

## SUSPECTS JAM CITY PRISON IN ROBBERY WAVE

Two Churches Entered, but Safes Hold: Score of Autos Stolen.

Bandits and burglars obtained thousands of dollars in loot over the week-end in one of the biggest crime flare-ups in Indianapolis in several weeks, police reports revealed today.

Sluggings of motorists, houses and store robberies and a series of hold-ups were included in the list. More than a score of autos were stolen and the city prison was jammed with persons arrested on various charges.

Yeggs who entered the Capital City Fuel Company, 1001 East Forty-sixth street, two churches at the war memorial plaza and a labor union office early today, obtained nothing for their efforts.

At the fuel company the safe was battered open but Thomas M. Fitzgerald, manager, said there was no money in the strongbox.

Office of the Second Baptist church, Vermont and Meridian streets, was ransacked, but yeggs failed in their efforts to better the combination of a wall safe.

Smash In Door Panel

Yeggs broke a door panel to enter the office of Second Presbyterian church, Vermont and Pennsylvania streets, but, after battering the combination from the safe, obtained nothing.

Papers were stolen from the office of the Brotherhood of Carpenters, 222 East Michigan street, and burglars who ransacked the place.

Two men and their women companions Sunday night were the victims of the bandit who has forced his prey to drive to Indian lake northeast of the city. Harry Knuckles, 28, of 1421 North Illinois street, and Raymond Sutphin, 26, of 1926 North Tacoma avenue, told deputy sheriffs the holdup man obtained \$9 and threatened to attack the girls but they "talked him out of it."

Attacked Girls Friday

The same bandit attacked one of two girls Friday after forcing two youths to drive him to the place. Knuckles and Sutphin said he jumped on their car near Oakland.

Two youthful bandits early Sunday morning entered and robbed J. B. Jenkins, 3059 North Illinois street, of \$5, on the Noblesville road after they had forced him to drive at the point of a revolver. Jenkins told police the bandits leaped to the running board of his car at Thirty-second and Meridian streets.

He said after driving around Noblesville more than an hour the bandits ordered him to return to Indianapolis. En route, Jenkins said he believed a tire was flat and the armed holdup man got out of the car with him. Jenkins said he struck the man but his partner slugged him.

Jenkins told police he regained consciousness on the road at 5 a. m. Sunday.

Two Suspects Held

Two alleged burglars were held by police today for the robbery of the dry goods store at 726 South West street, operated by Jacob Yaverovitz, 3555 College avenue, Saturday night. Those held are Claude Jones, 29, of 539 Chadwick street, and Lorenzo Whitlow, 20, of 5191 Chadwick street. Police said they found the loot in the houses and that the men confessed to the robbery. Loot was valued at \$200.

Bandits early today forced Harold H. Banks, 3721 Massachusetts avenue, to turn over \$82 to them. Banks, who operates a filling station in front of his home, said the men obtained \$20 in the station and then forced him to go into his home and get the other money.

Theft of merchandise valued at more than \$300 from the Haag drug store, 3514 College avenue, over the week-end was reported to police today. Store officials said the loot included 30,000 cigarettes and 600 cigars.

Get Luggage, Jewelry

Burglars who looted the home of Harper Ransburg, 4962 Park avenue, Saturday night, obtained jewelry, clothing and luggage valued at more than \$500, according to police reports. Included in the loot was a rug, three watches, coat suits and traveling bags.

Robbery of two youths and girls by bandits early Sunday netted the holdup men, who stopped their car at Kessler boulevard and Forty-second street, \$13. Those robbed: Frank Strov, 924 Arnold avenue; Paul Cesnik, 757 North Haugh street; Miss Mary Ferguson, 4968 West Fifteenth street, and Miss Gladys Domini, 1135 North Loy avenue.

Other Robberies Reported

Other robberies and burglaries reported: Charles Lane, 453 South Meridian street, cash driver, eluded and robbed of \$3.80; Edward Sulder, 61, of 1743 West Washington street, \$25; John Ward, proprietor of the Ward pharmacy, 2670 Northwestern avenue, \$20; Charles Lane, 48 South Addison street, cash driver, \$7; Kroger grocery, 3814 East Twenty-fifth street, merchandise, \$30; John R. Oakes, 615 English avenue, \$12; William Verrenbrun, filling station attendant Tenth street and Massachusetts avenue, \$21; Charles Ledbetter, taxi driver, \$2.75; Everett Fletcher, 13 North West street, taxi driver, \$1.70; Clarence Stead, 1645 North Illinois street, \$20; Charles Johnson, 411 West North street, \$5; Atlantic and Pacific grocery, 3236 Madison avenue, \$70; Elmer McLean, 3335 Payette street, auto accessories, \$54; and Hooper Abolter Company, 621 West Hay street, \$15.

