

# GAS FUMES IN KITCHEN FATAL TO CITY WOMAN

Mrs. McConaughay Found Dead in Her Home by Husband.

Death of Mrs. Kenneth E. McConaughay, 33, whose husband found her dead in the kitchen of their home at 4209 North Pennsylvania street Monday night, was accidental, a coroner's deputy said today.

McConaughay, vice-president of the Hayes Construction Company, found doors of the house locked, but entered and noticed a strong odor of gas. Mrs. McConaughay lay face down on the kitchen floor.

Two gas jets were open, and preparations had been made for dinner. On a table nearby Mrs. McConaughay had been writing a letter to a brother in Otterbein, Ind., and it was while completing this that she is believed to have been overcome.

Her daughter Patricia Anne, 6, left the house about 3 p. m., returned about 5 and found the house locked, and left again to play with a girl in the neighborhood.

Survivors are the husband and daughter, her parents, Mr. and Mrs. Steven C. Daugherty, and two brothers in Otterbein.

## MACHINE COMBINE IS ORDERED DISBANDED

Bolt, Nut and Rivet Manufacturers Association Banned by Court.

NEW YORK, March 17.—Dissolution of the Bolt Nut and Rivet Manufacturers Association, a national organization composed of forty-nine of the country's largest steel and machine products manufacturers, doing an annual business of \$75,000,000, was ordered today by Federal Judge Frank J. Coleman under the Sherman anti-trust act.

The decree enjoining the association which controls 95 per cent of the trade in nut, bolt and machine products from further activity, was consented to by the defendants and the organization will pass out of business at the end of ninety days.

## FLAMES TOLL \$25,000

Three-Story Brick Building Razed at Brazil. Fireman is Hurt.

BRAZIL, Ind., March 17.—Loss of \$25,000 was sustained in destruction by fire of a three-story brick building, which was a landmark, here Monday night.

Flames originated in the hall of the Coal City Lodge of Odd Fellows, it was believed. Serious injuries were suffered by Jerry Wright, volunteer fireman, who fell through the third floor of the building.

## SNOW COATS MARYLAND

BALTIMORE, Md., March 17.—Baltimore and the eastern half of Maryland lay under a heavy blanket of snow today, as king winter made a belated appearance in this vicinity.

## Try Some Eggs

Perhaps eggs are your meat! In this Lenten season, when many are observing the season by fasting from meat, you will find our Washington Bureau's bulletin on EGGS and EGG RECIPES particularly valuable in suggestions for serving eggs in all sorts of attractive ways—some of them quite new and unique. Fill out the coupon below and send for this bulletin and add it to your collection of recipes.

## Mothers... Watch Children's COLDS

COMMON head colds often "settle" in throat and chest where they may become dangerous. Don't take a chance—at the first sniffle rub on Children's Musterole once every hour for five hours.

Children's Musterole is just good old Musterole, you have known so long, in milder form.

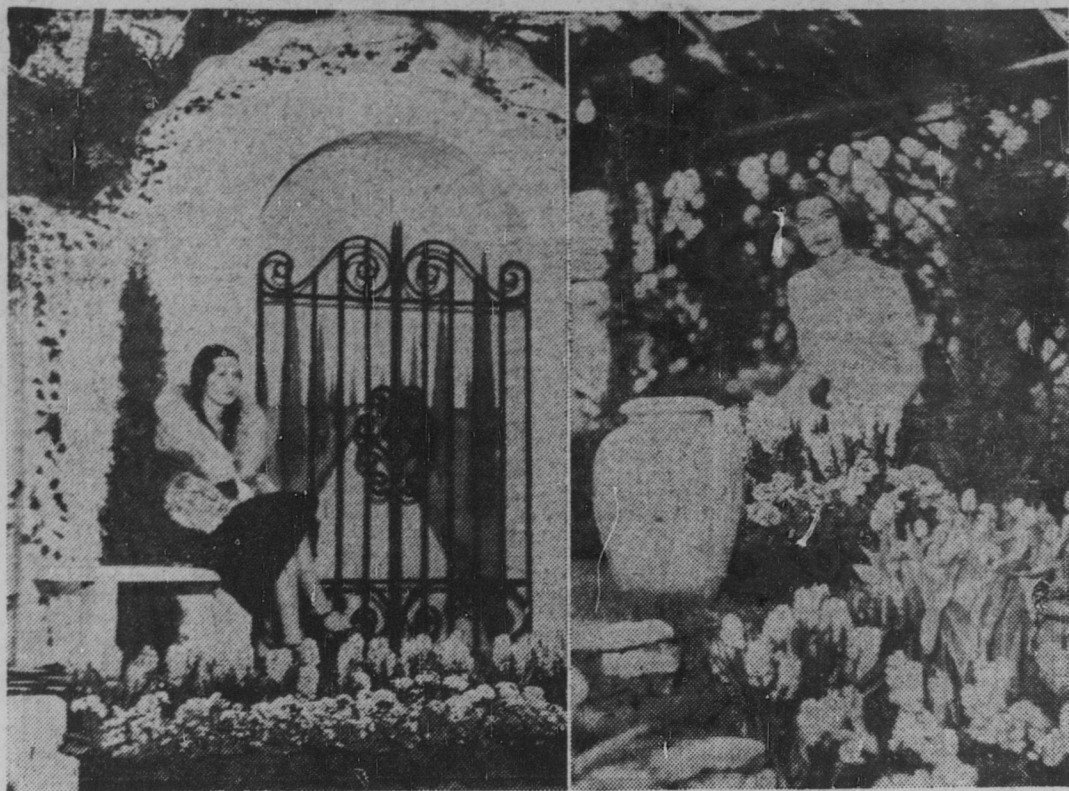

This famous blend of oil of mustard, camphor, menthol and other ingredients brings relief naturally. Musterole gets action because it is a scientific "counter-irritant"—not just a salve—it penetrates and stimulates blood circulation, helps to draw out infection and pain.

