Fight on Choice for California Post to Be Continued.

By Scripps-Howard Newsmaner Alliance
WASHINGTON, Nov. 22.—The special session of congress will ad-

join without acting on the nomination of Alf Oftedahl to be collector of internal revenue in President Hoover's own state.

Oftedahl's name was sent to the senate early in September by Hoover. Senator Hiram Johnson and the American Federation of

Labor together have opposed confirmation. Oftedahl is slated to succeed a Johnson appointee, John P. McLaughlin, who has held office since 1920. He has the support of the Anti-Saloon League in California, and of Senator Sam Shortridge.
