

BOY SCOUTS TO STAGE EXHIBIT AT TABERNACLE

Annual Show Follows Award of Badges at Court Ceremonies.

Annual exhibition of Boy Scout activities will open at 7 tonight in Cadie tabernacle and continue through Saturday, climaxing Scout week. Awards will be made to troops having the best displays, highest attendance and for other accomplishments.

Wednesday night 800 Scouts and 400 adults, parents and friends, gathered in Tomlinson hall for the mammoth court of honor when 600 merit awards were presented by Irving Williams, chairman of the court.

Elevated to Eagle Rank

Four scouts, each having received twenty-one merit badges, were elevated to eagle scout, highest rank of the organization. They were Curran Clamplitt, assistant scoutmaster, Troop 59; Albert McCollum, Troop 40; John Kearney and Myron Melvin, both of Troop 9.

Awards of gold and silver palms for accomplishments made since they were elevated to eagle scouts were awarded Harry Drago, Troop 69, James Shoemaker, Troop 80, and Robert Cavanaugh, Troop 69.

Take Scout Oath

Tenderfoot rank was given 104 boys who took the oath and became scouts. Forty awards were made to scouts of Noblesville, Carmel and Arcadia, who are part of the Indianapolis scout area. In all 325 merit badges were presented and numerous promotions of higher ranks were made.

Special rank of star scout was conferred on Robert Hill, Richard Kelleher and Frederick Leeds, Troop 4; Jack Rich and Billy Wood, Troop 37; John Wyss, Troop 49; Jack Meyers, Troop 54; Robert Stevens, Troop 68; Walter Stalnaker, Troop 71; William King, Troop 72; Robert Stokes, Troop 75; Alvin Cohen, Troop 78; Clarence Gault and Billy Workman, Troop 80; George Olive, Troop 82, and Melvin Davids, Herbert Kuhlman and Ervin Schumaker, Troop 98.

The next highest honor, that of life scout, was attained by William Craigie and Marion Pfeiffer, Troop 3; Leonard Oliver, Troop 7; John Warden, Troop 9; Robert Wenner, Troop 55, and Thomas Wright, Troop 71.

In recognition of work beyond eagle requirements, bronze palms were awarded to Robert Kuerst, Troop 3; William Thomas, Troop 9; George Kuzma, Troop 53; Richard Agster, Troop 80, and John Fidler, Troop 58.

Middies' Chief

Rear Admiral Thomas C. Hart, above, will succeed Rear Admiral Samuel S. Robinson as superintendent of the United States Naval Academy. He will take office on May 1.

GRAB BRICK HURLERS

Police Hold Youths Angered by Girls' Refusal to Take Ride.

Four youths were held by police today after they are alleged to have hurled bricks through windows of the Beech Grove residence of two girls who refused to take an auto ride with them Sunday night.

Those under arrest are Donald Cheek, 20, of 834 Harrison street; James Toney, 19, of 465 Virginia avenue; Kenneth Lewis, 20, of 1038 1/2 Harrison street, and Artie Bishop, 22, of 712 East Georgia street.

EVANS' E-Z-BAKE FLOUR AT ALL GROCERS

WATER FLOODS SUIT OF DIVER 35 FEET DOWN

Rescued Man Unconscious 15 Minutes: Pneumonia Now Danger.

CLEVELAND, April 2.—Thomas Carroll, 48-year-old professional diver, who narrowly escaped death Wednesday in an accident while working thirty-five feet below the surface of Lake Erie, today was in a critical condition, suffering from shock and exposure.

Marine hospital attaches said he had spent a "fairly comfortable night and that precautions were being taken to forestall pneumonia which would develop within three days.

The dare-devil philosophy of his craft was expressed when Carroll, after having been unconscious beneath the water for more than fifteen minutes, whispered as he was being lifted into an ambulance: "I've got to go back down and finish that piling."

Carroll was cutting away piling that had raised the Thompson amphibian aeronautical ramp above the level of the lake when his rubber glove became entangled with his saw.

