## CHRISTIAN SCIENCE THEME ANNOUNCED

"Substance" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 15.

Among the citations which comprise the Lesson-Sermon is the following from the bible:

Doth not wisdom cry? and understanding put forth her voice? Receive my instruction, and not silver; and knowledge rather than choice gold. For wisdom is better than rubies; and all the things that may be desired are not to be compared to it (Prov. 8:1, 10, 11).

The Lesson-Sermon also includes the following passages from the Christian Science text book, "Science and Health with Key to the Scriptures," by Mary Baker Eddy:

In Christian Science, substance is understood to be spirit, while the opponents of Christian Science believe substance to be matter. They think of matter as something and almost the only thing, and of the things which pertain to spirit as next to nothing, or as very far removed from daily experience. Christian Science takes exactly the opposite view.

# SCHROEDER TO ENTER INDIANA PRISON TUESDAY

"Torch Man" to Hear Judge Pronounce His Sentence on Monday.

Harold Herbert Schroeder, Mobile (Ala.) garage man, will enter the Indiana state prison at Michigan City Tuesday to serve two to twenty years for involuntary manslaughter after conviction of the gruesome High School road torch crime nine month ago.

Sentence will be pronounced Monday by Criminal Judge Frank P. Baker, to whom a jury returned the verdict against Schroeder Thursday night.

No Appeal to Be Taken

Sheriff Charles (Buck) Sumner, accompanied by Ralph Chick, a deputy, and newspaper men, will leave the county jail with the convicted man early Tuesday for the prison.

Relatives of the convicted man declared Friday, following a conference with Ira Holmes, the convicted man's attorney, that no appeal will be taken.

At the same time, Prosecutor Herbert Wilson indicated the state will not press a charge of arson pending against Schroeder. Holmes had declared the arson charge is iron clad against a defense.

## May Serve Maximum

"I see no reason why the state should be put to the expense of the cost of trying Schroeder again," Wilson said.

"The penalty is only one to three years in prison for burning personal property. There is no doubt that the defendant would be convicted, but the sentence would run concurrently with the manslaughter sentence and I do not believe the trial is worth the expense involved," Wilson added.

Wilson declared every effort will be made to compel Schroeder to serve the maximum sentence.
