

FOUR CITY TEAMS PASS FIRST ROUND SECTIONAL TESTS

Ben Davis Trips Beech Grove in Fast Battle; Manual Drops Acton

County Champs Upset by Old Rivals in Clash Featured by Speedy Play and Accurate Sniping of Two Brilliant Forwards.

By DICK MILLER
Four city teams, Manual, Washington, Technical and Shortridge, survived first round tests Friday and advanced into the quarter finals of the local high school state title sectional tournament play at Tech gym today. Broad Ripple was the only team to fall, Shortridge downing the north side rival, 14 to 12, in a thrilling fray Friday. It is doubtful if any other teams save Shortridge and Tech could have beaten the Ripple team Friday. Manual defeated Acton easily Friday night, 42 to 14. Tech and Washington clashed in the opening game this morning. West Newton and Southport met an hour later and Shortridge and New Bethel clashed at 10:30. The last quarter final game at 11:30 called for Manual against Ben Davis.

Ben Davis averaged an old score with Beech Grove, who defeated them in the finals of the recent Marion county meet winning Friday night, 36 to 29. New Bethel had little trouble getting into the second round, defeating New Augusta, 31 to 16, and Southport put on the pressure needed to down Valley Mills, 23 to 16.

It was an old-fashioned basketball game, the "fire-wagon" style of play that made the indoor sport the popular game it is today, when Ben Davis, tripped Beech Grove Friday night. To say the game was a battle from start to finish puts it mildly. It was one of those games where the fans couldn't keep their seats as first one team and then the others led during the first half. Fans witnessed two great forwards, Terhune of Beech Grove who scored 17 points for his team and Starnes of Ben Davis who tallied eighteen, pull some wonder shots. Uhrig helped his team mate Starnes to the extent of 13 points and that ended it.

Kleppe, Armour, Stuart and Regenstrief were all hitting the hoop in fine style and Manual never was in danger against Acton. E. Wilsey, Kline and Van Dyke were the hot shots in New Bethel's triumph over New Augusta, while Lamb was the big gun in Southport's triumph over Valley Mills. The Mills team had a 10 to 8 shade over the Cardinals at the half.

Michigan Track Team Holds Edge in Big Ten Indoor Meet

By United Press
MADISON, Wis., March 7.—Michigan won an advantage over other Big Ten schools today in the annual Western Conference indoor track meet having placed eight men in the finals. The Ann Arbor athletes, coached by Charles Hoyt, topped all others in Friday night's preliminary track events. Wisconsin's hopes of successfully defending its title, dimmed when Captain William Henke pulled a muscle in the first race and went out of the meet. Coach Tom Jones' men count their greatest strength in the field events in which no preliminaries were held. Henke recently set a new world's record of 48.9 in the quarter mile, and was expected to pick up more points in the 60-yard dash, the event which resulted disastrously for him Friday night.

The Wisconsin captain had a lead on Tolman, Michigan's bespectacled Negro sprinter, but suddenly pulled up with a limp and was carried from the track. Ohio State won seven places in the finals. Letts placed in the half mile and mile to help Chicago representation in six events tonight. Iowa, Illinois and Indiana all placed five men each. Wisconsin lost its ranking as a favorite when tonight's race program by way of the preliminaries, Purdue counted two, Minnesota one, and Northwestern none.

Tracy to Get Hard Test

Tracy Cox, local featherweight idol, will face Soldier Dombrowski in a ten-round bout at the Legion milt show at the armory, and fans are promised a choice battle. The soldier has mingled with the select in the 126-pound ranks for several years, is rated a smart ring general and carries a hefty sock. It should be a severe test for the Brightwood youngster, but his recent performances in the Legion ring would seem to give him the right to tangle with nationally-known performers.
