# RITE CONVOCATION, REUNION PLANNED

Elaborate Ceremonies to  
Be Presented at  
Conference.

Attention of Scottish Rite officers  
and members is centered on plans  
for the sixty-sixth annual convoca-  
tion and reunion of rite bodies in  
the valley of Indianapolis, sched-  
uled for March 24, 25 and 26.

A three-day meeting has been ar-  
ranged to meet the convenience of  
master Masons and Rite members  
of the jurisdiction who wish to take  
the higher degrees.

While the ritualistic features of  
the degrees can not be changed, the  
officers say, the ceremonies permit  
of elaboration which is made pos-  
sible by the modern stage facilities  
of the new cathedral.

One innovation will be in the con-  
ferring of the Rose Croix degree, it  
is announced, when past most wise  
masters of Indianapolis chapter will  
participate in the exemplification  
under the plans of J. Ralph Fen-  
stermaker, most wise master.

Another high point of the state  
meeting will be the conferring of  
the twenty-seventh grade by a cast  
made from the Madison County  
Scottish Rite Club, of which Al V.  
Reschay, Anderson, honorary mem-  
ber of the supreme council, is presi-  
dent. The degree calls for the par-  
ticipation of about seventy-five  
principals and assistants, it is said.

A class for the convocation now  
is being formed and it is announced  
that the latest date for petitions  
will be Wednesday, March 11. All  
committees have been notified to  
turn their reports by that time.

Announcement is made that the  
social entertainment at the cathed-  
ral, scheduled for March 20, has  
been postponed, the date to be de-  
termined later.

## 'CABERET' IN CHURCH

'Chorus' Sings Jazzy Tunes  
to British Flock.

By NEA Service

LONDON, March 2.—On Sundays,  
the "Caberet Chorus" of the Rev. H.  
G. Wilks' church at Upperthorpe,  
Holmthorpe, Huddersfield, sing "Briet  
Life is Our Portion."

On Monday and several other  
week days they are decked out in  
chorus costumes and sing "Happy  
Days Are Here Again," and other  
jazzy numbers to the assembled  
congregation.

Mr. Wilks has organized the cho-  
rus for his church, because "the  
average church 'social' is about as  
thrilling as the final demand note  
for income tax," he gives as his re-  
ason.

## PICK OLDER HUBBIES

Young Girls Pass Up Boys  
of Own Age.

By United Press

LONDON, March 2.—London flap-  
pers "like an older" for marriage  
purposes, at least. Figures from the  
marriage bureaus show that out of  
47,500 brides under 21, the majority  
picked boys of from 21 to 23 as life  
partners; one girl of 17 married a  
man of 64, however, and one girl  
of 15 became the bride of a man of  
70.

Romance apparently is flourish-  
ing among England's younger  
women. An average of slightly less  
than one bride in six last year was  
under 21. And the fact that they  
very often choose their husbands  
from those older than themselves  
is attributed to the increased earn-  
ing power of the men.

## FALSE TEETH

A prominent dentist has perfected  
a new powder, KLING, which holds  
plates so snugly they cannot rock or  
slip. KLING forms a comfort cush-  
ion, allows you to eat and talk as well  
as you did with your own teeth.  
Prevents chafing, avoids embar-  
rassment, and gives unbelievable com-  
fort. Don't waste money on sub-  
stitutes. A large package of KLING  
only 35c at Hook's, Walgreen's or any  
other druggist. Money refunded if not  
more than pleased.—Advertisement.
