DRESS WITH TWO COLLARS

This dress was originally in a tub silk—a purplish blue dotted with a deeper tone of the same shade.

It has two collars. The caplet covers the arms sufficiently to take the place of sleeves, and contributes its bit toward femininity.

The scarf collar in matching tone of the ground of the print with decorative ends of the deeper tone, adds a sportive-air, and is length giving and slenderizing.

The pointed hip treatment is also slimming.

Style No. 248 is designed for sizes 16, 18, 20 years, 36, 38, 40 and 42-inches bust.

Plain crepe silk, eyelet embroidered batiste, chiffon prints, batiste prints, linen prints and rayon novelties are only a few of the many smart fabrics.

Size 36 requires 3 1/2 yards 35-inch with 5/8 yard 35-inch white and 1/4 yard black contrasting.

Order a copy of our new Fashion Magazine. Attractive styles for women, misses and children. And instructive lessons in sewing.

Price of book 10 cents.

Price of pattern 15 cents in stamps or coin (coin is preferred). Wrap coin carefully.

No More Hemorrhoids

All Pain Agony Ended Without Cutting or Sutures.

It takes only one bottle of Dr. J. S. Leonhardt's prescription—HEM-ROID—to end piles. This internal remedy acts quickly even in old, stubborn cases. HEM-ROID succeeds because it heals and restores the affected parts and removes blood congestion in the lower bowel—the cause of piles. Only an internal medicine can do this, that's why salves and ointments fail. Hook Drug Stores say HEM-ROID Tablets must end your Piles misery or money back.—Advertisement.

Brighter Days!

You need not punish a sluggish system with purgatives that do violence. Just chew a pleasant Cascarets before bedtime. Next morning you'll be a new person. Candy Cascarets are made from cascara—which doctors say actually strengthens the bowel muscles. So their action is always beneficial. They clear up a stubborn, bilious, headache and constipated condition every time. You awake with coating gone from tongue; with eyes brightened; breath sweetened; appetite on edge. For a bright morning, try a Cascarets tonight. Then you'll know why 20 million boxes are used every year.
