

WIN BATTLE TO STOP CLOSING OF ADLER ST.

South Meridian Civic Group Gets Works Board to Rescind Order.

South Meridian Street Civic League members today were victorious in their fight to prevent closing of Adler street and several alleys between Meridian street and Capitol avenue, south of the Belt railroad.

The works board rescinded previous action, thereby halting the proposed closing.

Petition to have the street and alleys closed as a railroad switch might be put into operation, was filed with the board by Robert Ibelach, coal company proprietor.

Due to the high cost of improvement, the proposed resurfacing of Eleventh street, from West to Brook streets, was dropped by the board on recommendation of A. H. Moore, city engineer.

BOOM COFFIN'S PAL FOR STATE FIRE MARSHAL

Horace Carey Candidacy Is Seen New Step to Oust Hogston.

Boom has been launched to put Horace W. Carey, 2001 North New Jersey street, into the position of state fire marshal, it was learned today.

This move is looked upon as a new tactic in the effort to oust Alfred M. Hogston, state fire marshal,

who has held the post without re-appointment since Oct. 1, 1929.

Reports are current that the move is backed by the Republican state committee and has met with favor from persons as close to Governor Harry G. Leslie as his secretary, L. O. Chasey.

Chasey told The Times today that Carey's application for the position "has been filed officially."

Carey's claim to knowledge regarding the position derives from the fact that he was chief of the Indianapolis fire prevention bureau under the regime of former Mayor John L. Duval. He long has been a lieutenant of George V. (Boss) Coffin. The two were reared together in Noble county.

Admitting the effort being made for him, Carey stated that it is "not political," and if he obtains the appointment it will be "without strings."

EX-GOV. DUNNE BACKS CERMAK IN CHICAGO RACE

Comes Out of Retirement to Fight Big Bill's Mayor Contest.

CHICAGO, April 3.—Edward F. Dunne, who was mayor of Chicago in 1905 and later Governor of Illinois, came out of retirement today to enter actively the heated mayorship campaign which will end next Tuesday when a million or more

voters decide the political future of Big Bill Thompson.

Entrance of Dunne, on the side of Thompson's Democratic opponent, Anton J. Cermak, made the list of politicians and former politicians taking part in the campaign complete.

So great has become the public interest in this race to decide who shall be mayor of Chicago during the 1933 world's fair that every man who ever controlled so much as a precinct has announced for one of the candidates.

Dunne urged Cermak's election in a public statement, claiming Cermak's public record was better than Thompson's and blaming the mayor for "outrageous expenditures which have resulted in high taxes."

Both Thompson and Cermak made numerous speeches again today as their bands boomed through the loop and ward meetings were held in every section of the city.
