

G. O. P. TICKET GIVEN PRAISE

Speakers Plead Interests of
Entire State.

"Support the President by electing a Republican representative, Republican county and township officials and Republican candidates for state senator and representatives" was the plea of organization speakers Monday night at a series of meetings.

Archibald Hall, candidate for Seventh district congressman, praised the qualification of his running mates on the county ticket and urged their election.

Pointing out that two years ago, this county cast an overwhelming vote for Hoover, Hall asked that they return a Republican to support the president. It was in this same election that Marion county elected Louis Ludlow, Democrat to congress.

Plan for election of a Republican legislative delegation was made over station WKBF by Linton A. Cox, candidate for state senator. He called attention to the reapportionment question which will arise at the next session and intimated that if a Republican gerrymander is to be accomplished, the Marion county candidates should be elected.

Lightning Strikes Aerial

VINCENNES, Ind., Oct. 22.—Ed McCormick, farmer, is undecided whether the aerial of a radio or lightning rods saved his home from destruction by fire after it was struck by lightning. The bolt, it is believed, struck the aerial first, jumped to a lightning rod and traveled to the ground where it tore a large hole. The radio was not damaged, but a window was shattered.

Winchester Pastor Resigns

WINCHESTER, Ind., Oct. 22.—After serving four years as pastor of the Church of the Nazarene, the Rev. Leo Davis has resigned to take charge of a church at Miami, Fla.

Best Remedy for Cough Is Easily Mixed at Home

You'll never know how quickly a stubborn cough or chest cold can be conquered, until you try this famous recipe. It is used in millions of homes, because it gives really prompt, positive relief that's lasting, too. It's no trouble at all to mix and costs but a trifle.

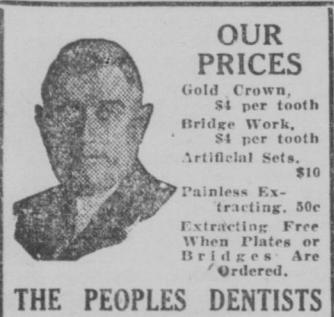

Into a pint bottle, pour 2½ ounces of Pinex; then add plain granulated sugar syrup or strained honey to make a full pint. This saves two-thirds of the time, money, and effort spent for cough medicine, and gives you a purer, better remedy. It never spoils, and tastes better—children like it.

You can actually feel its penetrating, soothing action on the inflamed throat membranes. It is also absorbed into the lungs, so it acts directly on the bronchial tubes. At the same time, it promptly loosens the germ-laden phlegm. This three-fold action explains why it brings such quick relief even in severe bronchial coughs which follow colds and grippe.

Pinex is a highly concentrated compound of genuine Norway Pine, containing the active agent of creosote, in a refined, palatable form, and known as one of the greatest healing agents for severe coughs, chest colds and bronchial troubles.

Do not accept a substitute for Pinex. It is guaranteed to give prompt relief or money refunded.