Keep full strength Musterole on hand, for adults and the milder—Children's Musterole for little tots. All druggists.

# Junior League's Flower Show Opens

Spring blossomed in full fragrance and beauty in A. Wiegand & Sons conservatory, 1619 North Illinois street, where the garden and flower show, sponsored by the Junior League, opened today to continue tonight, Wednesday and Thursday nights.

At the left, Miss Ruth Burford, 1030 West Forty-second street, chairman of Junior League ushers for the event, is pictured in one of the garden sets arranged by George B. Wiegand. At the right, Miss Frances Wales, 1236 North Pennsylvania street, is pictured in a profusion of hyacinths and tulips.

Receipts from the 10-cent admission fee charged for the show will be devoted to the Riley hospital occupational therapy work carried on by the Junior League.

## SHOW MANAGER IS GIVEN FINE

Contributed to Delinquency, Policewomen Charge.

Convicted of contributing to delinquency, Leo Burke, manager of a vaudeville troupe that appeared recently at the Lincoln Square theater, today was fined \$1 and costs by Judge John F. Geckler of juvenile court.

Geckler suspended a ten-day jail sentence against Burke when Burke paid the fine.

No defense was offered in the case that resulted from a visit of policewomen to the theater during a late Saturday night performance several weeks ago.

The police agents said 15-year-old boys were in the audience and alleged the show was indecent.

In addition to Burke, Charles Carson, theater manager, also was arrested on the contributing charge along with three women in the show. The cases against Carson and the women, who did not appear in court today, were postponed indefinitely.

## RECEIVE RADIO BIDS

Contracts for Police Station to Be Awarded.

Five bids on construction of the new police radio station at Willard park were received today by the safety board and contracts are to be awarded in a few days. The board has an appropriation of \$10,000 for construction of the building and radio tower.

At this time the station, WMDZ, is located on the top floor of the Knights of Pythias building, Ohio and Pennsylvania streets. A city official will remove it to eliminate the rent from municipal expenses.

The board today accepted the recommendations of Police Chief Jerry Kinney for the promotion of patrolmen Fay C. Davis and John Gish to detective sergeants. The officers have been serving in the detective department since Feb. 1.

## 'BLOWIN' 'EM' LOST ART

JEFFERSON CITY, Mo., Feb. 17.—"Safe cracking" apparently is becoming a lost art. When a state official lost the combination to his safe he called the penitentiary for help. But not one of the 4,000 inmates was listed as a safe cracker.

## Milk Truck Beaten by Sleep God in New Law

With his shield undented by mark of a single foe, Morpheus, the God of sleep, won an overwhelming victory in the city council Monday night.

All friends and disciples of Morpheus who have been rudely awakened from peaceful slumbers at 4 a. m. by the abrupt rattling of milk bottles on his front porch can appreciate with what pleasure the city fathers bowed to him.

Morpheus appeared in the council chamber in form of a proposal providing the milk truck—that proverbial disturber of the citizens' slumber—be prohibited from making milk deliveries to doorsteps before 5 a. m. during the winter months. He left in form of a new city ordinance carrying the council's approval.

Of course the august solons kept their dignity and did not publicly announce the real object of the new law.

They disguised it as a measure for the "public health," and said it was endorsed by Dr. Herman G. Morgan, secretary of the board of health.

Desire to eliminate unsanitary conditions caused by cold weather freezing the milk and causing

caps to come off when left outside in winter, was cited by Dr. Morgan as reason for the ordinance.

Green Cars Washed for Half RANDOLPH, Mass., March 17.—An enterprising garage man here celebrated St. Patrick's day today by advertising that he would wash green automobiles at half price.

# LAUNCH CIVIC MUSIC GROUP'S MEMBER DRIVE

Plans for Second Annual Campaign Are Outlined at Dinner.

Second annual membership campaign of the Indianapolis Civic Music Association opened today.

Plans for the drive, which will last through Saturday, were outlined Monday night at a dinner at

the Claypool, at which Miss Dema Harshbarger of Chicago, president of the Civic Concert Service, Inc., spoke.

Membership in the organization is limited to 1,730. All concerts and presentations of the association are staged at Caleb Mills hall.

Mrs. Henry Schurman is organization chairman and will have charge of the thirty membership teams. She will be assisted by Arthur I. Franklin and Mrs. Edwin Shedd. Miss Alma Voedisch, national association representative, will supervise the drive. Headquarters for the drive will be in the Illinois building.

Present season of the association will close April 6, when the Indianapolis Mendelssohn choir, directed by Elmer A. Steffen, will appear in Caleb Mills hall. Attole Buggiore, tenor, will be soloist.

## WANT PRIVATE FIREMEN

Farmers Fail to Use Alarm System, but Call on Telephone.

ELLINGTON, Conn., Feb. 17.—The town fathers have instituted a campaign to educate residents of this rural community in use of the fire alarm. Farmers prefer to telephone individual members of the fire department on their party lines instead of ringing in the alarm.

**Two Things to Remember**

**WORLD'S GOIN' TO TH DOGS**

1. REMEMBER that nobody loves a "Gloomy Gus."
2. REMEMBER that you can do your share to pull out of this "repression" if you'll make up your mind to work harder and work for less. We Indiana folks are busy because we adjusted prices long ago—and we are working 24 hours a day. Our policy is to sell gas, oil, tires, batteries, car greasing and washing at the lowest possible prices. We'd rather be busy making pennies than loafing and wishing for dollars.