The glove was severed from the surface and workmen at the controls pulled him up when they caught sight of it. It took firemen half an hour removing water from his lungs and restoring him to consciousness.

We Still Need Our Railroads

A Message from L. A. Downs, President Illinois Central System.

This is a vast country, with long distances to be covered and large areas remote from seacoasts. Railroads are peculiarly fitted to its transportation needs.

Railway service, purchases, employment and taxes have contributed greatly to the upbuilding of the country. These contributions must be continued.

We still need our railroads.

Yet many business men are using other methods of transportation, confident that the railroads will somehow get along and be available when needed.

This is a dangerous idea. No farmer expects to work his horses and feed them only when he wants to work them. Railroads too must live in order to work.

Constructive criticism and suggestions are invited.

Chicago, April 1, 1931

This progressive railroad has exerted a large influence upon the development of agriculture, industry, population and wealth in the great Mississippi Valley.

Can't Beat 'Em

By United Press
WASHINGTON, April 2.—Fingerprinting of every school child in Washington became a possibility today with a recommendation to that effect by William F. Grosskurth, fingerprint expert.

Grosskurth, in a letter to the board of education, urged the system as a means of tracing runaway pupils.

Dr. H. B. Learned, president of the board, criticized the proposal on the ground that it might place children on the same plane as criminals.

PAPAL ALTAR WASHED

Two of Chief Holy Week Ceremonies Are Held Today.

By United Press
ROME, April 2.—The ceremonies of washing the papal altar in St. Peter's and blessing the holy oils at St. John Lateran, two of the chief Holy Week ceremonies, were held today.

The relics of the boards which formed the table at the last supper were exhibited all day in the right transept of the Lateran basilica, and also will be exhibited Friday.

TEST CARS GET BATHS ON RUN

Speedway Autos Dash Into Firemen's 'Flood.'

Cars in the fuel and oil economy test runs being made at the Indianapolis Motor Speedway were given baths on the run Wednesday with the aid of a crew of city firemen and a pumper truck.

The stunt was photographed by

Newsreel cameramen. Firemen from engine house 9 under Assistant Chief Frank A. Braun and Captain Treadway officiated.

With the cameramen grinding away, the stock cars in the test were run through two streams from hoses throwing 600 gallons of water a minute, under 125 pounds pressure.

Movies of the thirteen stock cars in the test were to be taken from the air today by cameramen in the Stanolind III, tri-motored Ford monoplane of the Standard Oil Company of Indiana, which is sponsoring the tests.

The second of five 1,000-mile runs at fifty-five miles an hour will be started Friday.

SUE TO HALT WORK ON DITCH

Charge Property Owner Used Fraudulent Petition.

Protesting that one faction of property owners used a fraudulent

petition to start construction of a drainage ditch in Wayne township, a suit has been filed in circuit court to halt completion of the project.

The complaint was filed by Sumner Clancy, attorney for the property owners. The contract for improvement, costing approximately \$75,100, was allowed by Circuit Judge Harry O. Chamberlin recently.

Demand in the suit are that the assessment order be set aside and defendants be enjoined from completing the ditch.

NO MATTER HOW OLD AND WORN YOUR RUGS MAY BE, OUR SHAMPOO METHOD OF—

WHEN YOU COOK YOUR

easter ham

REMEMBER THAT

sugar

WILL MAKE IT

taste better

Sprinkle sugar generously over the ham before you put it in the oven to bake.

A BAKED HAM studded with cloves and coated with sugar is certainly an appetizing sight. But the real treat comes when you taste that ham and revel in its tangy-sweet, juicy goodness.

Ham, however, is not the only meat that tastes better by adding sugar. You'll be surprised at the way a dash of sugar plus a pinch of salt heightens the flavor of cheap

cuts of meats during the stewing or braising process.

Think of this value of sugar as you plan your meals. Remember, too, that sugar added to vegetables gives them new taste-appeal. For proof just try a dash of sugar to a pinch of salt when you cook spinach, peas, carrots, cabbage or beans. Most foods are more delicious and nourishing with sugar. The Sugar Institute.
