LONDON, Oct. 17.—The largest powder puff ever made in Scotland, has been presented to the duchess of York's new baby princess. The top of the puff is fashioned into a doll's body with the right hand holding a baby's hair brush and the left hand a small, pink powder box.

## TAX CUT IS STUDIED

City Officials Indicate Way of Dodging Slash.

Although making no definite assertions, city officials today indicated they may have "a way out" in their battle to get a tax levy of \$1.10 despite the 2-cent slice ordered by the state tax board.

Formal order of the board has been received at city hall and has been the subject of two conferences by groups headed by Mayor Reginald H. Sullivan. Sullivan could not be reached this morning for a statement in connection with the budget outlook.

## How Old Are You?

I'm Fat No More—I'm **44**

My Birthday Today—No Presents, Please—I Lost My Fat With Speed and Ease

Why will people be fat—Is it because they never heard of Kruschen Salts—and the Kruschen way of losing fat—and at the same time gain in activity—energy—ambition—and keenness of mind?

Let me tell you how I did it—I ate three meals a day—but moderate ones—I cut out candy, pastry and ice cream—very little potatoes—plenty of vegetables and fruit.

Buy most important of all—I took one-half teaspoon of Kruschen Salts in a glass of hot water before breakfast every morning—didn't miss a morning.

Nothing hard about that—is there? and best of all, it's inexpensive—for a bottle of Kruschen Salts lasts four weeks costs but 35 cents at Hook's Dependable Drug Store, or any drug store in the world. Not much to pay for freedom from fat slavery and to make yourself feel years younger.

These happy women from various states tell how many pounds they lost with Kruschen.

Montana—19 pounds in four weeks  
North Carolina—47 pounds in three months; Kentucky—24 pounds in 31 days; Wisconsin—11 pounds in six weeks; Ohio—10 pounds, no time stated; New York—14 pounds, with one bottle.—Advertisement.
