

Party Will Be Held for Miss Marsh

Miss Barbara Jane Butler will entertain tonight with a bridge party at her home, 4835 Central avenue, in honor of Miss Nance Penelope Marsh, whose marriage to Harry Easton Godwin will take place Feb. 19. Decorations will carry out the bride-elect's colors.

At serving time the bride-elect's table will be centered with peach sweet peas and poudre blue fresias, and lighted by peach tapers tied with bows of poudre blue tulles.

She will be presented with a pewter coffee set. The small bridge tables will be lighted by the tapers in the bride's colors. Guests with Miss Marsh and her daughter, Mrs. Clifford Marsh, will be:

Members: R. L. Schofield, Harold Gandy, Billie Miller, Mrs. J. D. Pearson; Misses Betty Joanne Davis, Jeanne Davidson, Mary Elizabeth Rosanna and Bingham. The hostess will be assisted by her mother, Mrs. Frank A. Butler.

Miss Marley Hostess
Theta Beta Delta sorority will meet tonight at the home of Miss Margaret Marley. Entertainment will be provided by the pledges.

Players' Club to Present Program at Civic Theater

The Players' Club will present two short plays, "The Rose" and "Op-o'-Me-Thumb," as the February performance at 9 tonight at the Civic theater. The two plays were presented by the club in 1914, and tonight's program is a revival for comparison with more modern work.

Members of the cast of "The Rose" are Mr. and Mrs. Kurt Panzer, Mrs. Walter Myers, Lee Burns and Robert Daggett. The 1914 cast included Mrs. Harry Buckman, Mrs. Daniel Layman, Dr. Herbert Wagner, Lee Burns and Webb Adams. Mr. Burns will play the same part tonight that he played in 1914.

Those taking part in "Op-o'-Me-Thumb" are Mr. and Mrs. Jack Harding, Mesdames Elizabeth Lieber, John Kautz, Vernon Hahn and Harold Robinson. The cast in 1914 included Miss Marletta Finley, now Mrs. Hahn, who is cast in the same part which she played at that time.

The committee in charge of arrangements is headed by Mr. and Mrs. Lee Burns and includes Messrs. and Mesdames Robert Frost Daggett, Herbert Foltz and Frank B. Fowler. Mr. F. R. Kautz is in charge of the makeup of the cast.

A supper-dance at the Propylaeum will follow the program.

Dr. and Mrs. J. Jerome Littell, 5740 Central avenue, will entertain with a dinner at their home preceding the performance.

WOMEN'S AID WILL SPONSOR SOCIAL

Members of the Pennsylvania Railroad Women's Aid will sponsor dance and card party for the benefit of the unemployed of the Indianapolis division at the Pennyroyal at 8 tonight. This is the first social affair given by the organization this year, and a number of reservations have been made.

Mrs. C. O. Long is chairman of the committee in charge, assisted by Mesdames C. D. Howell, A. A. Tillett, E. L. Rankin, E. E. Kinzel, J. O. Richardson, W. P. Hallstein and A. L. Ballinger.

Cheery Lights

As the late days of winter come, try a few new small lamps in dark corners to bring gay cheer to the home. You can rig them up for next to nothing out of old colorful vases and 10-cent shades.

Stand Taken by Clubs on Legislation

Mrs. J. W. Moore, legislative department chairman of the Indiana Federation of Clubs, has sent literature to county directors concerning bills favorable to and approved by the state organization.

Mrs. Moore emphasizes the fact that twenty-five days of the sixty-one-day period have passed, and hundreds of bills introduced must be acted upon.

"The measures supported by the legislative department of the state federation should be promoted so that they may receive as early attention as possible," Mrs. Moore writes. "Get in touch with your county or district legislators, personally, by letter or telephone. Ask their support of measures in which you are interested."

The federation is opposed to any change in the present child labor law, holding that if the law were changed at a time when labor is cheap there would be no protection for children when wages become stabilized. The present law, in the preparation of which the federation

was active, has functioned successfully for several years, she pointed out.

The federation is opposed to any change in the school attendance law, or the abolishing of the office of state attendance officer.

Under the present law and system, no government relief fund is available to Indiana, Mrs. Moore said. The federation will support a full time health department bill, so that county health departments may receive government aid for flood and drought relief.

The provision for establishing special classes for children retarded three or more years in their education, also has the co-operation of the state organization.

"In the permanent registration bill, the federation believes it to be the cheapest and most effective that can be written for Indiana," Mrs. Moore said.

"Because of its constitutional limitations, any registration system must apply equally to all parts of the state. Because it is permanent in character, it is inexpensive in rural communities.

"The adequate provisions for checking registration lists make it effective in urban centers. Recent disclosures of election fraud emphasize the need for this legislation."

Museum to Be Visited

Children's entertainment committee of the Irvington Union of Clubs will sponsor a bus trip to the Children's Museum Saturday morning. Reservations may be made with Mrs. O. H. Gripe, 5402 East Washington street.

The federation is opposed to any change in the school attendance law, or the abolishing of the office of state attendance officer.

Under the present law and system, no government relief fund is available to Indiana, Mrs. Moore said. The federation will support a full time health department bill, so that county health departments may receive government aid for flood and drought relief.

The provision for establishing special classes for children retarded three or more years in their education, also has the co-operation of the state organization.

"In the permanent registration bill, the federation believes it to be the cheapest and most effective that can be written for Indiana," Mrs. Moore said.

"Because of its constitutional limitations, any registration system must apply equally to all parts of the state. Because it is permanent in character, it is inexpensive in rural communities.

"The adequate provisions for checking registration lists make it effective in urban centers. Recent disclosures of election fraud emphasize the need for this legislation."

Dr. J. A. Leonhardt was the first to discover a real internal Pile remedy. He called his prescription HEM-ROID, and prescribed it for 1,000 patients with Pile trouble. The results were wonderful, and then decided every Pile sufferer should be able to get HEM-ROID from their druggist with a rigid money-back guarantee.

Dr. Leonhardt's prescription has a wonderful record of success right in this city and Hook Drug Stores invite every Pile sufferer to try HEM-ROID and send money back to the store price if it does not end all Pile misery.—Advertisement.
