

## ORATORY FLOOD IS STARTED IN VOTE CAMPAIGN

Both Parties Arrange Many  
Rallies as Election Date  
Approaches.

Biennial barrage of appeals for votes started with redoubled energy today as Republicans and Democrats began the last three weeks of the campaign.

"Our problem isn't so much to get votes as to hold votes," declared one of the important Republican organization figures.

Appeals "to support the President" made in speeches by Vice President Charles Curtis and Senator Simon D. Fess, national committee head, struck no great responsive chord in Indiana, Democrats assert.

The roster will begin its crowing Wednesday night over a state-wide hook-up connected with headquarters here, when E. Earl Peters, state chairman, will introduce candidates, and Paul McNutt, convention key-note, will let loose fifteen minutes of verbal pyrotechnics.

**Hyde to Stamp State**  
All county organizations will hold rallies that night and receive the radio program.

This radio-broadcast is the signal for opening of a series of state and local meetings.  
Republicans have arranged a series of important meetings for the week with the most powerful national and state oratory at the microphone. Agriculture Secretary Hyde will stamp the state during the week.

The program includes:  
Senator Arthur R. Robinson, Liberty, 7:30 p. m.; John J. Brown, New Paris; Franklin W. Dunlap, assistant secretary of agriculture, Huntington, at 8 p. m.

Tuesday—Senator James E. Watson, Terre Haute, broadcast at 7:30; Robinson and Miss Mary Smith, Rushville, 7:30; Colonel W. L. Harding of Iowa, Gary; Emory P. Branch, Morgan county; Dunlap, Logansport, noon and evening.  
Wednesday—Robinson, Harry Nichols and Scott Thompson, North Vernon, 2; Lieutenant-Governor Edgar D. Bush, North Judson, 4; Harding, Valparaiso, Branch, Huntington, 7:30; Dunlap, Auburn, 8; Thursday—Dunlap, Indianapolis, 1:30; Evansville, 8; Frederick Landis, Portland; Hyde, Lebanon, 2; Senator Fess, Indiana state teachers' convention, Indianapolis; Harding, Culver; Bush, Gary; R. N. Elliott, Bedford.

Friday—Hyde, Marion, 8; Robinson, Knox; Dunlap, Canaan, 6.  
Saturday—Hyde, Rich, 4; Robinson, South Bend.

Sixty precinct, W. and county meetings have been arranged for the week in Indianapolis, according to Clyde E. Robinson, G. O. P. county chairman.

**Meetings Scheduled**

Democrats are pointing to the inequities and corruption of Cofin domination of the courthouse and are gaining headway, they declare. Nightly broadcasts pointing out various instances of misgovernment that are matters of record will be continued by the Democratic county committee.

State Democratic meetings scheduled for the week are:

Tuesday—Jasper and Tell City, afternoon and evening; McNutt, Auburn, 6:30 p. m.; L. E. Slack, Kokomo, 8:00, Albert Stump.

Wednesday—Indianapolis broadcast, 7 to 7:30, Columbus, 9:00, McNutt; Muncie, 6:30, Walter Myers.

Thursday—Kokomo, noon, McNutt; South Bend, evening, McNutt, and Shelby county, all day, Earl Crawford.

Friday—Shelby county, all day, Crawford; Tenth district, all day, McNutt.

Saturday—Washington, 7:30, Evans Woolen; Brownstown, evening, Myers, and Tenth district, all day, McNutt.

**125 NEW FILMS**  
**ARE READY FOR**  
**WINTER SEASON**

**Movie Producers Worried**  
**About How to Regain**  
**Lost Attendance.**

**BY DUANE HENNESSY,**  
United Press Staff Correspondent  
HOLLYWOOD, Oct. 13.—The new season's program of motion pictures is about to be released and there is plenty of worrying being done around the Hollywood studios concerning which of the producers will turn out to be the best guesser of what the public wants.

Business hasn't been any too good. For a time there was a 40 per cent falling off in attendance at theaters throughout the country. Since Sep. 1, an improvement of about one-half has been shown.

There are approximately 125 pictures ready for release or nearing completion, a check of the nine leading studios showed today. With them rests the task of building up attendance again.

**Indication for Future**  
They will indicate whether the lessened attendance of the last few months, after the novelty of the talkies wore off, is what must be accepted as the future average.

With the exception of Charlie Chaplin's "City Lights," all the pictures for the season produced by the leading studios are talkies. They show that:

1. Light comedy and so-called social and sex dramas are favored.

2. While musical comedy picture decline has been widely heralded, fifteen are in production.

3. Outdoor pictures are steadily regaining favor.

4. World war pictures almost are disappearing.

**Mysteries Are Out**  
5. Crook and mystery dramas and stories of make-believe kingdoms are rapidly falling off.

It is estimated that perhaps forty pictures of the new program are drama or comedy drama, and that many of these deal with romance leading to marriage or divorce and amorous indications.

There will be the usual runs of Cinderella stories.

In the films of far-away lands, "Trader Horn," may prove outstanding. Since the company returned from location in Africa, much reshooting has been done in the studio.

Three or four French Foreign Legion stories are on the program. American fans will meet the new German Greta Garbo, Marlene Dietrich, in "Morocco."

**BOYS VISIT DAIRY SHOW**  
25 Calf Club Winners Rewarded by Trip to St. Louis.  
Enjoying a reward for highest records in 4-H calf club work, twenty-five boys representing Marion county clubs are in St. Louis this week attending the annual national dairy show. The party left Indianapolis Saturday afternoon with C. J. Murphy, county club leader, in charge, and will return Wednesday evening.
