\$26 Loot Taken From One Pharmacy; Routed in Another Swoop.

Two gunmen batted 500 Wednesday night when they obtained \$26 in one pharmacy holdup, but fled, empty handed, from another, when the druggist yelled for help. They were successful in the robbery of Rowland Bordeaux, 2725 East Michigan street, at his pharmacy, forcing him to turn over the contents of the cash register.

Shortly before that, they had fled from the pharmacy of J. H. Trees, 3223 East New York street, who denied he had money in the store and called for aid.

Residence of James Haynes, 632 West North street, was looted early today of clothing valued at \$60, he informed police.

Breaking a glass in the rear door of the Daisy Deane tea shop, 140 East Thirtieth street, early today, burglars failed to obtain money, but H. J. Scarborough, proprietor, said they had taken enough food "to make a square meal."

They also attempted to enter the E. H. Kerr candy store, a few doors distant, but were frightened away by Kerr, who heard their attempts to break in.

Two youths faced burglary charges today after they are alleged to have robbed the grocery of Worthington A. Purdy at 326 Trowbridge street, recently. They are Elmer Dillon, 23, of 142 South Summit street, and John O. McCann, 18, of 18 North Jefferson avenue.

## FAMED ENGLISH AIRMAN KILLED

Crash Injuries Are Fatal to Lieutenant Waghorn.

By United Press

ALDERSHOT, England, May 7.—Flight Lieutenant H. R. D. Waghorn, one of Britain's foremost speed fliers, died today in Cambridge military hospital.

Waghorn was injured Tuesday in a parachute leap from a plane near Aldershot. Waghorn and E. R. D. Alexander, a civilian test pilot, were testing a two-seated bomber when it became disabled. Both men leaped, but were injured in parachute landings. The plane crashed, upside down, on a factory roof at Farmborough, Hampshire, not far from here.

Waghorn suffered a fractured thigh, a broken ankle, and other

injuries. He underwent an operation at the hospital.

Winner of the 1929 Schneider cup seaplane races, Waghorn was one of Britain's best-known aviators. He set a new speed record for

planes when he flashed over the Schneider cup course at Calshot at 328.63 miles an hour, only to see his flying mate, R. L. R. Atcherly, break the mark a few hours later at 332 miles an hour.

## Simple to Lose a Pound of Fat a Day on a Full Stomach

### Do Just These Two Simple Things—Fat Melts Away

Here is a quick and easy way to take off a pound a day—four to seven pounds every week!—with never a hungry moment. A way any doctor will tell you is safe and sure.

This is what you do: Take a teaspoonful ordinary Jad Salts in glass of water half hour before breakfast every morning. This reduces moisture-weight instantly. Also cleanses your system of the waste matter and excess toxins that most fat people have, and banishes puffiness and bloat.

Then do this about eating. FILL YOUR STOMACH—eat your fill—of lean meats, vegetables like spinach, cauliflower, cabbage, tomatoes, etc., and lots of salads. Eat a lot. Eat all you can hold. Don't go hungry a minute. Cut down on butter, sweets

and desserts, bread. Eat any fruit for dessert.

That's all you do. Fat seems to melt away. The coarse lines of overweight give way to the refined ones of slenderness. You lose as much as a pound a day. You feel better than for years. For in this treatment you achieve two important results. The Jad Salts clear your system of toxins. \*The diet takes off fat with food that turns to energy instead of weight.

If you're tired of being embarrassed by fat, try this way. You'll be glad that you did. You can get Jad Salts at any drug store. \*Note particularly—the salts are urged purely as a poison-banishing agent—not as a reducing. The change in food does the work.—Advertisement.
