning relative to the re-opening of Indianapolis schools Monday.

"Each year an increased number of children from 5 to 6 must face dangers incident to school attendance and as the number of school children increases, so the dangers of traffic increase," Todd Stoops, secretary-manager of the motor club, said.

"At the same time, each year is graduated a fresh crop of motorists. Let them be trained in the science of safety."

Worley and Lieutenant Frank Owen, head of the accident prevention bureau have promised their aid in safety instruction, he said.

Aviators Burned to Death  
PITTSBURGH, Sept. 6.—Two aviators were burned to death Thursday night when their airplane crashed at Rodgers field. The men killed were Charles Tygard, 25, of Dormont, and Leo E. McElligott, 25, of Butler.
