

LIVES ARE LOST BY TWO YOUTHS UNDER TRAIN

Speeding Auto Skids and
Turns Over in Front
of Freight.

Two youths were killed Wednesday night when their auto was struck by a freight train and four other persons were injured seriously in traffic accidents in and near the city.

The dead are Basil Shumaker, 17, of 330 North Lynhurst drive, and Walter Saunders, Jr., 20, 5340 West Washington street.

The youths' car approached the Big Four railroad crossing at Lynhurst drive at a high rate of speed, witnesses said. Swerving when Shumaker saw the train the car skidded and turned over in front of the freight train.

Bodies of the youths were mangled beyond recognition and the car was ground to bits. The bodies were carried about half a mile by the train.

EN ROUTE TO WORK

Shumaker was en route to work in a plating plant on South Senate avenue, and Saunders was accompanying the youth in search for work.

Death of the two youths boosted the Indianapolis traffic toll to thirty-five since Jan. 1.

Three persons were injured seriously early today when the car in which they were riding, crashed head-on with a cattle truck south of Southport on Madison road.

The injured are Thurman Carter, 32, broken jaw and scalp wounds; Luther Britton, 23, fractured skull, and his wife, Mildred, 20, bruises and head lacerations. All are said to be from Greenville, Tenn., and were en route to Tennessee from Ohio.

Auto is Demolished

The car bore no identification card or license plates.

The truck was driven by Lawrence Nichols, of Summershade, Ky., accompanied by his brother Carl. Deputy sheriffs were told that the auto in which the injured persons were riding swerved directly in front of the truck. The auto was demolished. Clothing and other luggage in the car was strewn 100 yards along the highway.

PERMISSION ASKED FOR REDUCING GAS RATES

Michigan City and New Carlisle Would Be Affected by Cuts.

Gas rate reductions for patrons of the Northern Indiana Public Service Company in Michigan City, Long Beach, Osgood, New Carlisle and adjacent territory will mean a saving of \$24,000 a year, it was estimated by counsel for the company in asking permission of the Indiana public service commission to make the reductions.

Morse Dellplain, president of the company, announces the cheaper gas will be of higher heating value as a supply being obtained from Calumet region oil refineries is being mixed with the coke oven product.

The company has filed two other petitions with the commission to permit revision of electric rates for summer cottage residents at Lake James, Crooked Lake and Bass Lake.

Negro Youth Seriously Hurt

Harold Huffman, Negro, 18, of 730 Indiana avenue, is in serious condition at city hospital today as a result of an accident Wednesday night in which he was struck by an auto driven by Sam Works, Negro, 45, of 2441 Paris avenue. The accident occurred at California street and Indiana avenue.
