LODGE TO FIGHT COURT RULING

Woodmen to File Appeal in
Insurance Case.

By Times Special
VALPARAISO, Feb. 17.—Modern Woodmen lodge members of this city plan to protect their fraternal rights.

The lodge has voted to finance an appeal from Lake circuit court concerning Judge E. Miles Norton's decision in case of Mrs. Clara Phillips of Valparaiso, against Modern Woodmen lodge James Phillips and Rose Stevens of Hobart.

Norton held an insurance policy of \$2,000 on Alva M. Phillips, who died recently, should be paid to his second wife, Mrs. Clara Phillips, instead of Phillips' children, basing his ruling on a pre-nuptial contract between Phillips and his second wife.

Lodge officials contend the pre-nuptial contract not binding because of a clause in the policy rendering null and void any change in beneficiary based on contract. Woodmen officials say they will carry the case to the highest courts, if necessary.

Don't Go to Extremes to End Constipation

When bad breath, or a coated tongue, biliousness or headaches warn of constipation, don't take violent purgatives. There's no use when candy Cascarets will stop the trouble in a jiffy; will cleanse your system pleasantly, and completely.

The relief you get so promptly from Cascarets is lasting. Cascarets are made from cascara, a substance which medical authorities agree actually strengthens the bowel muscles.

So Cascarets are a blessing to old folks with weakened bowels; to children; to any one in need of establishing regular bowel habits. Ten cents a box—all drug stores.—Advertisement.