BEWARE THE COUGH FROM COLD

Coughs from colds may lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs creosote is recognized by high medical authorities as one of the greatest healing agencies for coughs from colds and bronchial irritations. Creomulsion contains, in addition to creosote, other healing

elements which soothe and heal the inflamed membranes and stop the irritation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of coughs from colds, bronchitis and minor forms of bronchial irritations, and is excellent for building up the system after colds or flu. Money refunded if not relieved after taking according to directions. Ask your druggist (adv.)

FOR THE COUGH FROM COLDS THAT HANG ON

## Ice Man Weds Millions

Mr. and Mrs. Albert Doerr Jr.

PASADENA, Cal., Nov. 17.—The former Harriet Green Huntington, granddaughter of the late Henry E. Huntington, railroad magnate, and heiress to \$10,000,000 fortune, was honeymooning "somewhere in California" today with Albert Doerr Jr., young mining engineer.

Doerr did not learn his bride was an heiress until after he had proposed. Miss Huntington and Doerr were married here Saturday, culminating a romance which began when they were students at Leland Stanford university, founded by Senator Leland Stanford, an associate of Huntington in the railroad enterprise.

The heiress it was revealed at the time of her engagement, at one time rode to a fashionable dance in Doerr's ice truck, which he drove during vacations. She invited him to the dance, and, learning he was "broke," volunteered to ride in the truck.

They will make their home here upon their return.

## 4,000 MEN GO BACK TO JOBS IN AUTO SHOPS

Gigantic Steel Plant at Ecorse, Mich., Starts Active Production.

BY PAUL WEBER

United Press Staff Correspondent

DETROIT, Nov. 17.—Acts of faith in the nation's economic soundness from two of Michigan's greatest industries today as the second half of November and the crucial part of the winter season opened.

The new developments, hailed here as the most cheerful news of the month, were:

1. Recall of 4,000 automobile workers laid off during the depression period.

2. Beginning of production in the new \$20,000,000 plant of the Great Lakes Steel Corporation at Ecorse, a few miles west of Detroit.

The good news of the motor industry came from Pontiac and Detroit. Before the middle of the week Oakland Motors at Pontiac and its companion plant of the Fisher Body Corporation, will have recalled to work approximately 3,000 employees.

7,000 Now at Work

In Detroit, Hudson Motors put back to work today 1,000 men laid off during the slack period. This raises the total working force of the Hudson plants here to 7,000.

The new line of Hudsons, priced at the lowest figures in the company's two-year record of production, will be placed on display before the end of the month, according to President William J. McAneeny.

The increased activity at Pontiac is produced by the new Oakland Eight and Pontiac six. Assembly of the cars is scheduled to start Tuesday. The factories will work on a six-day week basis.

Recall Old Employees

Oakland now employs 3,800 men, and the pay roll will be swelled by recall of 1,700. The Fisher body plant will add approximately 1,700 men, bringing its total working force to about 2,300. Only old employees will be put back to work.

The new steel plant of the Great Lakes corporation was opened officially Saturday and active production started today. The plant is claimed to be the world's best-equipped open-hearth mill. Its total cost will be \$25,000,000, as \$5,000,000 more is to be spent on further construction to be completed next June.

The plant will have an annual capacity of 500,000 tons of steel products.

Represents Michigan Bid

It represents the newest bid of the Michigan steel district for the business which hitherto has been commanded largely by the great steel areas of Pennsylvania, eastern Ohio and northern Illinois and Indiana.

Its location on the Detroit river, a few miles from the center of the motor industry, and on the continent's busiest inland waterway, give the plant advantages not enjoyed by mills in the older production areas.

Not only has it an immediate market in the Michigan motor plants, but it is comparatively near to the ore mines of the north and to sources of other raw materials.

Freight rates on coal to the Ecorse mill will be higher than to plants located farther south and nearer the coal mines, but the company's promoters believe this will be more than offset by other advantages of the Michigan site.
