

TWO SERIOUSLY HURT IN CITY AUTO MISHAPS

Fourteen Others Injured; Eight Suffer in Truck Accident.

One woman and a Negro are in a critical condition and twelve other persons are suffering from injuries as a result of auto accidents in the city this morning and Tuesday night.

Struck by an automobile as she stood in a street car safety zone at Pine street and Virginia avenue, Mrs. Goldie Thomas, 35, of 1407 Churchman avenue, suffered a skull fracture, broken arm and a fractured leg.

Albert Simpson, 42, Occidental hotel, driver of the car, was charged with drunken driving and assault and battery. City hospital attendants said Mrs. Thompson's condition is critical.

Eight Negroes Hurt
Eight Negroes were injured, one perhaps fatally, when a truck and light sedan collided and overturned at Forty-ninth street and Central avenue today.

The injured:
Singor Payne, 609 North Senate avenue, chest crushed, head injured; Ed Fleming, 30, of 1514 North Senate avenue, and William Davis, 40, of 609 North Senate avenue, internal injuries; Ed Perry, 407 East Smith street; Albert Joyce, 1030 Hadley avenue; Steve Hampton, 1018 Hadley avenue; Clarence Jones, 1115 East Fifteenth street, cuts and bruises; and Herbert Kissel, 1042 North West street, internal injuries. All were taken to city hospital.

With four white men they were riding in a Freyn Brothers Plumbing Company truck to work at the Blind school, Fifty-sixth street and College avenue. Wenzel Kautsky, 42, of 627 East Fifty-fourth street, drove the truck.

Driver Is Arrested
C. H. Hayden, 330 Harvard place, driver of the sedan, was arrested on a charge of failure to stop at a preferential street. Kautsky said Hayden failed to stop at Central avenue.

Mrs. Emma Falke, 68, of 2051 Ruckle street, suffered a broken arm when struck by an auto driven by John Rentschler, 47, of 3620 Birchwood avenue, at Fall Creek boulevard and Central avenue.

Others injured were: T. J. Daily, 65, of 2801 Sutherland avenue, leg injury when struck by a taxi cab; Clifford Mourning, 7, of 1064 Hosbrook street, cut and bruised; Daniel McQuary, 24, Whiteland, cuts and bruises; and Frank Bahr, 69, Perry, Mo., head injury.

PRESBYTERY TO BAR WOMEN AS BISHOPS

Feminine Members Can Be Elders, Session Here Rules.

Women in the Presbyterian church may be elders, but they can not rise to rank of bishop, according to a ruling of the Indianapolis Presbytery in session at the Irvington Presbyterian church.

Appointment of women elders was approved by the presbytery Monday afternoon in passing on several questions referred by the last general assembly.

Corporation property should be held in trust by the congregation and not for the Presbyterian Church of the United States and the right of the assembly to dictate qualification of religious education was denied, the conference decided. The 1930 conference will be held at Boggsstown.

DESIGN SWIFT LINER

NEW YORK, Sept. 18.—A new liner, designed to be faster than the Bremen and larger than the Mauretania, is to be built for the French line, according to Maurice Tillier, managing director of the line. The keel will be laid at St. Nazaire in October or November.

TRY THESE CARROTS FOR JADED APPETITES

Hard to Resist the Flavor When Cooked This Appetizing Way

A well-known woman cooking authority, realizing the importance of vegetables in the diet, has worked out this new recipe for *Flemish Carrots*:

Scrape 18 young carrots and slice lengthwise into thin strips like matches. Melt 6 tablespoons butter. Add carrots, 1 tablespoon sugar, 1 teaspoon of chopped parsley, and salt. Cover the pan and let simmer until tender, about 20 minutes, turning frequently with a spoon. Add cream, stir well, heat and serve.

Remember the importance of vegetable foods in the daily diet, and profit by the old secret discovered by four famous women cooking experts. Add a dash of sugar to each vegetable while it is cooking. The little sugar works wonders for freshness, color and taste.

Sugar is the supreme condiment for developing the delicate, natural flavors of fruits and vegetables so that children and adults will be tempted to eat variety. The balanced diet is so important in promoting health that it is well to serve stewed and fresh fruits daily. If your family does not drink enough milk, serve milk shakes, egg-nogs and milk desserts, such as junkets and custards. Add a dash of sugar to cooking cereal to develop its flavor. Serve cakes and cookies containing chocolate or cocoanut, ices and ice creams, canned berries and fruits, or candy for dessert. A bit of sweet makes the meal complete. The Sugar Institute.
